Back in the overview, you can adjust production stations by using the **edit icon**.

The screenshot displays the DISH POS v2.58.4 interface. The top header includes the version number, a demo video link, a tutorial icon, an update availability indicator, and a user profile. The left sidebar features a 'Minimize menu' button and a list of navigation items: Dashboard, Articles, Finances, and General (which is expanded to show sub-items like General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, and Package profiles). The main content area is titled 'Production station (1 production station)' and includes a search bar, a 'Show 50 records' dropdown, and an '+ Add production station' button. Below this is a table with one entry, 'Keuken Production', which has an edit icon (a pencil inside a square) highlighted with an orange box.

To delete a production station, use the **bin icon**.

To make sure you are not deleting an item by accident, you will be asked to confirm your action. To do so, click on **Delete**.

That's it. You completed the tutorial and now know how to add and manage production stations.

The screenshot displays the DISH POS v2.58.4 interface. The top navigation bar includes the version number, a video tutorial link '(V) Demo EN Video', a 'DISH POS Tutorials' icon, an 'Update available' notification, and a user profile 'dish\_en\_video@hd.digital'. The left sidebar contains a 'Minimize menu' button and a list of navigation items: Dashboard, Articles, Finances, General (selected), and various sub-items under General including Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, and Package profiles. The main content area is titled 'Production station (0 production station)' and features a search bar, a 'Show 50 records' dropdown, and a '+ Add production station' button. A single table header 'Production station' is visible.
