

First visit your DISH Order Website of the restaurant and copy your **URL**.

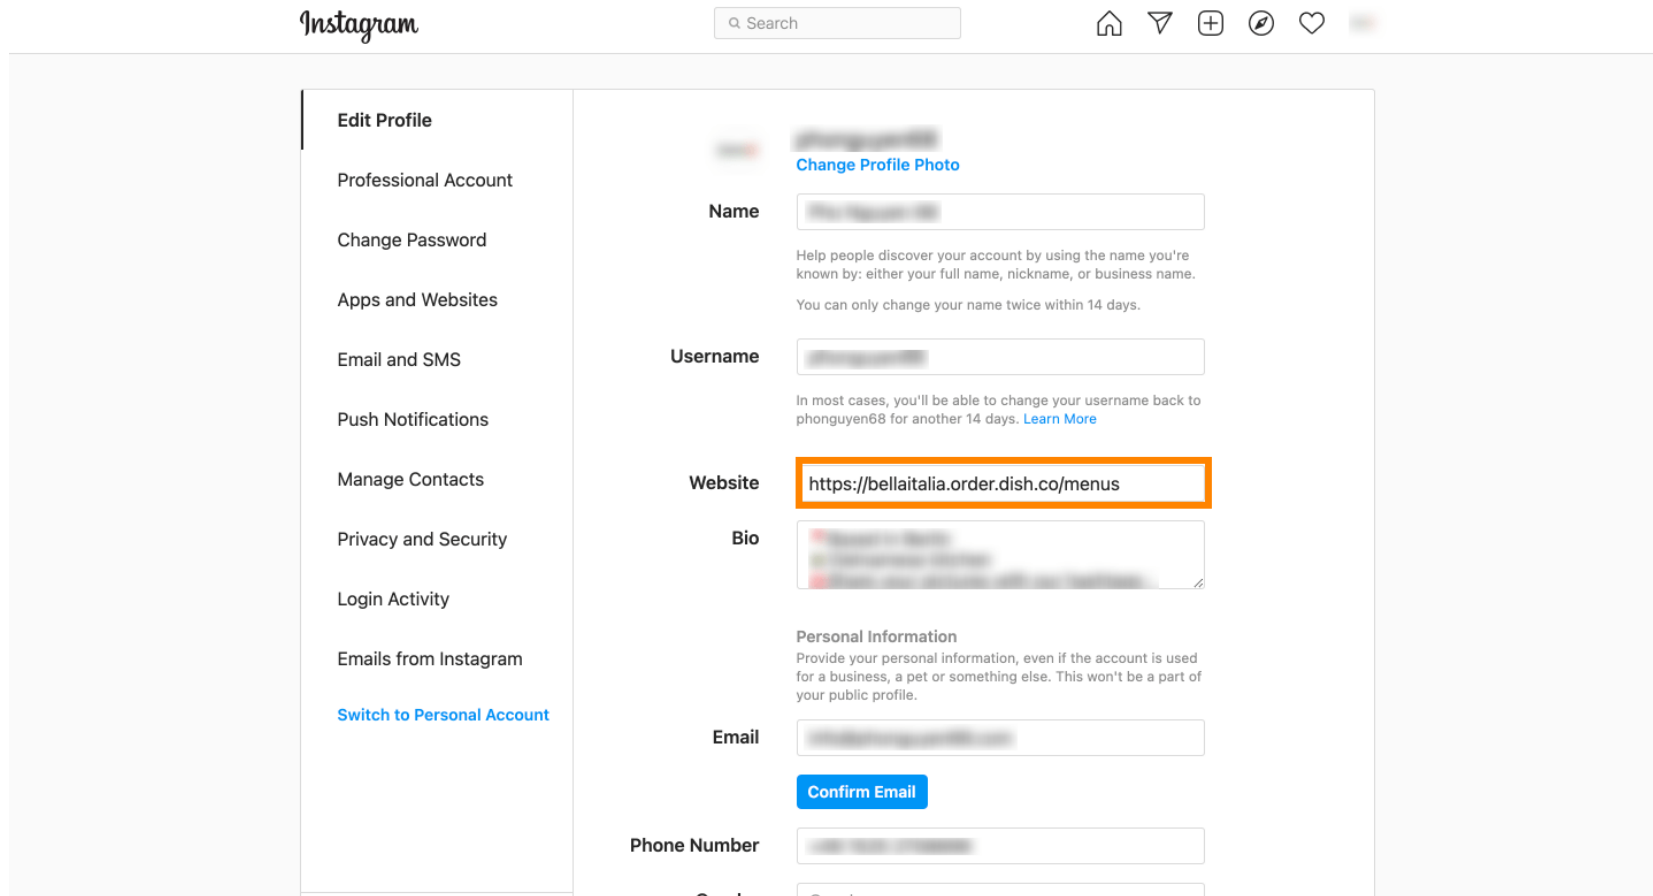

The next step is to log in to your Instagram account and click on **edit profile**.

Now insert/type in your copied link at the **website** field.

The screenshot shows the Instagram 'Edit Profile' page. On the left is a sidebar menu with options: Edit Profile, Professional Account, Change Password, Apps and Websites, Email and SMS, Push Notifications, Manage Contacts, Privacy and Security, Login Activity, Emails from Instagram, and a link to 'Switch to Personal Account'. The main content area shows fields for Name, Username, Website, Bio, Email, Phone Number, and Gender. The 'Website' field is highlighted with an orange border and contains the text 'https://bellaitalia.order.dish.co/menus'. Above the Website field is a 'Change Profile Photo' link. Below the Website field is a 'Personal Information' section with a note: 'Provide your personal information, even if the account is used for a business, a pet or something else. This won't be a part of your public profile.' Below this note are fields for Email and Phone Number, with a 'Confirm Email' button next to the Email field.

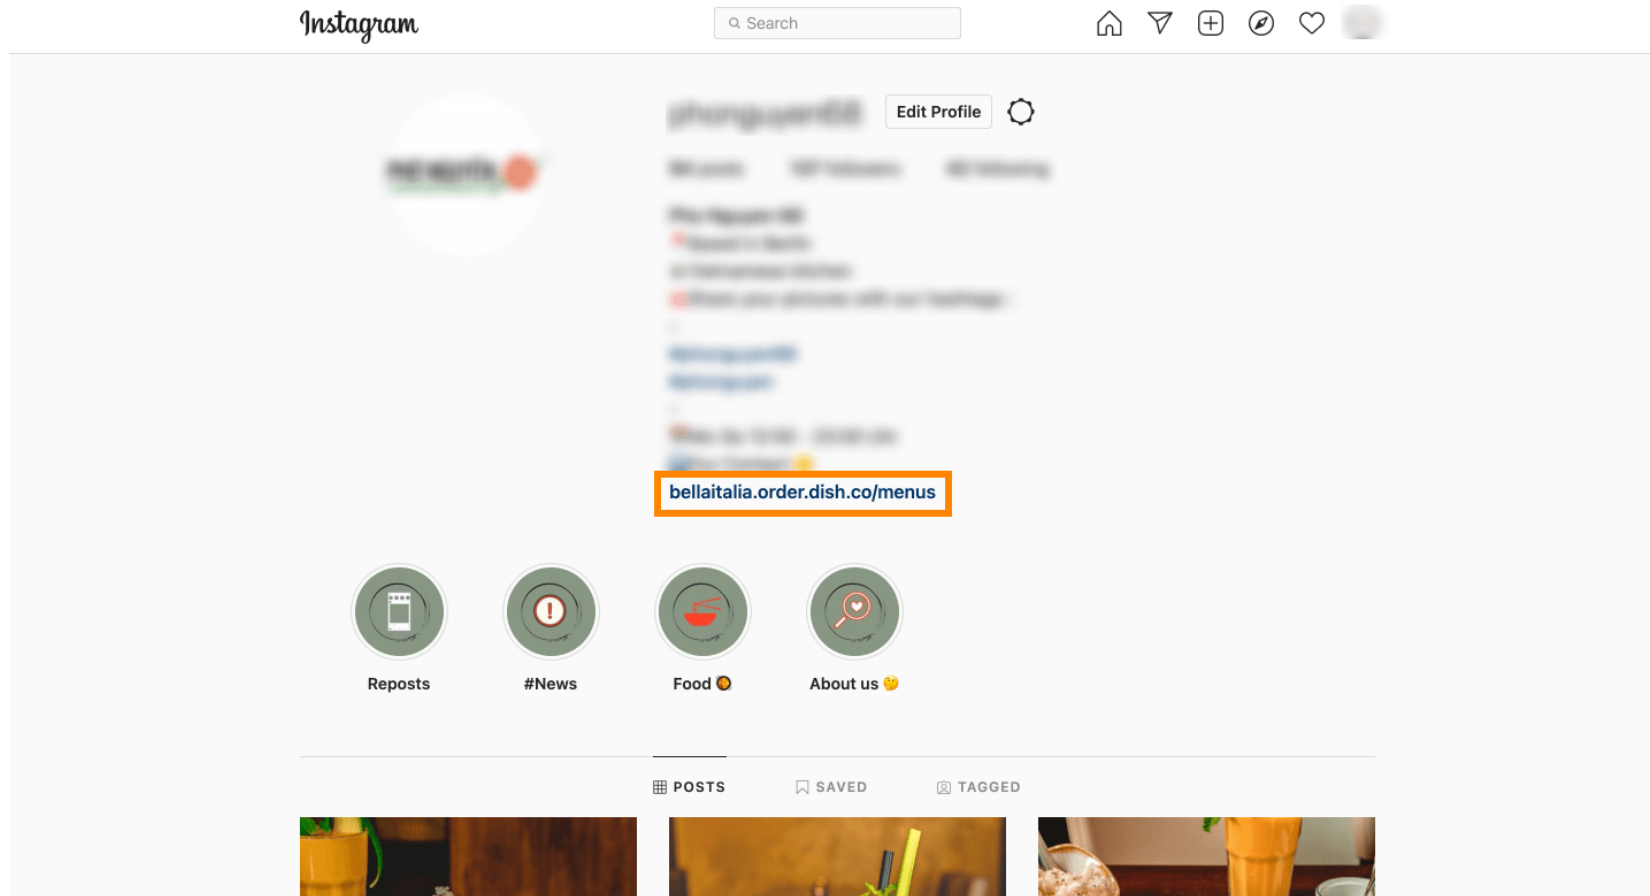

Scroll down and click on **submit** to save your settings.

The screenshot shows the Instagram account settings page. On the left is a sidebar with navigation options: Push Notifications, Manage Contacts, Privacy and Security, Login Activity, Emails from Instagram, and a link to 'Switch to Personal Account'. Below these is the 'Meta Accounts Center' section, which explains that it controls settings for connected experiences across Instagram, the Facebook app, and Messenger. The main content area contains fields for Website, Bio, Personal Information (Email, Confirm Email, Phone Number, Gender), and Similar Account Suggestions (with a checkbox for 'Include your account when recommending similar accounts'). The 'Submit' button is highlighted with an orange box. At the bottom right of the main area is a link to 'Temporarily disable my account'. The footer includes links to Meta, About, Blog, Jobs, Help, API, Privacy, Impressum/Terms/NetzDG/UrDaG, Top Accounts, Hashtags, Locations, and Instagram Lite, along with the text 'English' and '© 2021 Instagram from Meta'.

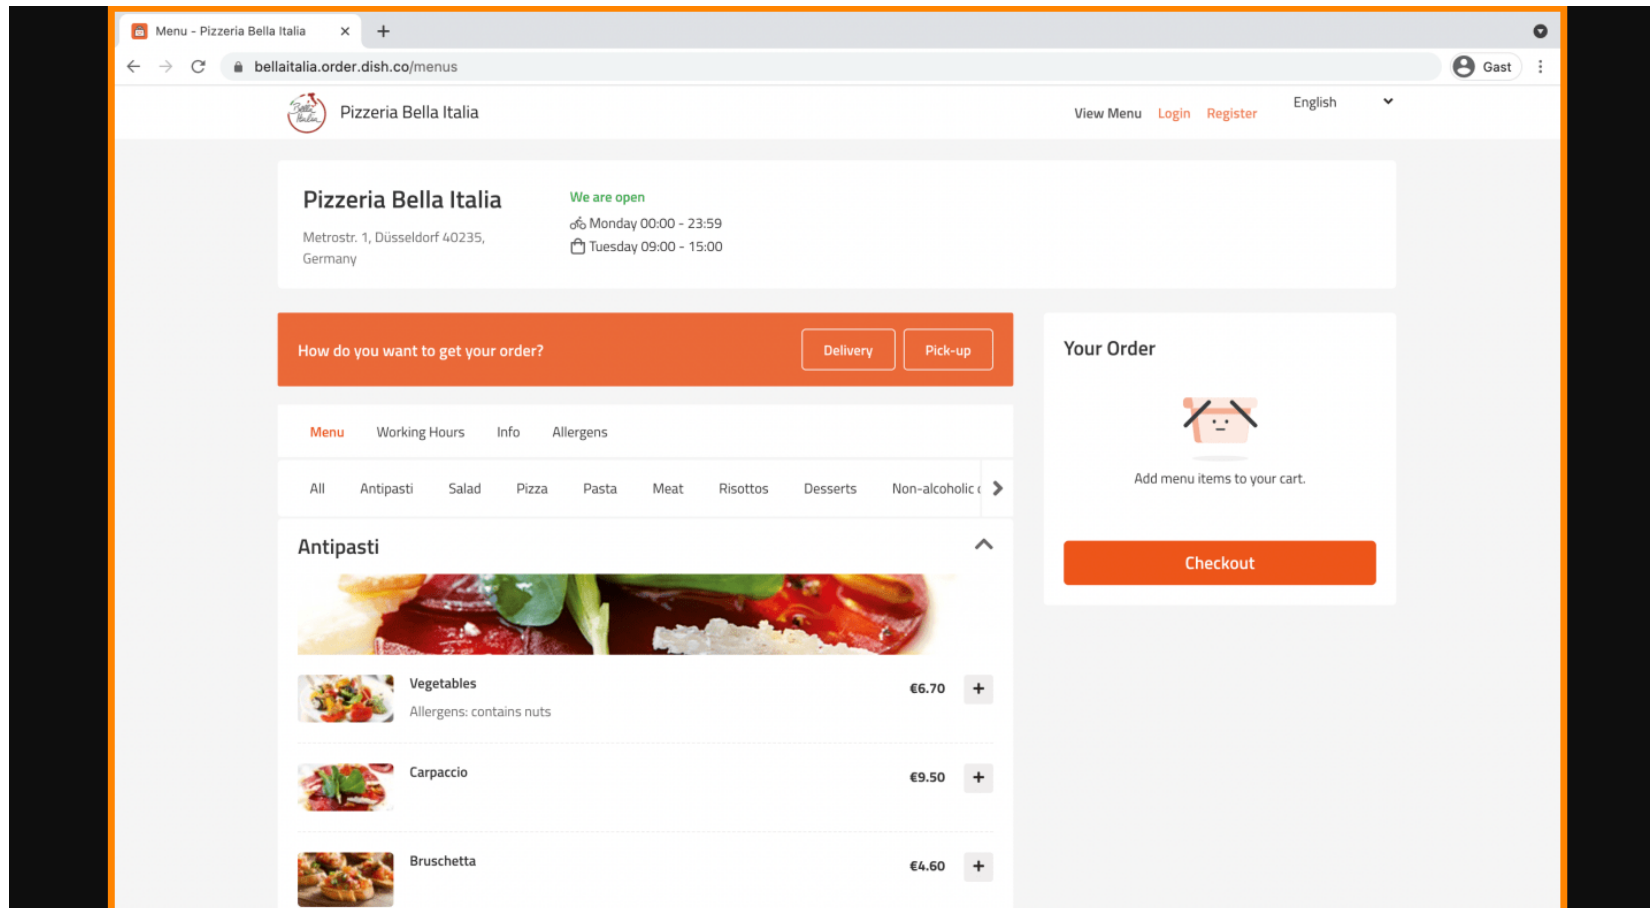

Go back to your profile and click on the **link** to prove if the link is working.

That's it. You've successfully link your DISH Order Website with your Instagram account.
