To make sure you are not deleting an item on accident, you will be asked to confirm your action by clicking on **Delete**.

The screenshot shows the DISH POS v2.49.0 interface. The left sidebar contains a menu with options like Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, Payment, and Self-service. The main area displays a table titled 'Pos Devices (31 pos devices)' with columns for ID, Name, Location, and UUID. A confirmation dialog box is overlaid on the table, asking 'Are you sure to delete the selected item?' with 'Cancel' and 'Delete' buttons. The 'Delete' button is highlighted with an orange box.
