You will be asked to confirm your action, to make sure you are not deleting an item by accident. To confirm your action, click on **Delete**.

The screenshot shows the DISH POS v2.58.4 interface. The left sidebar contains a menu with options like Dashboard, Articles, Products, Product groups, Price levels, Menus, French menus, Option menus, Price management, Time periods, Promotions, Finances, General, Payment, and Self-service. The main area is titled 'Price management' and has two tabs: 'Price rule configuration' (active) and 'Review price rules'. Below the tabs is a '+ Add set' button and filters for Location, Customer, and Period, all set to 'None'. A table titled 'Pricerule sets' lists 'Happy hour' and 'Happy hour (copy)'. To the right, a 'Price rules in set:' section shows a table with columns: ID, Product price, Option price, VAT, New price, New option price, and New VAT. A confirmation dialog is overlaid on the table, asking 'Are you sure to delete the selected item?' with 'Cancel' and 'Delete' buttons. The 'Delete' button is highlighted with an orange box.

To activate the changes of a price rule, the changes must be sent to the system. Therefore, go to **General**.

Normalize price rules **TRANSMIT**

Then click on **TRANSMIT**, to send the changes to your POS.

The screenshot shows the DISH POS v2.58.4 interface. The left sidebar contains a menu with categories: Dashboard, Articles, Finances, General, and Payment. The main area is titled 'Stores' and displays a table with the following data:

Name	Installed version	Update status	Transmit status	Last transmission
HD Video Demo English	v3s53b4	Update available (v3s53b11.0)	Update	2023-05-26 17:22

In the top right corner of the table area, there is a 'TRANSMIT' button highlighted with a red box. Below the table, a status bar indicates 'Normalizing price rules in progress...'.

That's it. You completed the tutorial and now know how to add and manage price sets.
