

Ora ti trovi nella dashboard di prenotazione DISH. Per prima cosa, vai su **Impostazioni** nel menu a sinistra.

The screenshot shows the DISH RESERVATION dashboard. On the left is a dark sidebar menu with the following items: Reservations, Table plan, Menu, Guests, Feedback, Reports, **Settings** (highlighted with an orange border), and Help. The main content area has a dark header with 'DISH RESERVATION' and 'John's Business' with a dropdown arrow. Below the header is a light blue banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and two orange buttons: 'WALK-IN' and 'ADD RESERVATION'. Under the banner is a date range selector showing 'Wed, 21/04/2021 - Wed, 21/04/2021'. Below that are filter buttons: 'All' (selected), 'Completed', and 'Upcoming', along with icons for a calendar and a group of people, both showing '0'. The main content area is mostly empty, displaying a large circular icon of a person with a magnifying glass and the text 'No reservations available'. At the bottom left of the main area is a 'Print' button. The footer contains a 'Too many guests in house? Pause online reservations' message with a pause icon, a 'Designed by Hospitality Digital GmbH. All rights reserved.' notice, a 'Start Co-Browsing' button, and a help icon (question mark in a circle). On the far right of the footer are links for 'FAQ', 'Terms of use', 'Imprint', and 'Data privacy'.

Quindi seleziona **Prenotazioni**.

The screenshot shows the DISH RESERVATION web application interface. The top header bar is dark grey with the text "DISH RESERVATION" on the left and "John's Business" on the right, accompanied by a flag icon and a refresh icon. A teal banner at the top of the main content area contains the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and two orange buttons: "WALK-IN" and "ADD RESERVATION". Below the banner is a date range selector showing "Wed, 21/04/2021 - Wed, 21/04/2021". Underneath the date selector are three radio buttons: "All" (selected), "Completed", and "Upcoming". To the right of these buttons are two icons: a calendar icon with "0" and a group of people icon with "0". The main content area is mostly empty, with a large grey circle containing an icon of a person looking through binoculars and the text "No reservations available" below it. A "Print" button is located at the bottom left of the main content area. The left sidebar is dark grey and contains a list of menu items: "Reservations", "Table plan", "Menu", "Guests", "Feedback", "Reports", "Settings", "Hours", "Reservations" (highlighted with an orange border), "Tables/Seats", "Offers", "Notifications", "Account", and "Help". At the bottom of the sidebar, there is a warning message: "Too many guests in house? Pause online reservations" and a pause icon. The bottom of the page features a dark grey footer with the text "Designed by Hospitality Digital GmbH. All rights reserved." on the left, a "Start Co-Browsing" button in the center, and a list of links: "FAQ", "Terms of use", "Imprint", and "Data privacy" on the right. A yellow question mark icon is also present in the bottom right corner of the footer area.
