

Click on the **menu button**.

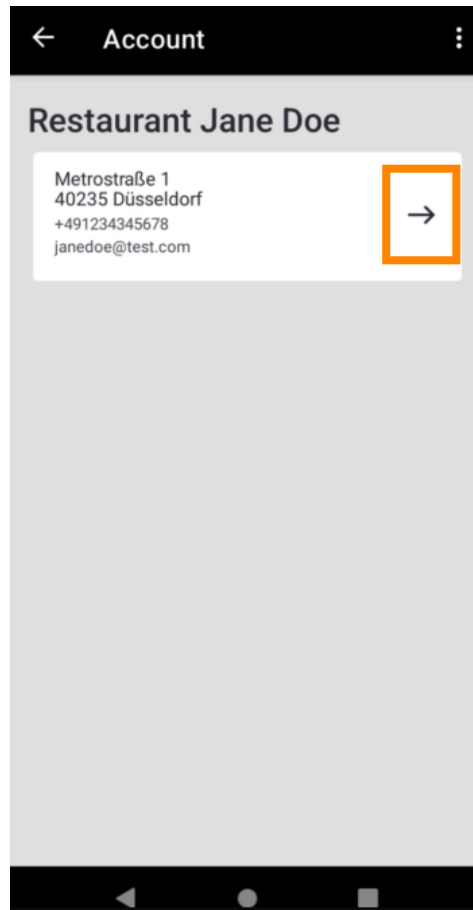

Click **Account**.

 Under the **Account** page, you can see your restaurant information. To edit, click on the arrow.

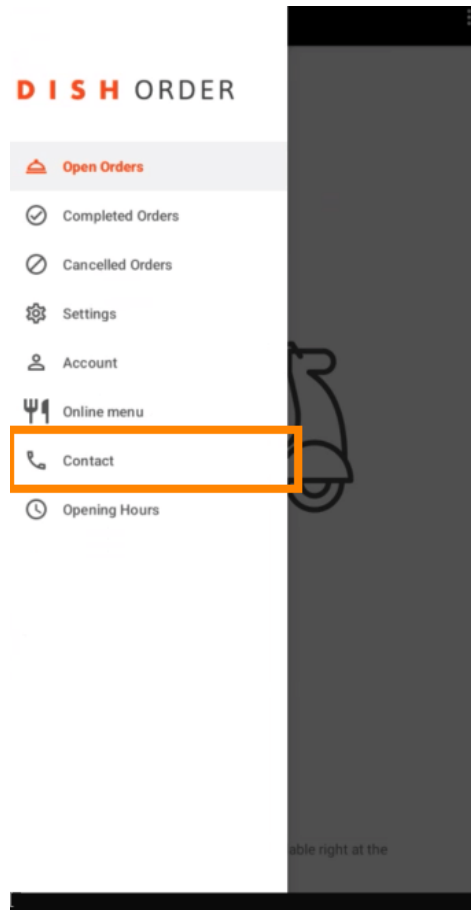

You are now able to enter the data you want to change. Click **Save changes**.

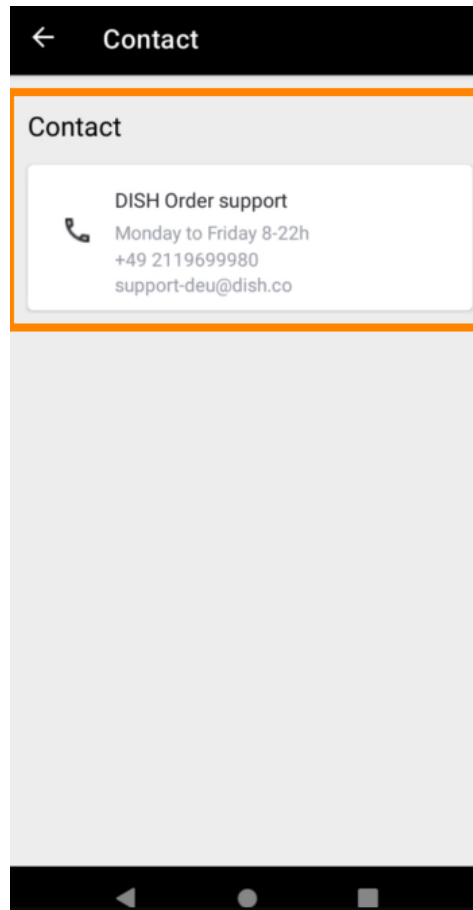

The screenshot shows the 'Edit Account' screen in the DISH Order Terminal app. The screen has a black header with a back arrow and the text 'Edit Account'. Below the header, there are four input fields with labels: 'Establishment Name' (containing 'Restaurant Jane Doe'), 'Webshop address' (containing 'restaurant-jane-doe'), 'Establishment email' (containing 'janedoe@test.com'), and 'Establishment telephone' (containing 'DE +49' and '1234345678'). At the bottom of the screen, there is a black bar with two buttons: 'Cancel' with a close icon and 'Save changes' with a checkmark icon. The 'Save changes' button is highlighted with an orange border.

Click **Contact** to get contact information of your customer service.

That's it, you're done.
