

Welcome to the DISH POS App. In this tutorial we are going to show you how to use the Note de Frais function.

After placing your order, click on **CASH**.

Long click on the same **table** where you have placed the order, in this case **Table 1**.

Click on **Reprint Order**.

Or click on **Print Order**.

Or click directly on the **menu icon**, and then select **Reprint/Reopen order**.

Select the previously placed order. Note: whatever are your first steps, from that point the rest of the steps are exactly the same.

Click on **Reprint Order**.

The screenshot shows the DISH POS Restaurant interface. A modal titled "Select an order" is open, displaying a list of orders. The "Reprint Order" button is highlighted with an orange border.

Order ID	Order Description	Amount
#69	Table 1 / Manager	€ 17.00
10:54 AM		
#66	Table 1 / Manager	€ 17.00
10:53 AM		
#68	Table 20 / Manager	€ 34.00
10:52 AM		

The modal also displays a detailed view of the selected order (Order #68) with the following items:

Item	Quantity	Unit Price	Total Price
Octopus	x1	14.00	14.00
Oysters Each	x1	3.00	3.00
			17.00
Cash			17.00

Buttons at the bottom of the modal: Reopen Order, Reprint Order (highlighted).

Click on **Justification ticket**.

Insert the given **amount** of money.
