Hai completato con successo l'integrazione di PayPal utilizzando HD Pay.

The screenshot shows the DISH Order software interface. On the left, there's a sidebar with various menu items like Dashboard, Restaurant, Sales, Marketing, Users, Design, Localization, Tools, and System. The main area is titled 'Location Edit' under 'RESTAURANT'. It displays several payment method configurations:

- Card payment in the restaurant:** A checkbox labeled 'Accept card payments in the restaurant' is followed by a text input field containing '€ 0,00' and a note about max order total.
- Card payment upon delivery:** A checkbox labeled 'Accept card payments upon delivery'.
- PayPal Payment:** A checkbox labeled 'Accept PayPal online payments on your webshop'.

Below these, there's a section titled 'DISH Order payment integrations' with a sub-section for 'stripe' (Online payments offered via stripe). It includes buttons for 'Change Business account data' and 'Change Bank Account data'. Under the stripe section, there's an 'Online Payment' configuration with a checked checkbox and a note about min order total.

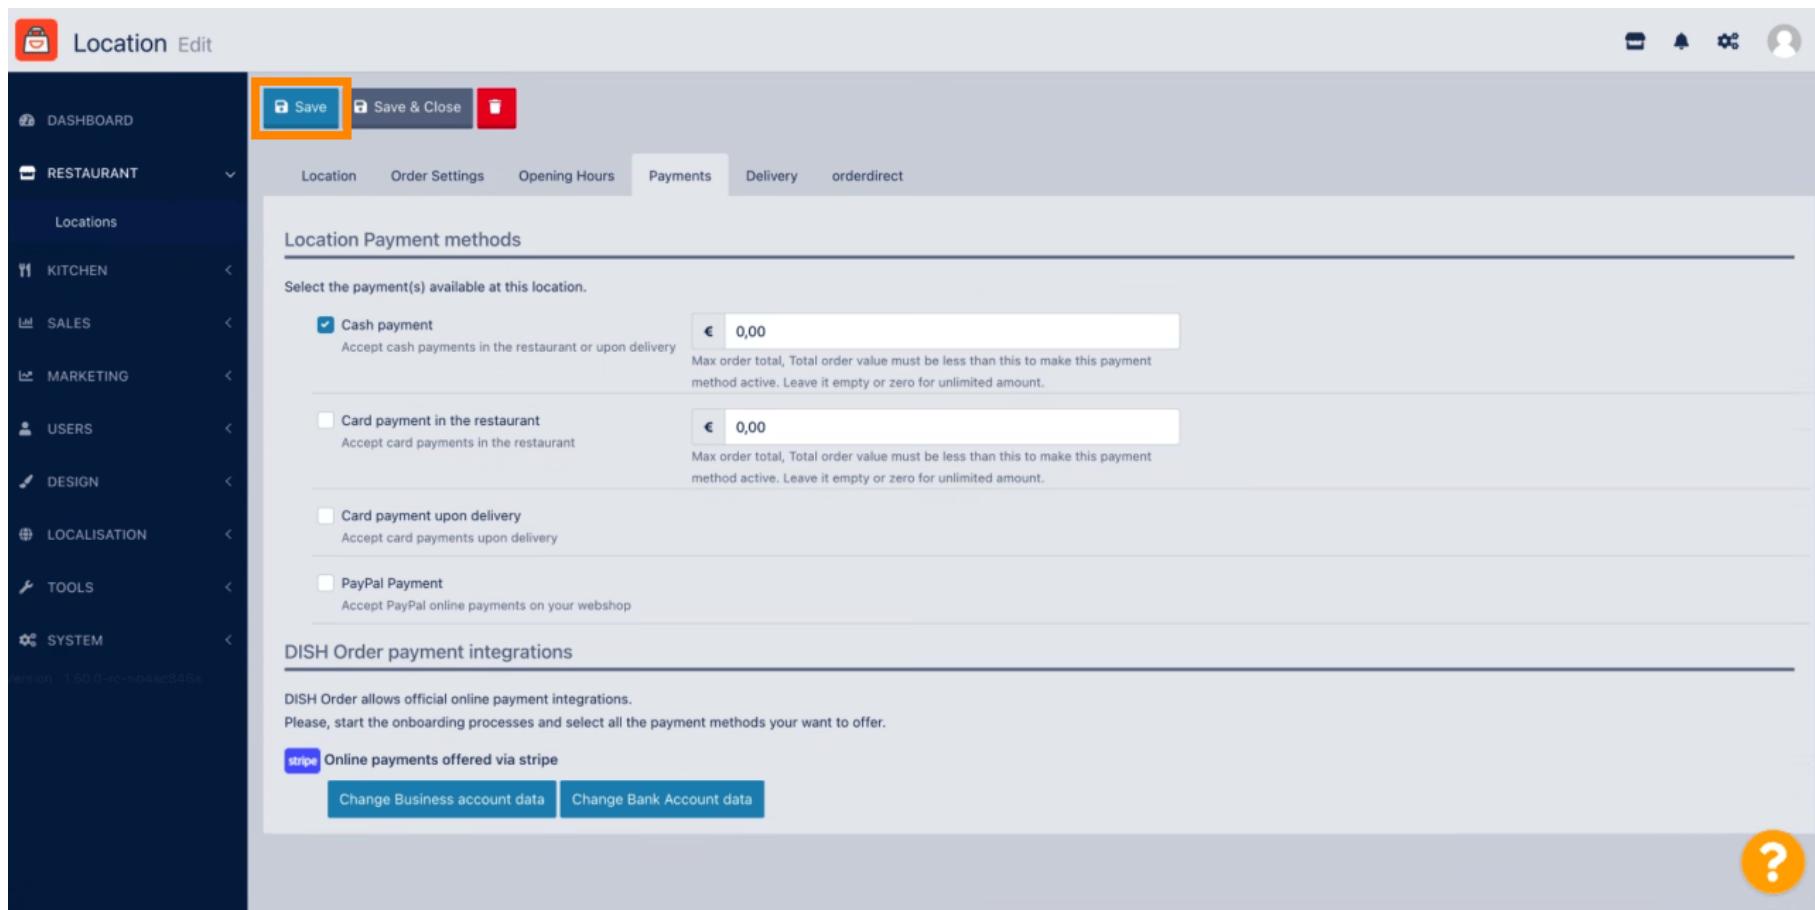

Further down, there's a section for 'PayPal payment' with a 'Paypal' configuration and a note about min order total. A large green success message box is centered at the top of the page, stating: 'Thank you for proceeding with the setup of the payment method. When the Setup is completed, the payment method will become available to be offered to end customers soon.' A small orange question mark icon is located in the bottom right corner of the main window.

Ora scorri verso il basso fino al pagamento PayPal e fai clic sulla **casella di controllo** per abilitare il metodo di pagamento.

The screenshot shows the 'Location Edit' screen in the DISH Order software. On the left, there's a sidebar with various menu items like Dashboard, Restaurant, Locations, Kitchen, Sales, Marketing, Users, Design, Localisation, Tools, and System. The 'Restaurant' section is expanded, showing 'Locations' and 'DISH Order payment integrations'. In the main area, under 'DISH Order payment integrations', it says 'DISH Order allows official online payment integrations. Please, start the onboarding processes and select all the payment methods your want to offer.' There are two sections: 'stripe Online payments offered via stripe' and 'PayPal payment'. Under 'stripe', there are buttons for 'Change Business account data' and 'Change Bank Account data'. Under 'PayPal payment', there is a button for 'Edit onboarding'. A checkbox for 'paypal' is checked and highlighted with an orange border. Below the checkbox, it says 'paypal Online Payment using HD Pay'. At the bottom right of the page, there are links for 'Privacy Settings | FAQ | New Features' and a help icon with a question mark.
