

Open the DISH Order terminal app. You will automatically be directed to the open orders. Now tap on the **drop-down menu icon** for opening the categories.

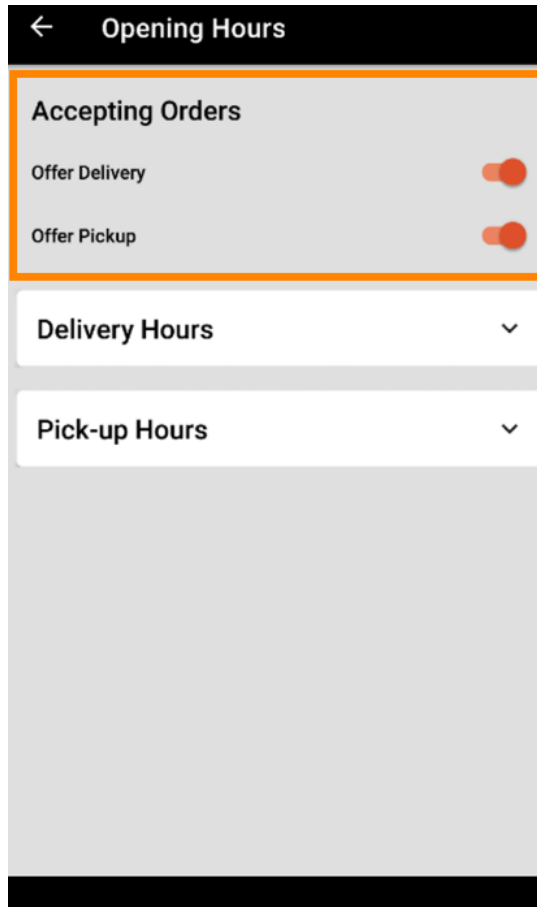

Choose the category **opening hours** by clicking.

Here you can select if you want to accept **delivery** and/or **pick-up orders**.

With a tab on **delivery/pick-up hours**, you can see your current opening hours.

Tap on **yes** to confirm your changes.

You will then see the notification of successful **updated delivery/pick-up times**.

The screenshot shows the 'Pick-up Hours' configuration screen. At the top, there is a back arrow and the title 'Pick-up Hours'. Below this, the 'Pick-up Days' section has three tabs: '24/7', 'DAILY', and 'FLEXIBLE', with 'FLEXIBLE' being the active tab. The 'Pick-up Hours' section lists three days: Tuesday, Wednesday, and Thursday. Each day has a time range set from '00:00' to '23:59' and a toggle switch that is currently turned on. Below each day's settings is a red link that says 'Add another'. At the bottom of the screen, a dark grey notification bar with an orange border displays the message 'Pick up times updated!'.

To get back to the overview of your opening hours, just click on the **arrow**. That's it. You're done.
