Save and add new Save

How do I add and manage areas and facilities (e.g. tables)?

Now go to **Menu** to start assigning menus to the new area.

The screenshot displays the DISH POS v2.49.0 interface. On the left, a sidebar menu lists various sections: « Minimize menu, Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The 'Facilities' section is expanded, showing 'Add sales point' and 'Menu' options. The 'Menu' option is highlighted with an orange box.

The 'Add sales point' modal is open, showing the 'Sales point' configuration page. The 'Name' field is set to 'Table Test' and the 'Parent' dropdown is set to 'Terrace Test'. The page is divided into several sections:

- Numbers/Description:** Includes a 'Direct sale' checkbox, 'Table number' (20), and 'Receipt printer' (dropdown).
- References:** Includes 'Price level' (Inherit dropdown).
- Logistics:** Includes 'Amount of seats' (80).
- Settings:** Includes 'Inherit settings' (checked), 'Visible in app' (checked), 'Price includes VAT' (checked), 'Order text popup' (unchecked), 'Use take away number' (unchecked), 'Log off after ticket' (unchecked), and 'Print receipt' (unchecked).
- Identification:** Includes 'Your reference' and 'ID' fields.

At the bottom right, there are two buttons: 'Save and add new' and 'Save'.

Then use the respective **drop-down menu** to select a menu for the POS and Self-service. **Note: If you want to assign the same menus that the parent facility has, you can leave the setting on default.**

The screenshot shows the 'Menu' configuration page in the DISH POS v2.49.0 interface. The left sidebar contains a navigation menu with options like Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main content area is titled 'Menu' and includes a 'Name' field set to 'Table Test' and a 'Parent' dropdown set to 'Terrace Test'. Below this, there are two dropdown menus for 'POS menu' and 'Self-service menu', both set to 'inherit'. A 'Menu planning' section is also visible, with tabs for 'POS' and 'Self-service'. The 'POS' tab is active, showing a table with columns 'Period' and 'Menu'. Both columns have a 'None' dropdown. At the bottom right, there are 'Save and add new' and 'Save' buttons.

Simply select an **option** from the expanded drop-down menu.
