

Starting from your DISH Website dashboard, click on **Design and content**.

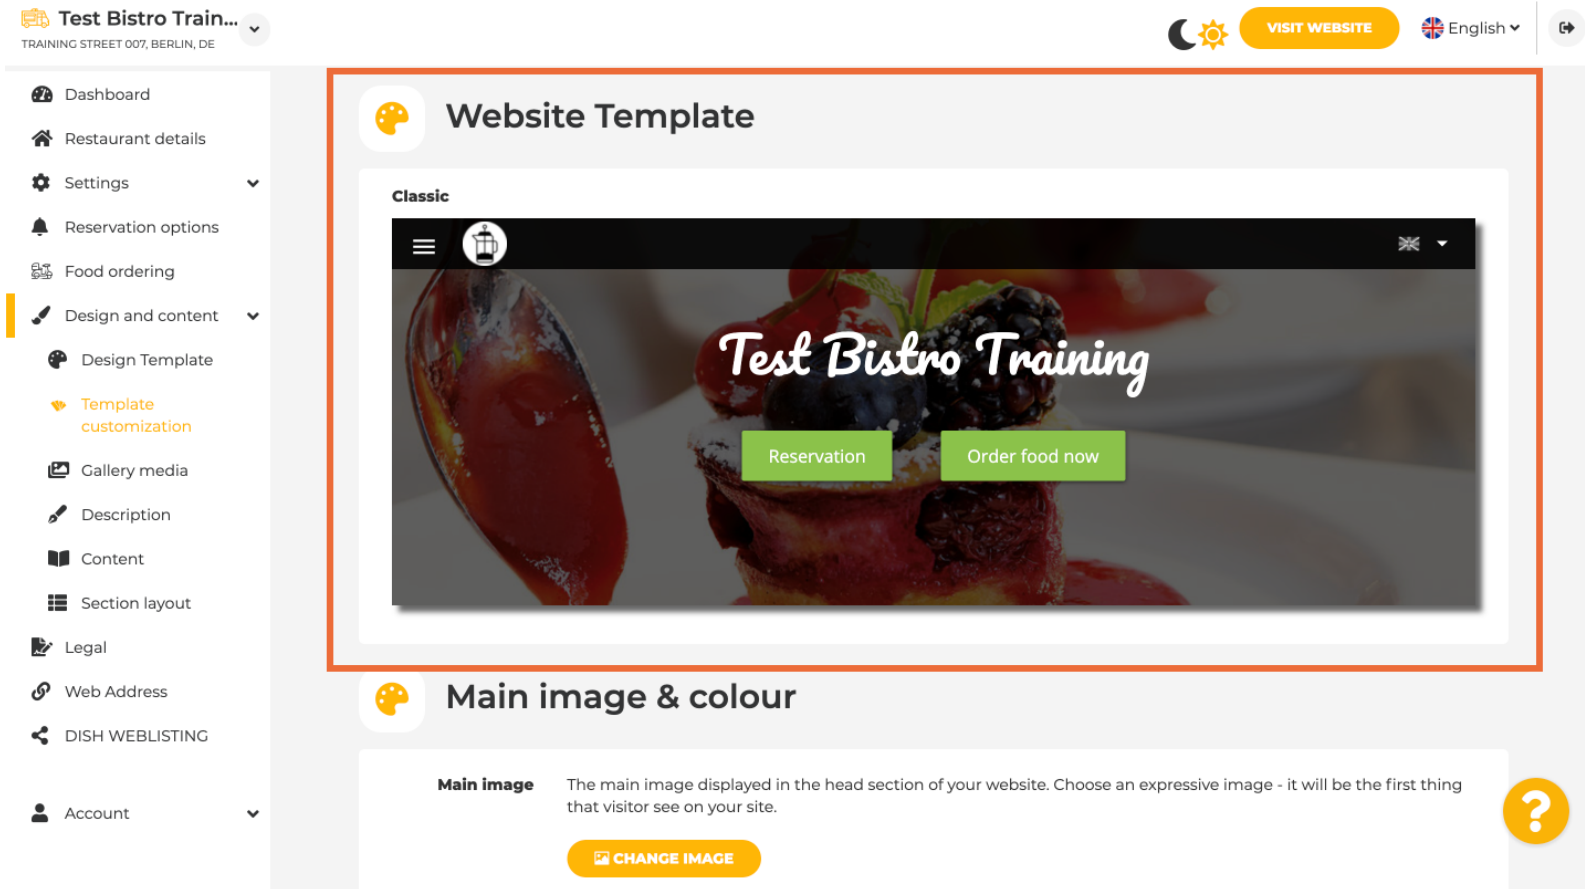

Now select **Template customization** from the submenu.

The screenshot displays the DISH website management interface. On the left, a sidebar menu lists various options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization (highlighted with a red box), Gallery media, Description, Content, Section layout, Legal, Web Address, DISH WEBLISTING, and Account. The main area shows the 'Website Performance' dashboard for 'Test Bistro Training'. It includes a 'Website views per day' chart, a 'Top browsing languages' section showing German (5) and British (2), a 'Top devices' pie chart showing Tablet and Other, and sections for 'Opening hours views' and 'Contacts'. A yellow question mark icon is visible in the bottom right corner of the main area.

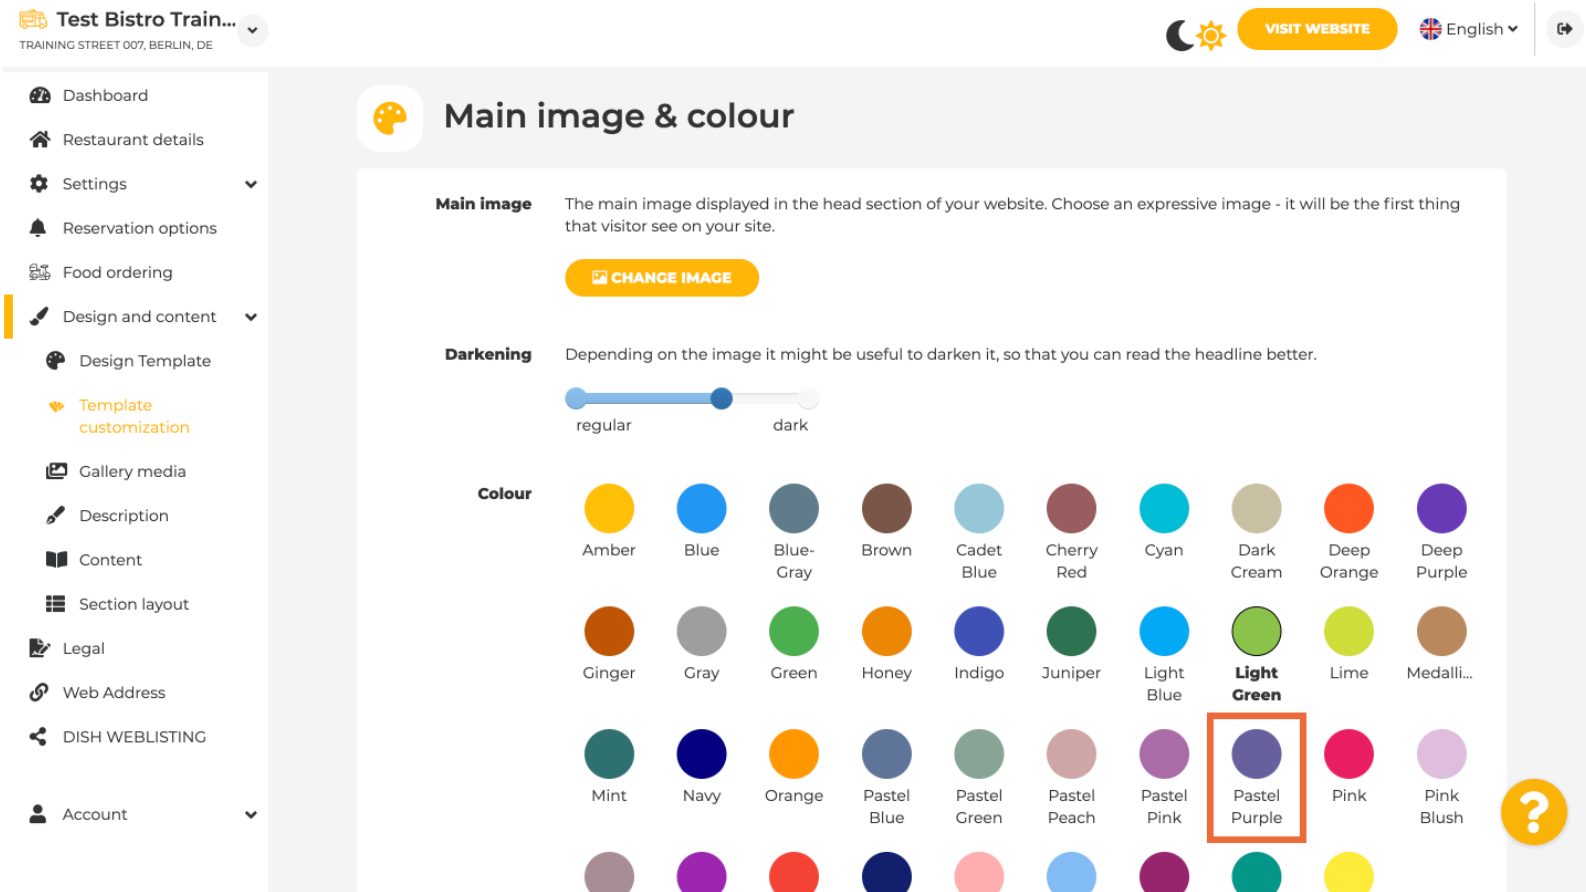

First, you will see the current website template. **Note: The template can be changed under Design Template.**
