You are now in the overview of your app links. To create a new app link, click on **+ Add app link**.

The screenshot displays the DISH POS v2.49.0 interface. The top navigation bar includes the version, a video player title '(V) Demo EN Video', a tutorial link 'DISH POS Tutorials', an update status 'Update available', and a user profile 'dish_en_video@hd.digital'. The left sidebar contains a 'Minimize menu' option and a list of navigation items: Dashboard, Articles, Finances, General (expanded), General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main content area is titled 'App Links (2 app links)' and features a search bar. Below the search bar is a table with two columns: 'Name' and 'URL'. The table contains two rows of data. In the top right corner of the table area, there is a red button labeled '+ Add app link'.

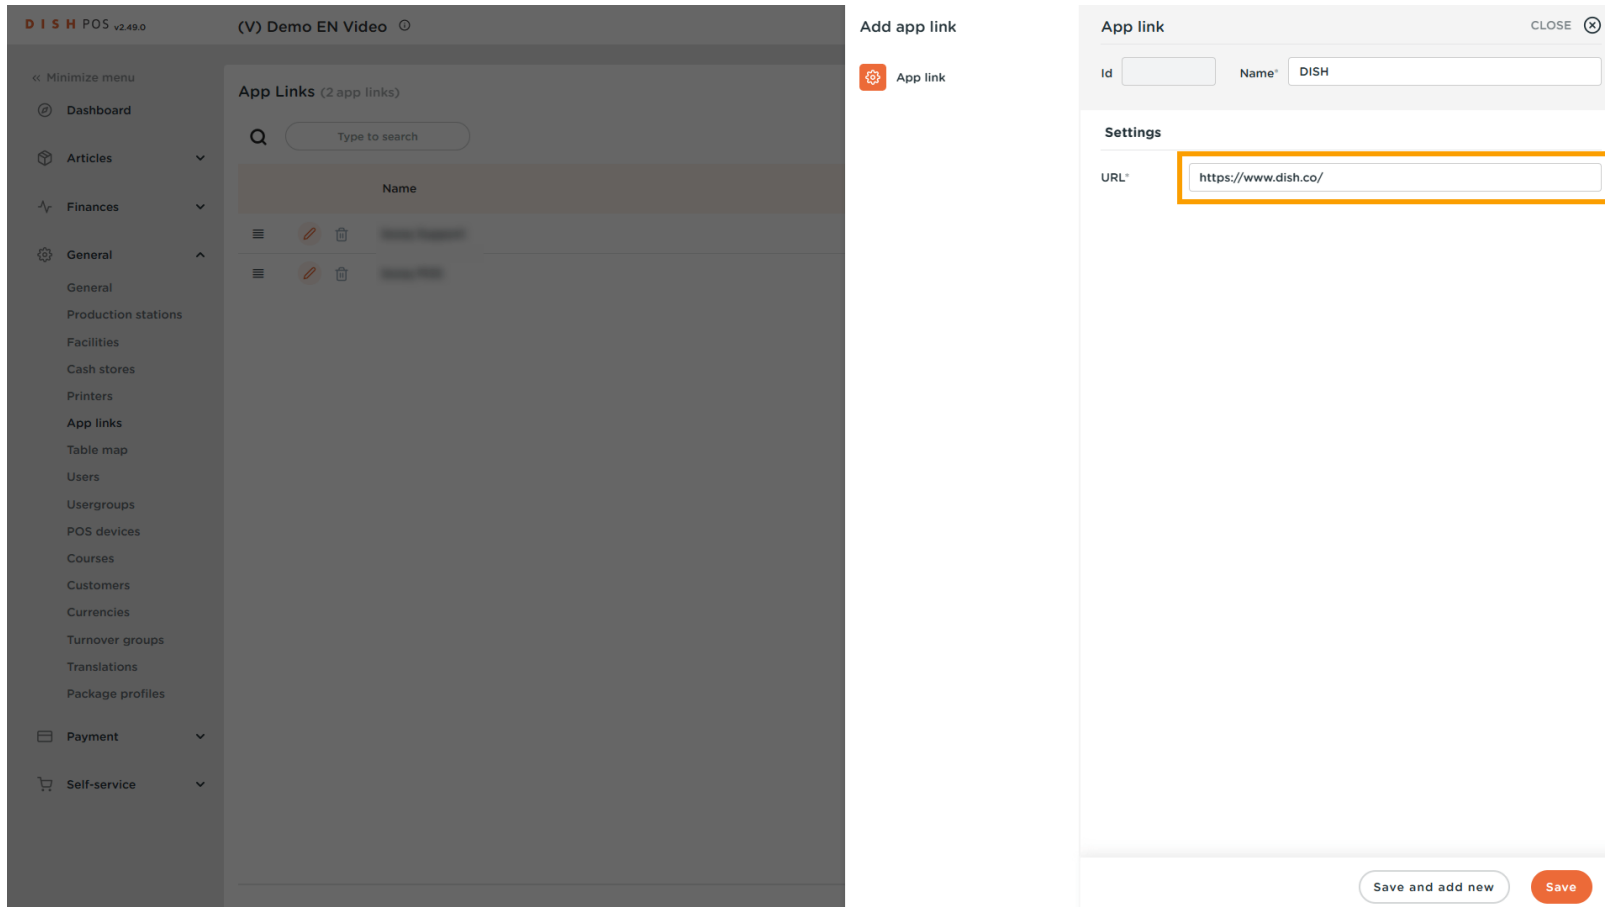

A new window will open, where you can enter the information of the new app link. Start by entering the name into the respective **text field**.

The screenshot displays the DISH POS v2.49.0 interface. On the left is a sidebar menu with categories like Dashboard, Articles, Finances, General, Payment, and Self-service. The main area shows 'App Links (2 app links)' with a search bar and a table of existing links. A modal titled 'Add app link' is open on the right. Inside this modal, the 'Name' field is highlighted with an orange border and contains the text 'DISH'. Below it, the 'URL*' field is empty. At the bottom of the modal are two buttons: 'Save and add new' and 'Save'.

Then enter the URL of the app link into the corresponding **text field**.

The screenshot shows the DISH POS v2.49.0 interface. On the left is a sidebar menu with options like Dashboard, Articles, Finances, General, Payment, and Self-service. The main area displays 'App Links (2 app links)' with a search bar and a table of existing links. A modal titled 'Add app link' is open on the right, showing a form to create a new link. The form includes fields for 'Id', 'Name' (set to 'DISH'), and 'URL'. The 'URL' field is highlighted with an orange border and contains the text 'https://www.dish.co/'. At the bottom of the modal are 'Save and add new' and 'Save' buttons.

Once you entered all the information, click on **Save** to apply the changes.

To make sure you are not deleting an item by accident, you will be asked to confirm your action. To do so, click on **Delete**.

The screenshot shows the DISH POS v2.49.0 interface. The left sidebar contains a menu with options like Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main area is titled 'App Links (3 app links)' and features a search bar, a 'Show 50 records' dropdown, and an '+ Add app link' button. A table lists three app links with columns for Name and URL. The third link, 'DISH', has the URL 'https://www.dish.co/'. A confirmation dialog is displayed in the center, asking 'Are you sure to delete the selected item?' with 'Cancel' and 'Delete' buttons. The 'Delete' button is highlighted with a red border.
