

Welcome to the dashboard of **DISH Reservation**. In this tutorial, we show you how to create reservation limits.

The screenshot displays the DISH Reservation dashboard. The top header shows the 'DISH RESERVATION' logo, the user 'HD*tunw', a language dropdown (UK flag), and a refresh icon. A teal notification bar at the top right prompts users to add walk-in reservations with 'WALK-IN' and 'ADD RESERVATION' buttons. Below this is a date range selector for 'Tue, 13 Sep - Tue, 13 Sep'. A message states 'You have no limits configured for the selected date.' with an 'Add a new limit' button. Filter tabs for 'All', 'Completed', and 'Upcoming' (selected) are shown, along with counts for reservations (0), guests (0), and tables (0/13). The main content area features a large circular icon of a person with a magnifying glass and the text 'No reservations available'. A 'Print' button is located at the bottom left of the main area. The footer includes a status message 'Too many guests in house? Pause online reservations' with a pause icon, the text 'Designed by Hospitality Digital GmbH. All rights reserved.', and links for 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings'. A yellow question mark icon is also present in the bottom right corner.

First, go to **Settings** on the menu to your left.

The screenshot shows the DISH RESERVATION dashboard. On the left is a dark sidebar with a menu. The 'Settings' item, which includes a gear icon, is highlighted with an orange rectangle. The main content area has a light gray background. At the top of this area is a teal banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and two orange buttons: 'WALK-IN' and 'ADD RESERVATION'. Below the banner is a date selector showing 'Tue, 13 Sep - Tue, 13 Sep'. Underneath is a message: 'You have no limits configured for the selected date.' with an orange button 'Add a new limit'. Below this is a filter bar with radio buttons for 'All' (selected), 'Completed', and 'Upcoming', and icons for a calendar, people, and a table. The main content area below the filter bar shows a large white box with a circular icon of a person looking through binoculars and the text 'No reservations available'. At the bottom of this box is a 'Print' button. In the bottom right corner of the dashboard is a yellow circle with a question mark. The footer contains a warning 'Too many guests in house? Pause online reservations' with a pause icon, the text 'Designed by Hospitality Digital GmbH. All rights reserved.', and a row of links: 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings'.
