## Address & contact details

By unchecking this box the establishment name will not be shown over your cover image anymore. This makes sense, when your cover image includes your establishment name already.

The phone number and email address will be used by your guests to communicate with you. By clicking on the checkboxes, they will be displayed on your website.

A contact form provides customers a more convenient way to write you a message. Additionally, customers can contact you even when you disabled the public display of your email address.
