

Welcome to the DISH POS app. In this tutorial, we show you how to adjust the view of the stock overview.

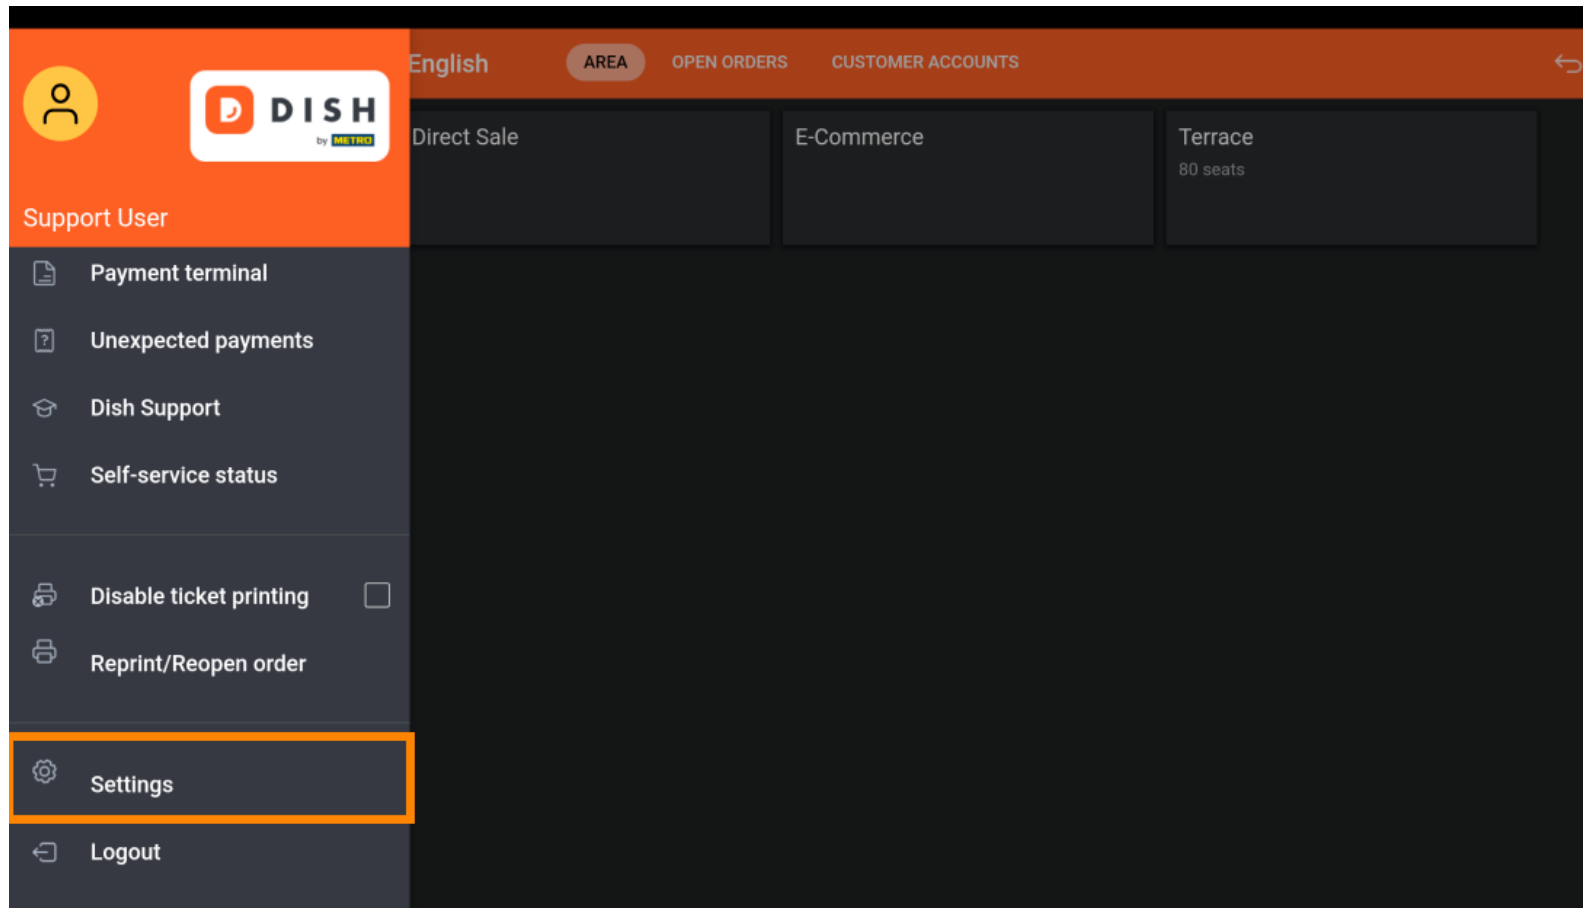

First, open the **menu**.

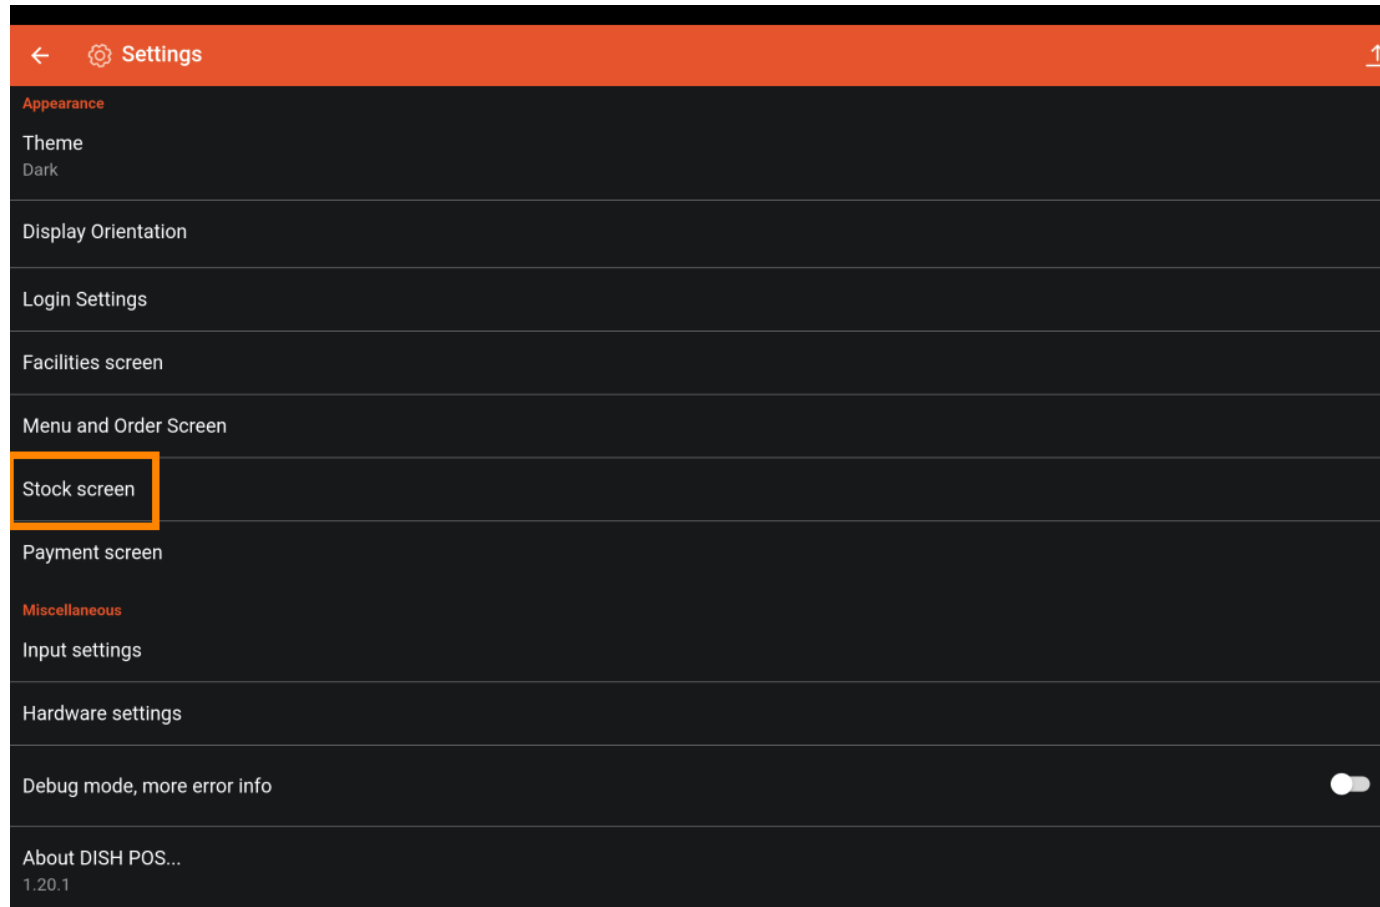

Then go to the **Settings**.

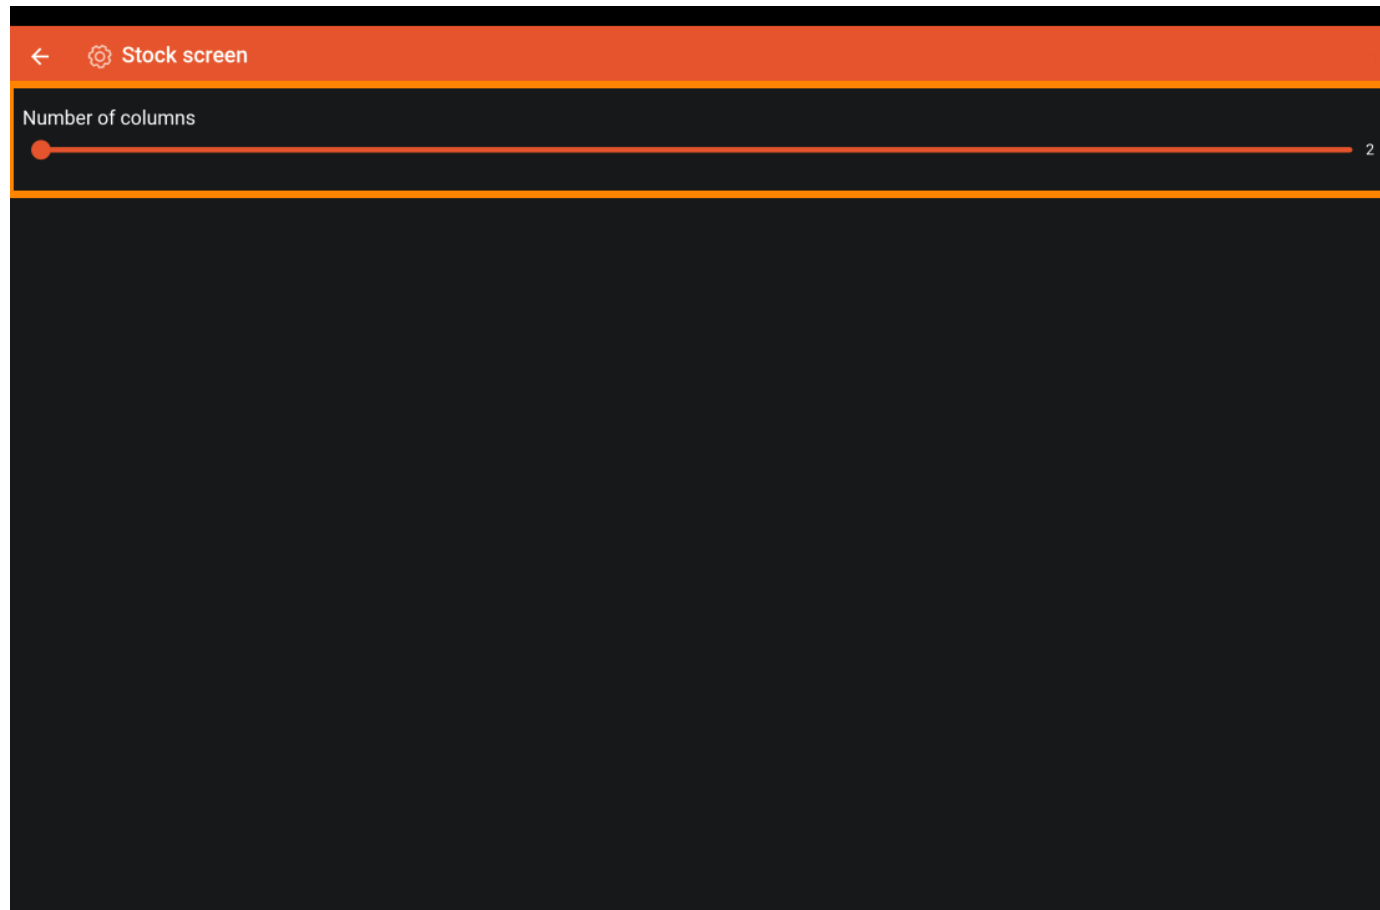

Once you are in the settings of the app, tap on **Stock screen**.

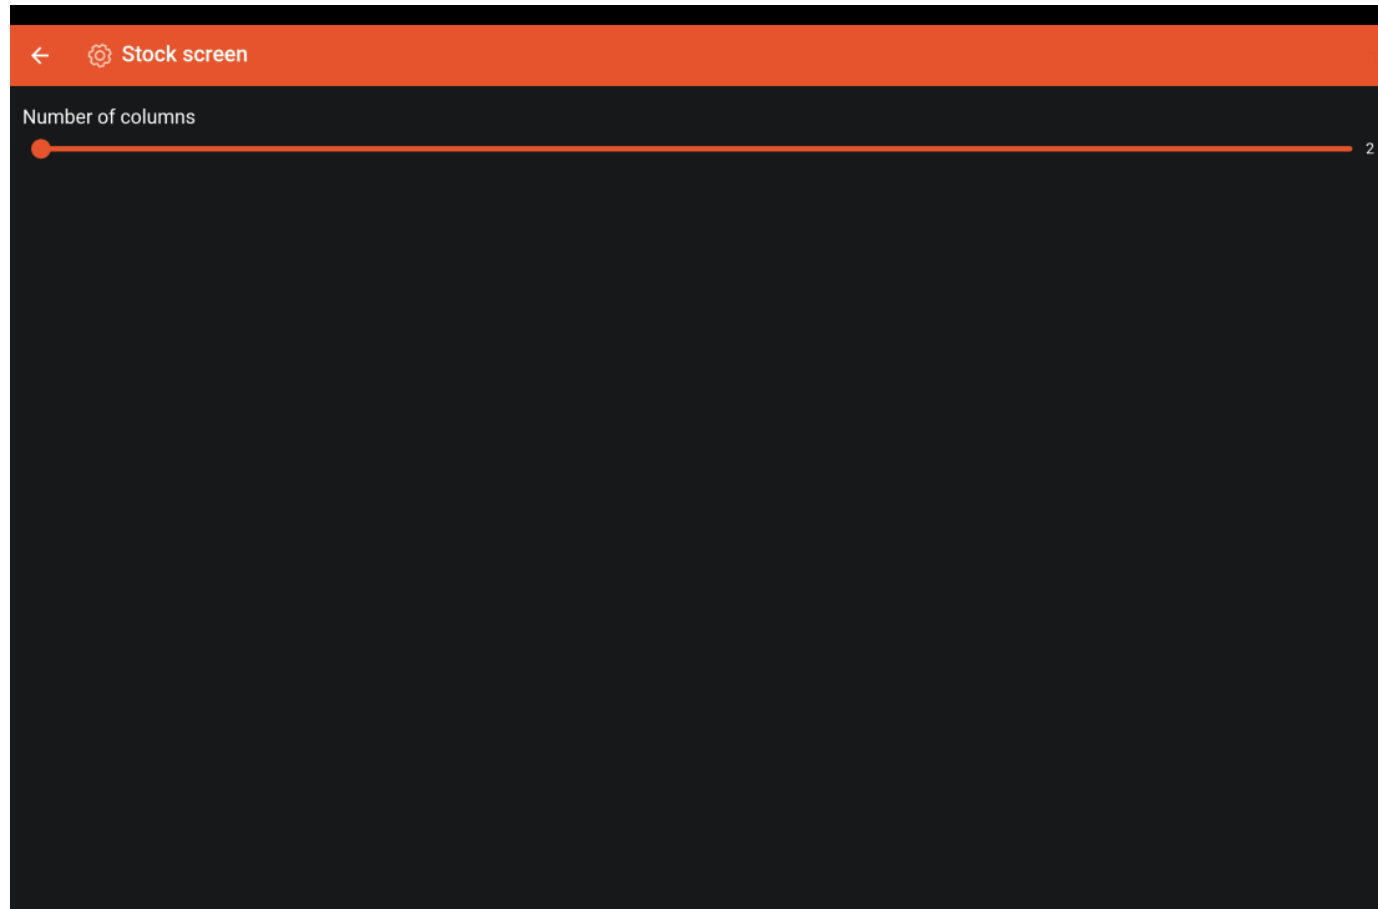

To adjust the number of columns for the stock screen, move the corresponding **control** either to the left to decrease the number or to the right to increase the number.

That's it. You completed the tutorial and now know how to adjust the view of the stock overview.
