

Vous êtes maintenant sur le tableau de bord de DISH Reservation. Accédez d'abord aux **Paramètres** dans le menu à gauche.

The screenshot shows the DISH Reservation dashboard. On the left is a dark sidebar menu with the following items: Reservations, Menu, Guests, Feedback, Reports, Settings (highlighted with an orange box and a dropdown arrow), and Help. The main content area has a dark header with 'DISH RESERVATION' and 'Website Setup' with a dropdown arrow, a language selector (UK flag), and a refresh icon. Below the header is a light blue banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and two orange buttons: 'WALK-IN' and 'ADD RESERVATION'. Under the banner are two filters: a date range 'Thu, 15/07/2021 - Thu, 15/07/2021' and a dropdown for 'All mealtypes'. Below these are three radio buttons: 'All' (selected), 'Completed', and 'Upcoming'. To the right of these are icons for a calendar with '0' and a group of people with '0'. The main content area displays a large white box with a circular icon of a person looking through binoculars and the text 'No reservations available'. At the bottom left of the main area is a 'Print' button. The footer contains a 'Too many guests in house? Pause online reservations' message with a pause icon, the text 'Designed by Hospitality Digital GmbH. All rights reserved.', and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data privacy' next to a help icon (a yellow circle with a question mark).

Et puis sélectionnez **Compte**.
