Then enter the general information about the webshop by using the corresponding **text field**.

The screenshot displays the DISH POS v3.54.1 interface. On the left is a dark sidebar menu with options: Minimise menu, Dashboard, Products, Finance, General, Payment, Self-service (expanded), Time schedules, Sales channels, and QR codes. The main area is titled 'Edit QR' and contains a list of settings: General, Content (selected), Appearance, Tipping, Legal notice, and Opening hours. The 'Content' settings are shown in a light gray panel. At the top, there's a 'Name*' field with 'DISH Webshop'. Below are three text input areas: 'Welcome text', 'General information', and 'Payment text'. Each area has a formatting toolbar with 'Normal', bold (B), italic (I), and underline (U) options. The 'General information' text field is highlighted with a thick orange border. At the bottom of the panel are 'Cancel' and 'Save' buttons.

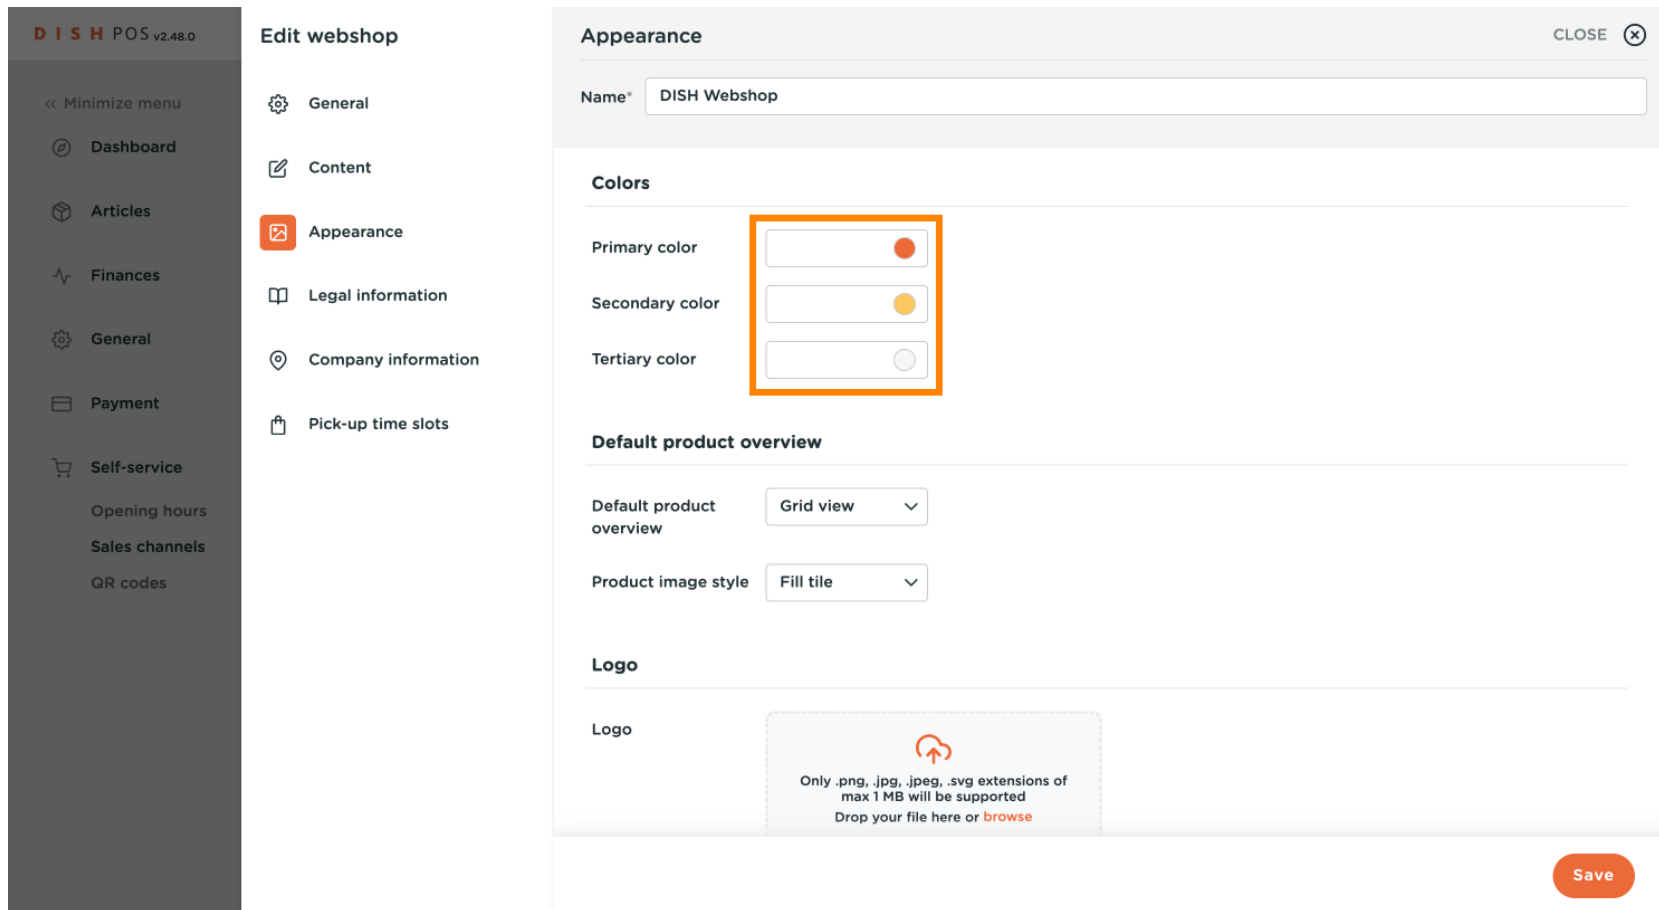

To set colors and images for the webshop, go to the **Appearance** section.

The screenshot displays the DISH POS v3.54.1 interface. On the left, a sidebar menu lists various sections: Dashboard, Products, Finance, General, Payment, and Self-service. The 'Appearance' option under the 'Edit QR' section is highlighted with an orange box. The main content area shows the 'Content' section, which includes a 'Name' field set to 'DISH Webshop'. Below this, there are three text input areas: 'Welcome text', 'General information', and 'Payment text'. Each text area has a formatting toolbar with options for Normal, Bold (B), Italic (I), and Underline (U). At the bottom of the 'Content' section, there are 'Cancel' and 'Save' buttons.

To change the colors, use the respective fields. **Note: The primary one is the main color of your webshop, the secondary is the menu and the tertiary is related to the footer.**
