

Click **Content** under **Design and content**.

The screenshot shows the San Marino website management dashboard. The sidebar on the left contains the following menu items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (expanded), Design Template, Template customization, Gallery media, Description, **Content** (highlighted with an orange box), Legal, Web Address, DISH WEBLISTING, and Account. The main content area displays 'Website Performance' metrics for San Marino, including website views (0) and online food ordering insights (0 orders). A line chart shows 'Website views per day' from 28.04 to 24.05. Other metrics include top browsing languages, top devices, opening hours views, and contacts.

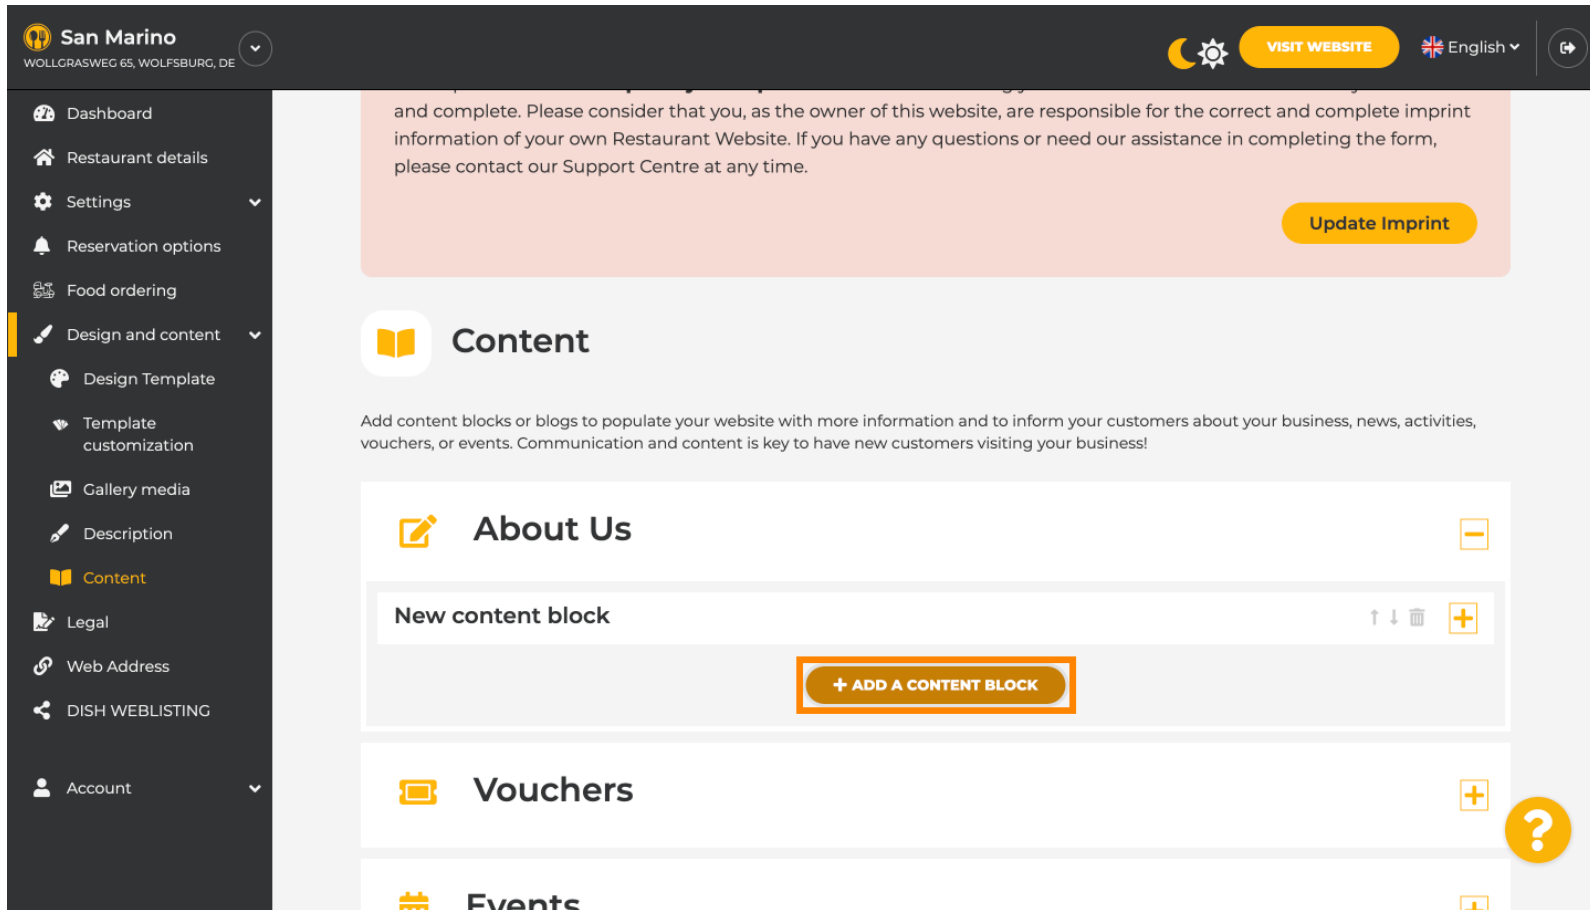

Create content block at the **desired position**. We recommend to position it under "About Us"

The screenshot shows the DISH website management interface for a restaurant named "San Marino". The interface includes a dark sidebar on the left with various menu items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled "Content" and features a list of content blocks: "About Us", "Vouchers", and "Events". Each block has a plus icon to its right, indicating it can be edited or added. A large orange box highlights the "About Us" block, and a question mark icon is visible in the bottom right corner of the content area. At the top of the main content area, there is a pink banner with text about the imprint and an "Update Imprint" button. The footer contains links for Imprint, FAQ, Terms of Use, Data Privacy, and Privacy Settings.

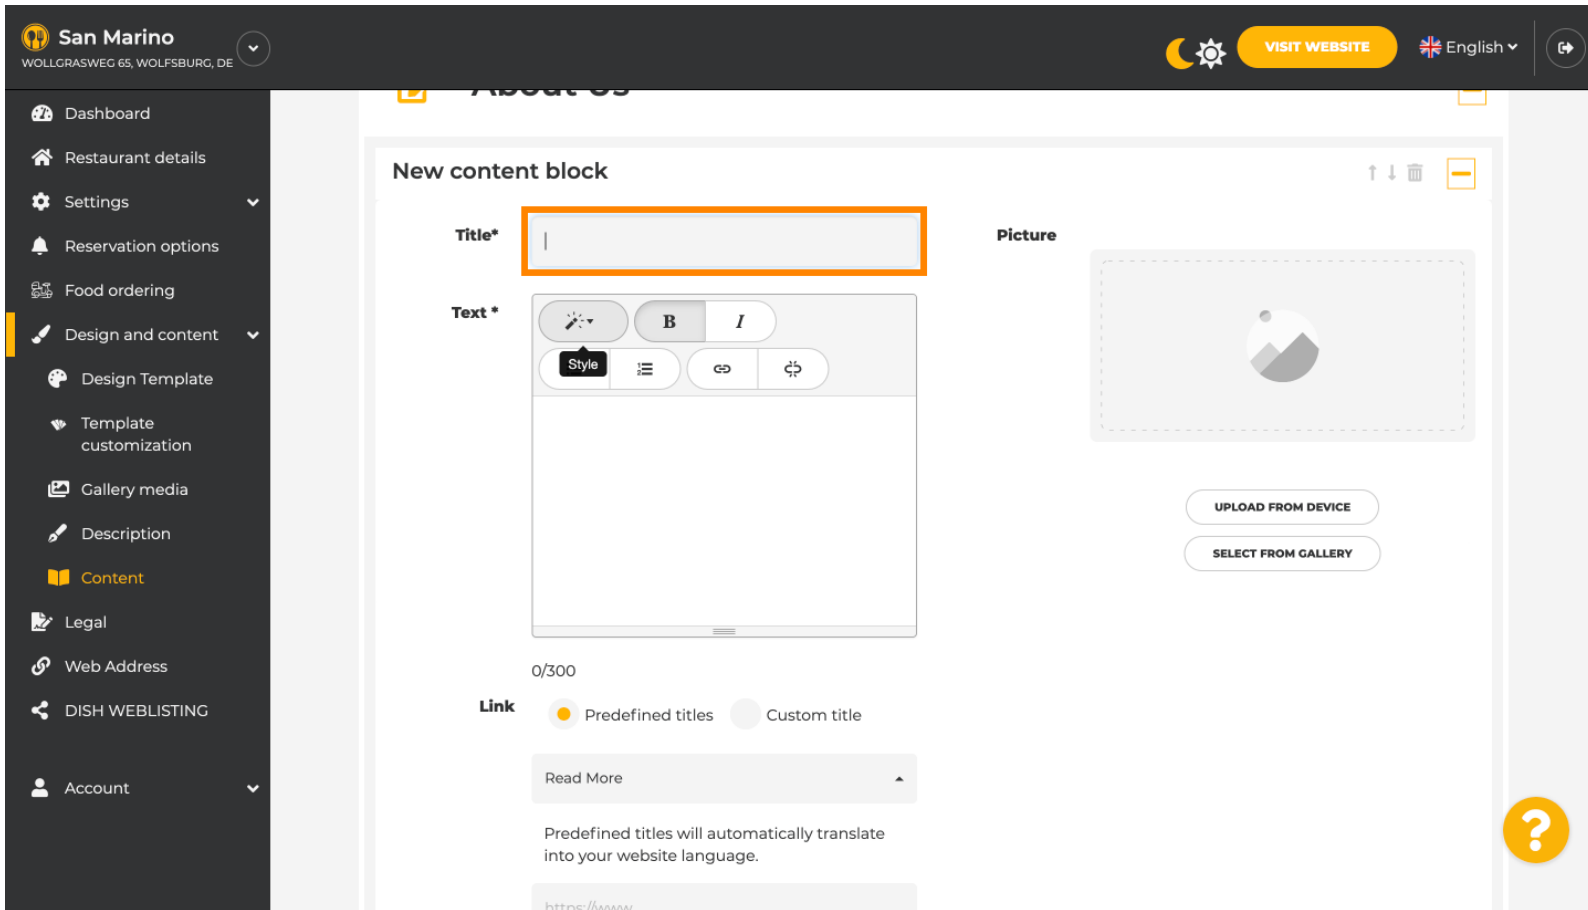

Click **ADD A CONTENT BLOCK**.

The screenshot shows the DISH website management interface for a restaurant named "San Marino". The interface has a dark sidebar on the left with various menu items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted with an orange bar), Design Template, Template customization, Gallery media, Description, Content (highlighted with an orange bar), Legal, Web Address, DISH WEBLISTING, and Account. The main content area is light gray. At the top, there's a header with the restaurant name, address, a "VISIT WEBSITE" button, and a language selector set to "English". Below the header, there's a pinkish-red banner with text about imprint information and an "Update Imprint" button. The "Content" section is active, showing a "New content block" area with a prominent orange button labeled "+ ADD A CONTENT BLOCK". Below this, there are sections for "About Us", "Vouchers", and "Events", each with a plus icon to add content. A yellow question mark icon is visible on the right side of the "Vouchers" section.

 Type in the **Title** of the new content. E.g.: Your order via WhatsApp

The screenshot shows the 'San Marino' website management interface. The left sidebar contains a menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main area displays the 'New content block' form. The 'Title*' field is highlighted with an orange border. The 'Text*' field has a rich text editor with buttons for Bold (B), Italic (I), Style, List, Link, and Unlink. The 'Picture' field has a placeholder image and buttons for 'UPLOAD FROM DEVICE' and 'SELECT FROM GALLERY'. The 'Link' section has radio buttons for 'Predefined titles' (selected) and 'Custom title'. Below the 'Link' section, there is a 'Read More' button and a note: 'Predefined titles will automatically translate into your website language.' A URL field shows 'https://www...'. A yellow question mark icon is visible in the bottom right corner.

Describe the block by typing in the **desired text**. E.g.: Write us on WhatsApp

The screenshot shows the 'New content block' form in the DISH website management interface. The form is titled 'New content block' and has a sidebar on the left with various navigation options. The main form area contains the following fields and options:

- Title***: A text input field containing 'Your order via WhatsApp'.
- Text ***: A large text area with a blue border, currently empty. Below it is a character count '0/300'.
- Picture**: A placeholder image area with a dashed border and a small image icon. Below it are two buttons: 'UPLOAD FROM DEVICE' and 'SELECT FROM GALLERY'.
- Link**: A section with two radio buttons: 'Predefined titles' (selected) and 'Custom title'. Below the radio buttons is a dropdown menu showing 'Read More'. Below the dropdown menu is a note: 'Predefined titles will automatically translate into your website language.' and a text input field containing 'https://www...'.

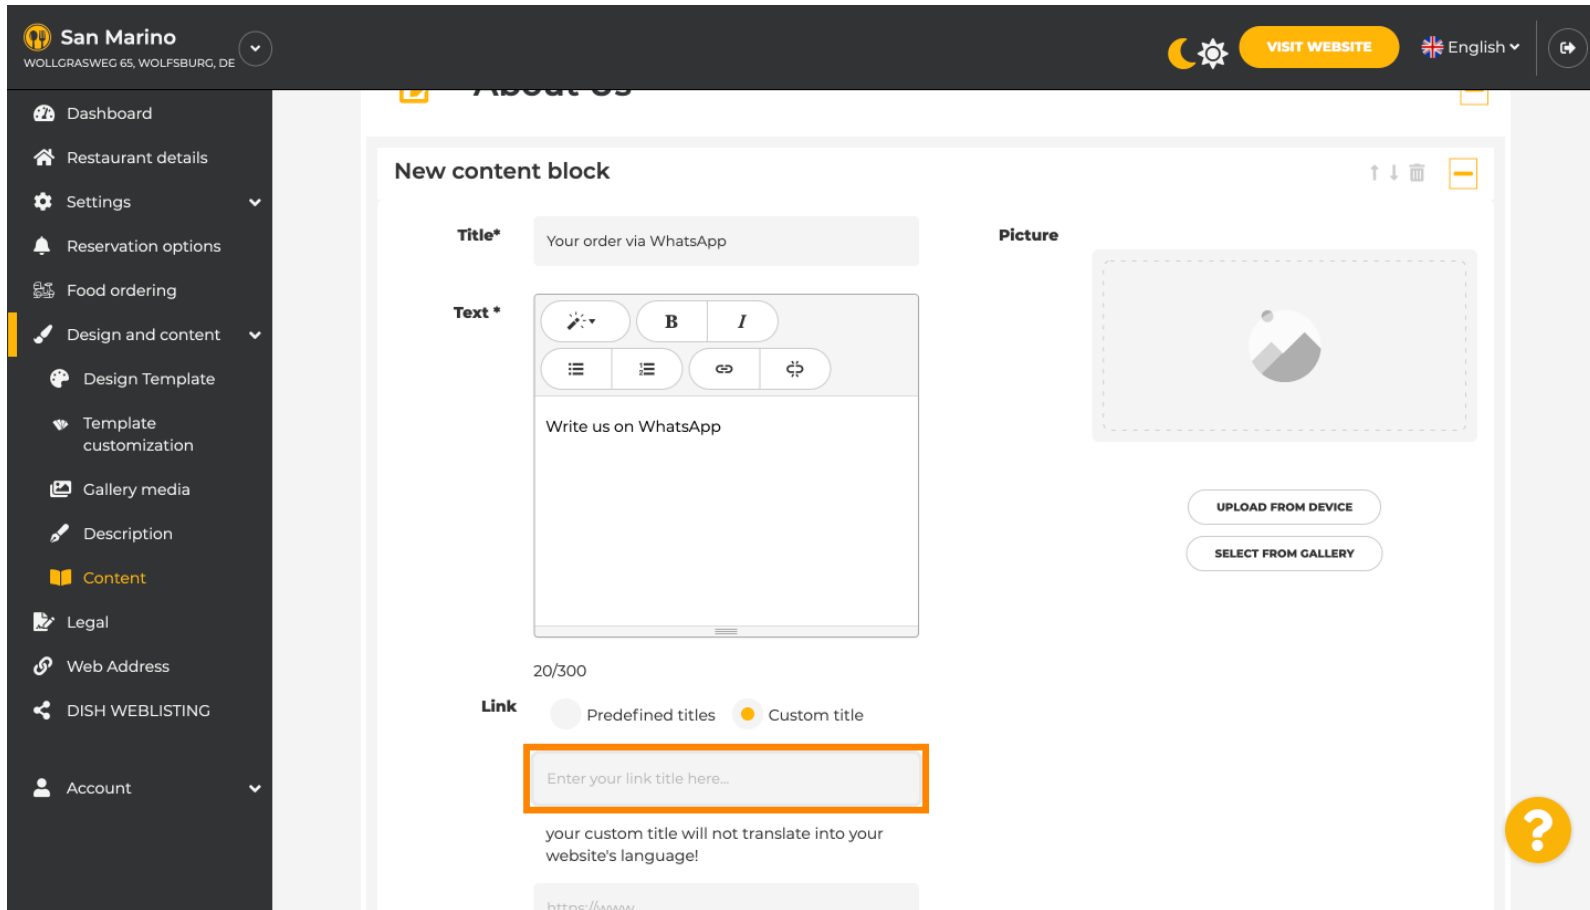

The sidebar on the left includes the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Design Template, Template customization, Gallery media, Description, Content (highlighted), Legal, Web Address, DISH WEBLISTING, and Account.

To set the individual button-title on the website, click **Custom title**. Button are not displayed in the design template "Classic" mode.

The screenshot shows the DISH website management interface. On the left is a dark sidebar with a menu including: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main area is titled 'New content block' and contains a form for creating a new content block. The form has three main sections: 'Title*', 'Text*', and 'Link'. The 'Title*' section has a text input field with the value 'Your order via WhatsApp'. The 'Text*' section has a rich text editor with a toolbar containing icons for bold, italic, bulleted list, numbered list, link, and unlink. The text area contains the text 'Write us on WhatsApp'. The 'Link' section has two radio buttons: 'Predefined titles' (selected) and 'Custom title' (highlighted with an orange square). Below the radio buttons is a dropdown menu showing 'Read More'. At the bottom, there is a note: 'Predefined titles will automatically translate into your website language.' and a text input field with the value 'https://www...'. On the right side of the form, there is a 'Picture' section with a placeholder image and two buttons: 'UPLOAD FROM DEVICE' and 'SELECT FROM GALLERY'. The top of the interface shows the restaurant name 'San Marino', address 'WOLLGRASWEG 65, WOLFSBURG, DE', a 'VISIT WEBSITE' button, and a language selector set to 'English'.

 Type in the **individual button-title**. E.g.: Click to Chat

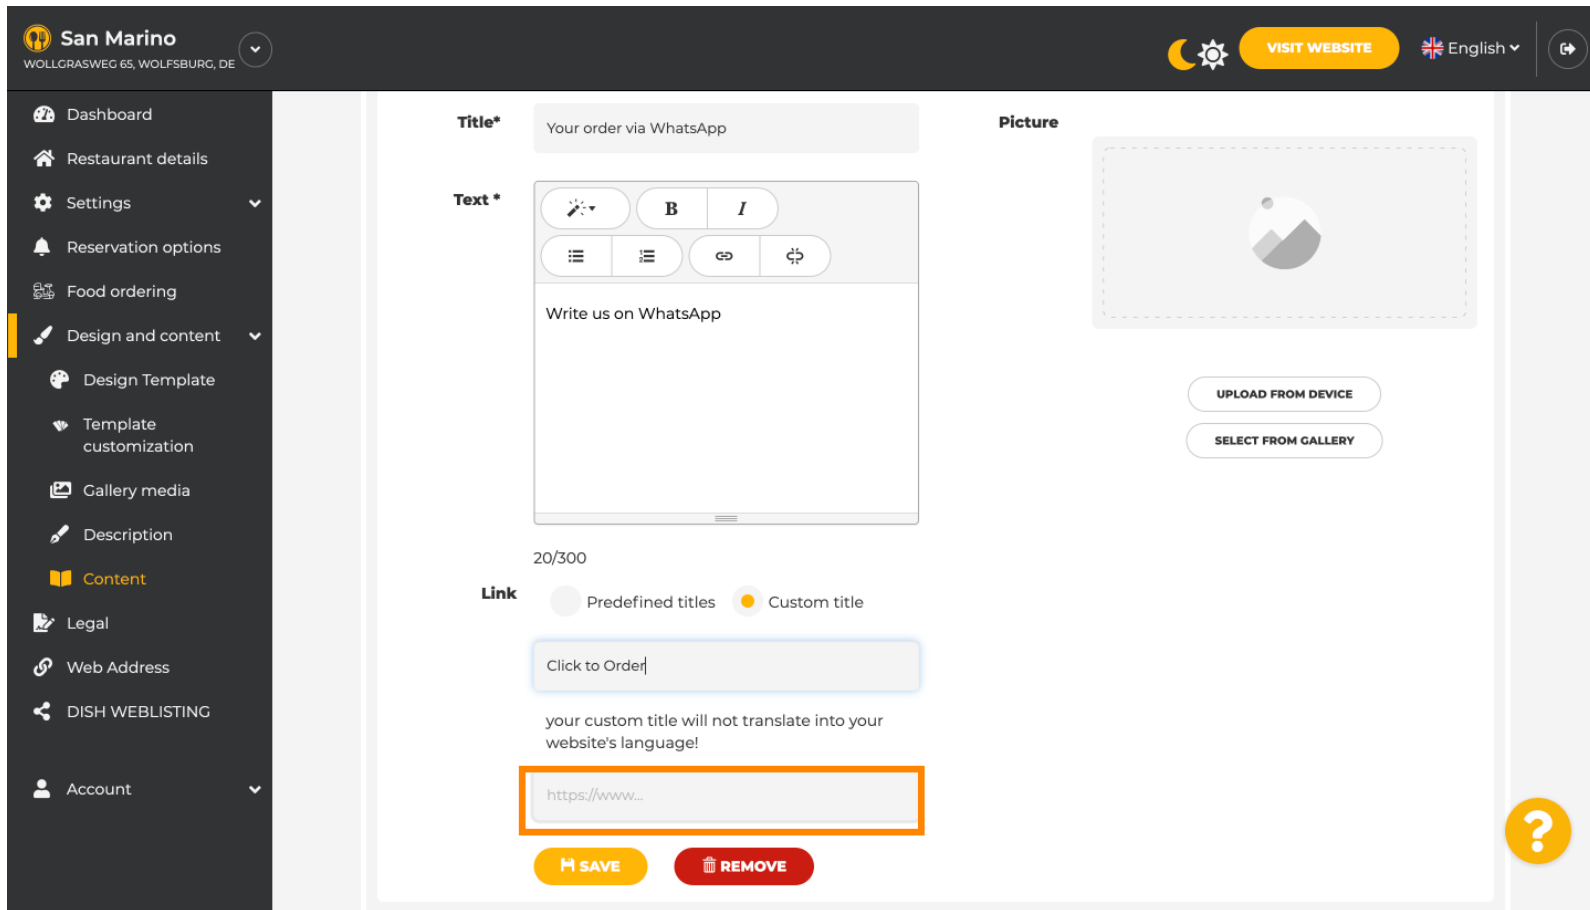

The screenshot shows the DISH website management interface. The left sidebar contains a menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'New content block' and contains the following fields:

- Title***: A text input field containing 'Your order via WhatsApp'.
- Text ***: A text area containing 'Write us on WhatsApp'.
- Picture**: A placeholder for an image with a circular icon and a dashed border. Below it are two buttons: 'UPLOAD FROM DEVICE' and 'SELECT FROM GALLERY'.
- Link**: A section with two radio buttons: 'Predefined titles' (selected) and 'Custom title' (unselected). Below the radio buttons is a text input field with the placeholder 'Enter your link title here...'. Below this field is a warning message: 'your custom title will not translate into your website's language!'. At the bottom of the link section is a text input field with the placeholder 'https://www...'.

A yellow question mark icon is visible in the bottom right corner of the interface.

Now insert or type in the Click to Chat link of your WhatsApp number. [How to create your own WhatsApp Click to Chat link you can read here: https://faq.whatsapp.com/5913398998672934](https://faq.whatsapp.com/5913398998672934)

The screenshot shows the DISH website management interface. The left sidebar contains a menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'San Marino' and shows the 'Design and content' section. It includes fields for 'Title*' (Your order via WhatsApp), 'Text*' (Write us on WhatsApp), 'Picture' (with upload and gallery selection buttons), and 'Link' (with predefined and custom title options).
