You can unpublish your website by clicking the button below.' A grey 'UNPUBLISH MY WEBSITE' button is located at the bottom of this section.

A yellow question mark icon is visible in the bottom right corner of the main content area.

Under **DISH WEBSITING**, you can connect your DISH website with DISH Weblisting, where you can manage all social information.

The screenshot shows the DISH Weblisting administration panel. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address, **DISH WEBSITING** (highlighted), and Account. The main content area is titled "DISH WEBSITING" and features a sub-header "Attract more guests with DISH Weblisting". Below this, a paragraph states: "With DISH Weblisting customers can easily find you on Google Maps and Google Search." Three key features are listed with icons: 1. Information icon: "You can **manage all the information** that needs to be shown on your Google listing and also upload pictures to make sure your restaurant looks appealing online." 2. Comments icon: "It is also possible to **reply to reviews** received on Google from your customers directly from DISH Weblisting." 3. Location pin icon: "Lastly, you can **create Google posts** to interact more with your audience. You may have a new drink you want to share with your customers or a new event at your establishment you would like to inform about!" A concluding paragraph states: "The importance of a good and interactive online presence has never been more crucial! Make sure to use DISH Weblisting to ensure your business is easily found!" At the bottom, there are two mobile app preview images. The left one shows the "DISH WEBSITING" app interface with a bottom navigation bar. The right one shows a "Web Listing" app interface with a "Review details" screen for "Luisa Carvalho" with a 5-star rating. A yellow question mark icon is located in the bottom right corner of the screenshot.
