To make sure you are not deleting the item by accident, you must confirm your action. To do so, click on **Delete**. That's it, You completed the tutorial and now know how to add and manage courses.

The screenshot shows the DISH POS v2.49.0 interface. The left sidebar contains a 'Minimize menu' button and a list of categories: Finances, General (selected), Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main area displays a table of 6 courses. A confirmation dialog is open over the table, asking 'Are you sure to delete the selected item?' with 'Cancel' and 'Delete' buttons. The 'Delete' button is highlighted with a red box.
