Pod **DISH WEBSITING** možete povezati svoju DISH web stranicu s DISH Weblistingom, gdje možete upravljati svim društvenim informacijama.

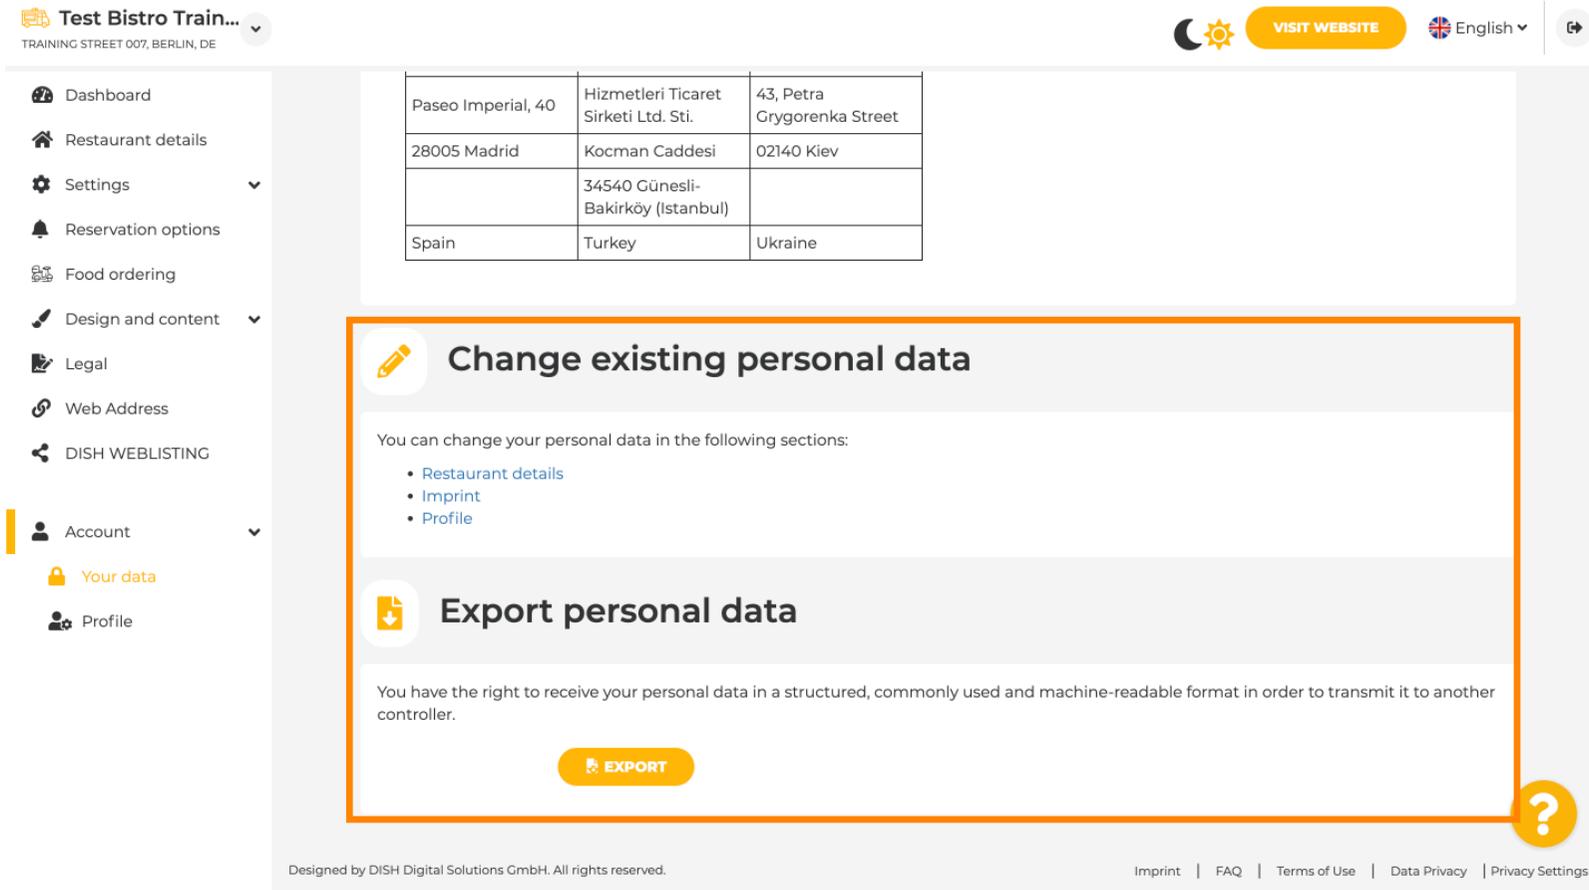

The screenshot shows the DISH Weblisting interface. On the left is a navigation menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address, **DISH WEBSITING** (highlighted), and Account. The main content area is titled "DISH WEBSITING" and features the heading "Attract more guests with DISH Weblisting". Below this, it states: "With DISH Weblisting customers can easily find you on Google Maps and Google Search." Three key features are listed with icons:

- Information icon:** You can **manage all the information** that needs to be shown on your Google listing and also upload pictures to make sure your restaurant looks appealing online.
- Comments icon:** It is also possible to **reply to reviews** received on Google from your customers directly from DISH Weblisting.
- Mobile phone icon:** Lastly, you can **create Google posts** to interact more with your audience. You may have a new drink you want to share with your customers or a new event at your establishment you would like to inform about!

 A concluding paragraph reads: "The importance of a good and interactive online presence has never been more crucial! Make sure to use DISH Weblisting to ensure your business is easily found!" At the bottom, there are two mobile device mockups: one showing a "Web Listing" overview with metrics like "Profile Completeness" and "Overall rating on Google", and another showing "Review details" for a user named Luisa Carvalho. A question mark icon is visible in the bottom right corner of the interface.
