

Bem-vindo ao painel de **reservas do DISH**. Neste tutorial, mostraremos como criar um arquivo PDF com suas reservas.

The screenshot displays the DISH RESERVATION dashboard. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area has a top teal banner with a message about walk-in customers and 'WALK-IN' and 'ADD RESERVATION' buttons. Below this is a date selector showing 'Sun, 11 Dec - Sun, 11 Dec' and a service filter set to 'All services'. A message states 'You have no limits configured for the selected date.' with an 'Add a new limit' button. Filter tabs for 'All', 'Completed', and 'Upcoming' are present, along with counts for reservations (0), guests (0), and tables (0/5). The central area shows 'No reservations available' with an icon of a person looking through binoculars. At the bottom left, a 'Print' button is visible. The footer includes a warning about too many guests, a copyright notice for Hospitality Digital GmbH, and links for FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

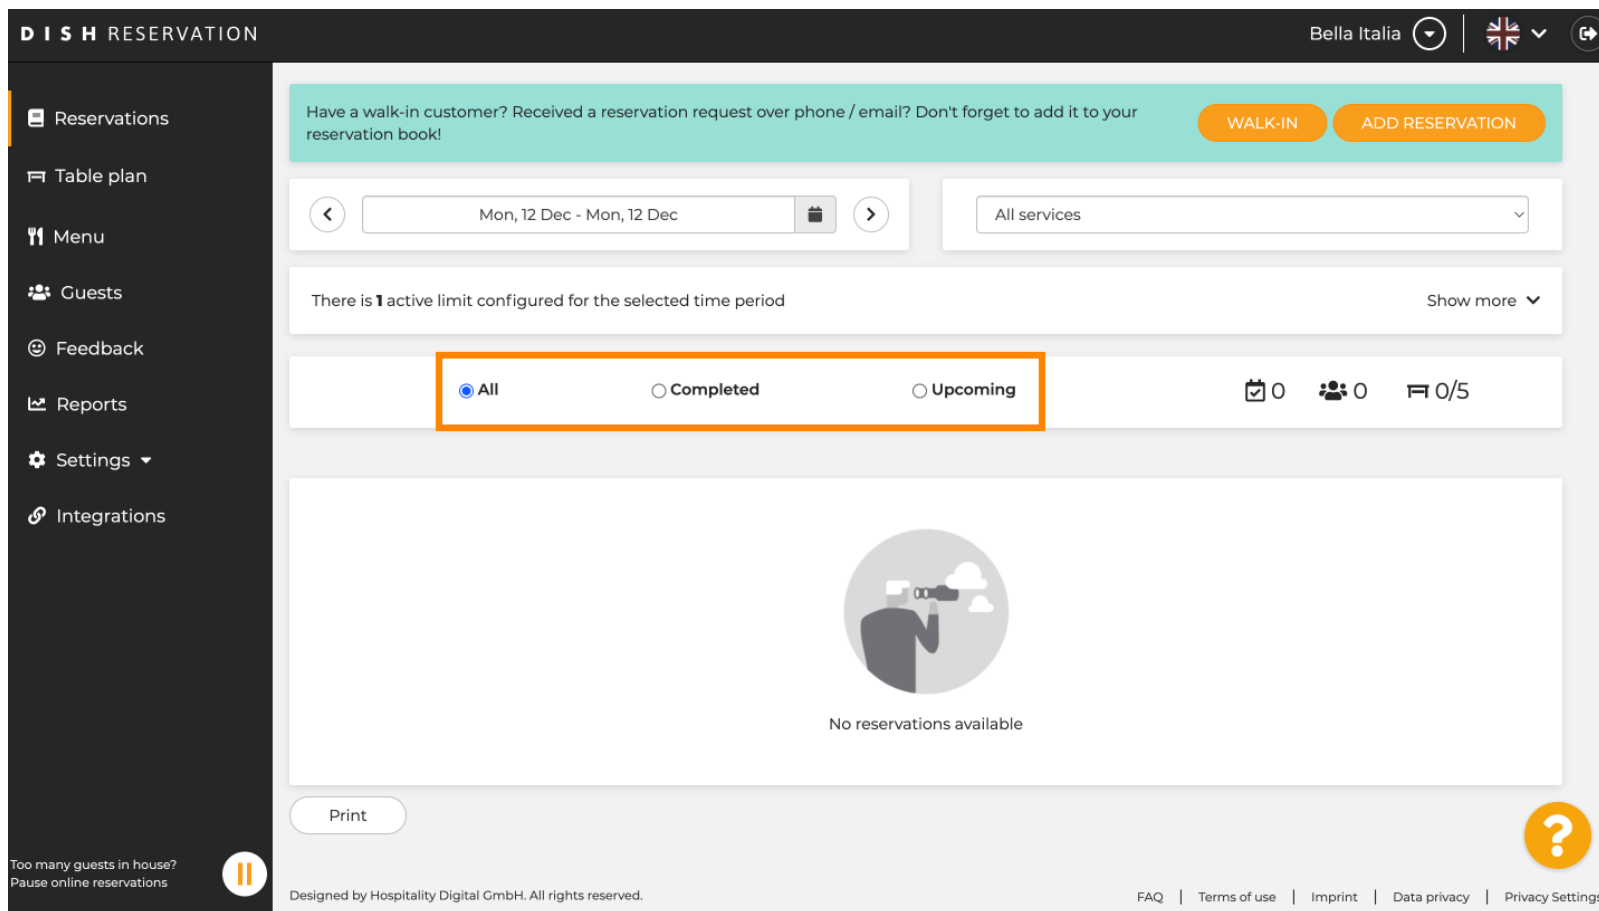

Selecione a data ou o período de tempo que deseja incluir na exportação do PDF usando a **função de calendário**.

The screenshot displays the DISH RESERVATION web application interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area has a top header with 'Bella Italia' and a flag icon. Below this is a teal banner with a message about walk-in customers and two buttons: 'WALK-IN' and 'ADD RESERVATION'. A date selection bar is highlighted with an orange border, showing 'Sun, 11 Dec - Sun, 11 Dec' with left and right navigation arrows. To the right of the date bar is a dropdown menu for 'All services'. Below the date bar, a message states 'You have no limits configured for the selected date.' with an 'Add a new limit' button. A filter bar shows 'All' selected, with 'Completed' and 'Upcoming' as options, and counts for each. The main content area shows a large empty space with a magnifying glass icon and the text 'No reservations available'. At the bottom left, there is a 'Print' button. At the bottom right, there is a help icon (question mark) and a footer with links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. A small notification at the bottom left says 'Too many guests in house? Pause online reservations'.

Escolha se você deseja ver apenas as reservas **concluídas** , **futuras** ou **todas** para a data definida.

The screenshot displays the DISH RESERVATION dashboard for 'Bella Italia'. The left sidebar contains navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area features a teal banner with a 'WALK-IN' and 'ADD RESERVATION' button. Below this is a date range selector set to 'Mon, 12 Dec - Mon, 12 Dec' and a service filter set to 'All services'. A message states 'There is 1 active limit configured for the selected time period' with a 'Show more' link. The filter section at the bottom of the main area shows three options: 'All' (selected), 'Completed', and 'Upcoming'. To the right of these are icons for a calendar (0), guests (0), and a filter icon (0/5). The main content area is empty, displaying a magnifying glass icon and the text 'No reservations available'. A 'Print' button is located at the bottom left of the main content area. The footer includes a 'Too many guests in house? Pause online reservations' message, a 'Designed by Hospitality Digital GmbH. All rights reserved.' notice, and a row of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. A help icon (question mark) is located at the bottom right.

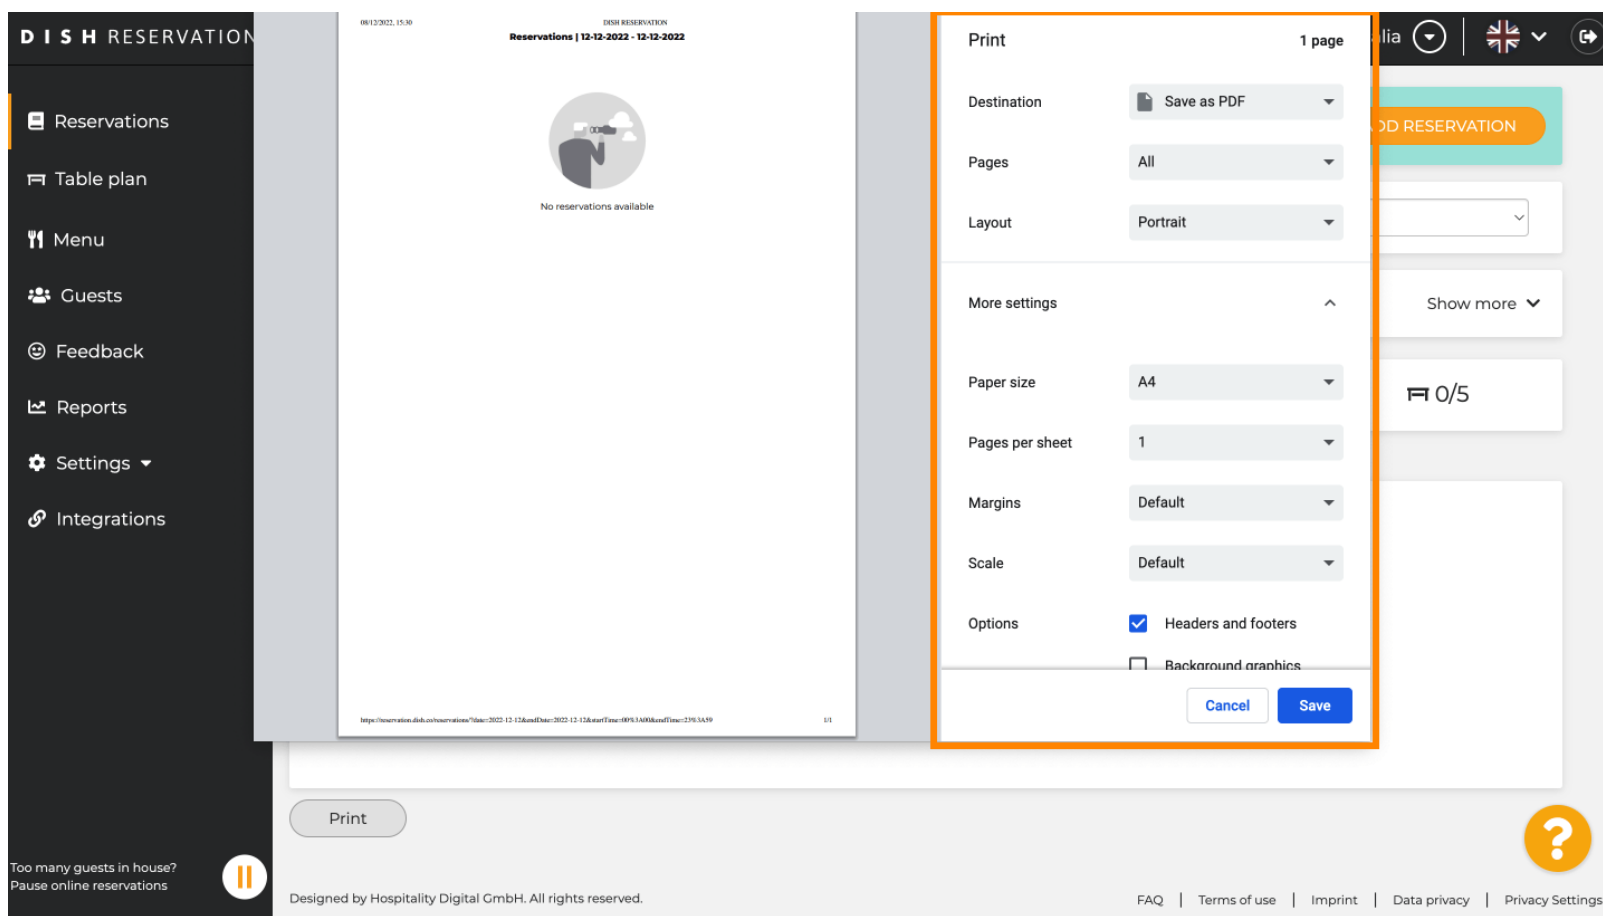

Em seguida, clique em **Imprimir**.

The screenshot displays the DISH RESERVATION dashboard. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area has a teal header with a message about walk-in customers and buttons for 'WALK-IN' and 'ADD RESERVATION'. Below this is a date selector showing 'Mon, 12 Dec - Mon, 12 Dec' and a service filter set to 'All services'. A status bar indicates '1 active limit configured for the selected time period' with a 'Show more' link. Below the status bar are filters for 'All' (selected), 'Completed', and 'Upcoming', along with counts for reservations (0), guests (0), and tables (0/5). The main area shows 'No reservations available' with an illustration of a person looking through binoculars. At the bottom left, a 'Print' button is highlighted with an orange box. The footer contains a pause button for too many guests, copyright information, and a list of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings. A help icon (question mark) is located at the bottom right.

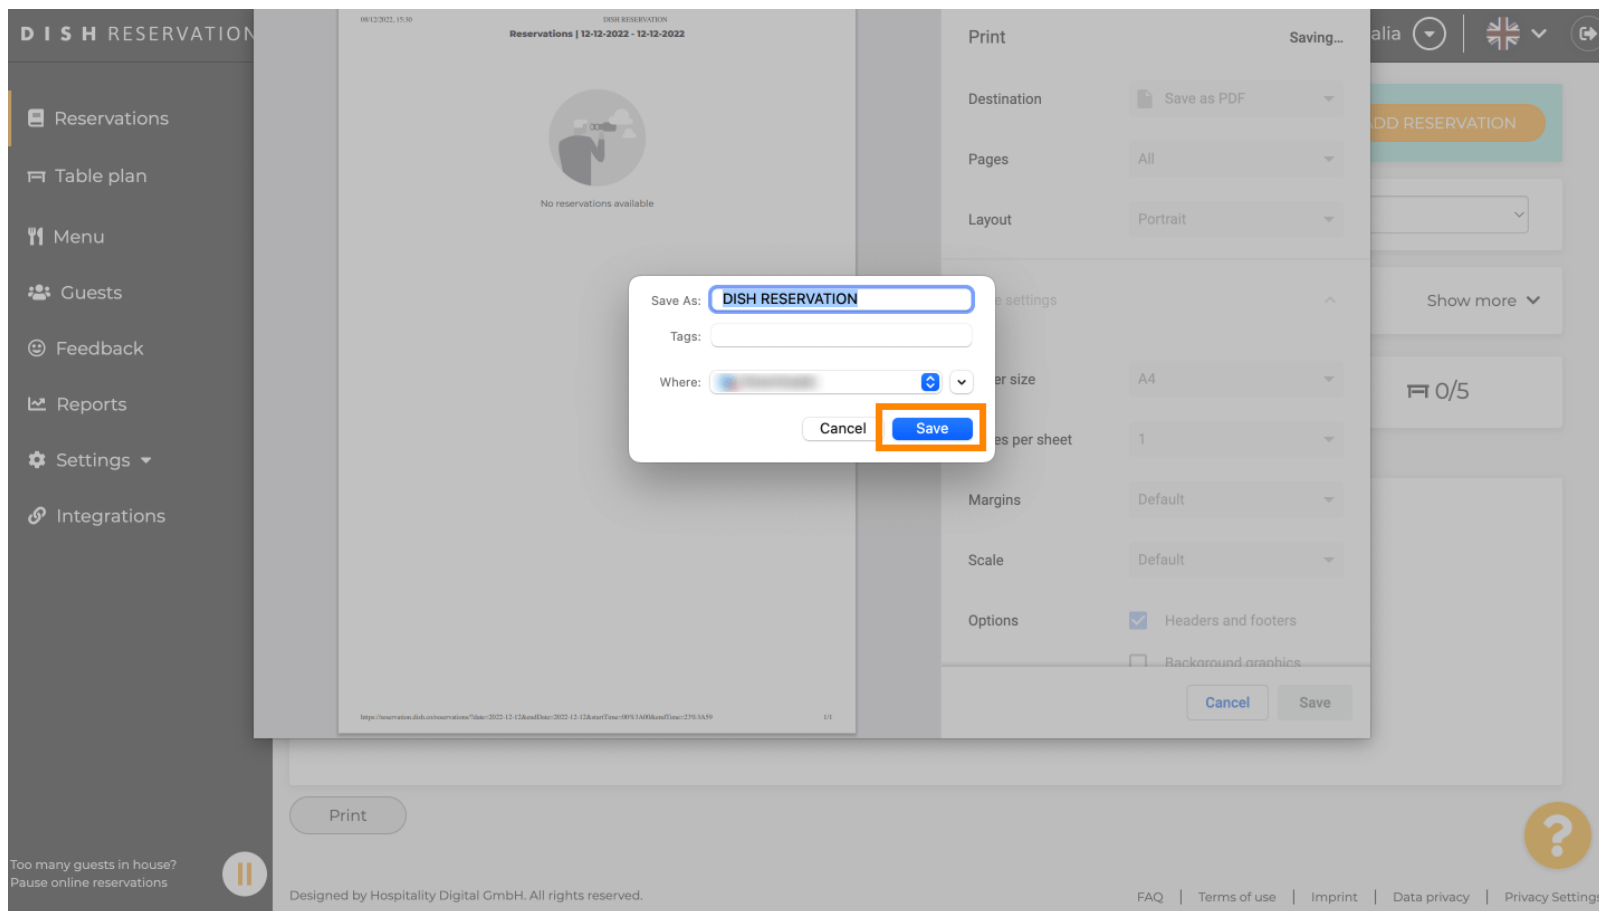

Um pop-up será aberto permitindo que você edite o formato da sua impressão, por exemplo, **layout**, **tamanho do papel**, **margens**, **escala**.

Depois de definir o formato correto, clique em **Salvar**.

The screenshot displays the DISH RESERVATION web application interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area shows a 'Reservations | 12-12-2022 - 12-12-2022' view with a message 'No reservations available' and a circular icon of a person at a desk. A 'Print' overlay is open on the right, showing settings for '1 page'. The settings include: Destination (Save as PDF), Pages (All), Layout (Portrait), Paper size (A4), Pages per sheet (1), Margins (Default), Scale (Default), and Options (Headers and footers checked, Background graphics unchecked). The 'Save' button in the print overlay is highlighted with an orange rectangle. At the bottom of the page, there is a footer with a 'Print' button, a warning 'Too many guests in house? Pause online reservations', a copyright notice 'Designed by Hospitality Digital GmbH. All rights reserved.', and a list of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.

 Agora nomeie seu arquivo, escolha um destino no seu dispositivo e clique em **Salvar**.

Pronto. Você concluiu o tutorial e agora sabe como criar um arquivo PDF com suas reservas.

The screenshot displays the DISH RESERVATION web application interface. On the left is a dark sidebar with navigation links: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings, and Integrations. The main content area has a dark header with 'DISH RESERVATION' and 'Bella Italia' with a location dropdown. Below the header is a teal banner with a message about walk-in customers and 'WALK-IN' and 'ADD RESERVATION' buttons. A date range selector shows 'Mon, 12 Dec - Mon, 12 Dec' and a service filter is set to 'All services'. A status bar indicates '1 active limit configured for the selected time period' and shows filters for 'All', 'Completed', and 'Upcoming' with counts (0, 0, 0/5 respectively). The central area shows 'No reservations available' with an illustration of a person looking through binoculars. At the bottom, there is a 'Print' button, a 'Too many guests in house? Pause online reservations' warning, and a footer with 'Designed by Hospitality Digital GmbH. All rights reserved.' and a list of links: FAQ, Terms of use, Imprint, Data privacy, and Privacy Settings.
