The screenshot displays the DISH web management interface. On the left is a sidebar menu with various options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted with an orange bar), Design Template, Template customization, Gallery media, Description, Content (highlighted with an orange bar), Section layout, Legal, Web Address, DISH WEBLISTING, and Account. The main area is titled 'Content' and contains a description: 'Add content blocks or blogs to populate your website with more information and to inform your customers about your business, news, activities, vouchers, or events. Communication and content is key to have new customers visiting your business!'. Below this are three content blocks: 'About Us', 'Vouchers', and 'Events'. The 'Events' block is highlighted with a thick orange border. Each block has a plus icon in the top right corner. At the bottom right of the main area is a yellow circle with a question mark. The footer contains the text 'Designed by Dish Digital Solutions GmbH. All rights reserved.' and links for Imprint, FAQ, Terms of Use, Data Privacy, and Privacy Settings.
