To set the before chosen POS device as selected, use the **single arrow pointing to the right side**.

Save and create table map

To deselect a POS device, use the **single arrow pointing to the left side**.

The screenshot shows the DISH POS v2.49.0 interface. On the left is a sidebar menu with options like Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main content area is titled 'Add Table Map' and contains a 'Settings' window. The 'Settings' window has a 'Name' field set to 'Terrace' and a 'Facility' dropdown set to 'Terrace'. Below these fields is a list of POS devices, each represented by a small icon and a label. A 'Selected' list is shown on the right, containing 'Default (HD Video Demo English)'. A red box highlights the left arrow button in the selection controls, which is used to deselect a POS device.

Then set up a background for the new table map by clicking on **+ Upload image**. **Note: The image's maximum size is 1024x1024 px.**

An input mask will be displayed where you can adjust further settings. To do so, simply use the respective **fields**.

The screenshot displays the 'Edit Table Map' interface in the DISH POS v2.40.0 application. The interface is divided into three main sections: a sidebar on the left, a top navigation bar, and a main workspace.

- Sidebar:** Contains a list of menu items including 'Dashboard', 'Articles', 'Finances', 'General', 'Production stations', 'Facilities', 'Cash stores', 'Printers', 'App links', 'Table map', 'Users', 'Usergroups', 'POS devices', 'Courses', 'Customers', 'Currencies', 'Turnover groups', 'Translations', 'Package profiles', 'Payment', and 'Self-service'.
- Top Navigation Bar:** Includes the 'Edit Table Map' title, a '# Settings' button, and a 'Table Map' button.
- Main Workspace:** Displays a 'Table Map' grid with numbered tables (41-80). A modal window is open for editing a table, showing fields for Name, Font size, Font color, Height, Width, Angle, X, and Y. The 'Name' field is highlighted with an orange border.

The modal window for editing a table (T40) contains the following fields:

- Name: T40
- Font size: 12
- Font color: [Color selection box]
- Height: 93
- Width: 93
- Angle: 0
- X: 71
- Y: 252

The modal window also includes an 'OK' button and a 'Save' button at the bottom right.

Once you are finished with the changes, click on **OK**.

An input mask will be displayed where you can enter the text itself and adjust further settings. To do so, simply use the respective **fields**.

The screenshot shows the 'Edit Table Map' interface in DISH POS v2.40.0. The left sidebar contains a navigation menu with options like Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main area is titled 'Edit Table Map' and shows a table map for 'Terrace'. A modal window is open for editing table 40, displaying fields for Text, Font size, X, and Y coordinates.

Buttons: OK, Save

And confirm your settings by clicking on **OK**.

The screenshot displays the 'Edit Table Map' window in the DISH POS v2.49.0 application. The window is divided into three main sections:

- Left Sidebar:** Contains a navigation menu with options like Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service.
- Top Bar:** Shows the title 'Edit Table Map' and a 'Settings' icon.
- Main Area:** Displays the 'Table Map' for 'Terrace'. It includes a grid of numbered tables (42-80) and a modal dialog for editing table 40. The modal dialog has the following fields:
 - Text:** A text input field with the placeholder 'New text'.
 - Font size:** A dropdown menu set to '18'.
 - X:** A dropdown menu set to '100'.
 - Y:** A dropdown menu set to '100'.
 - OK:** A button to confirm the changes, which is highlighted with a yellow border.

At the bottom right of the main area, there is a 'Save' button.

To delete an object, first select the respective **object**.
