The screenshot shows the 'Establishment Logo' section of the DISH web management interface. The interface includes a sidebar with various menu items and a main content area with a red border. The sidebar contains the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Section layout, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Establishment Logo' and contains two sections: 'Display your logo on your website' and 'Display your logo in browser tab'. The 'Display your logo on your website' section has a checked checkbox and a description: 'Your logo will be displayed on the top left on your website. If you don't upload any logo picture, your establishment name will be used as a logo'. The 'Display your logo in browser tab' section has an unchecked checkbox and a description: 'Your logo will be displayed in the browser tab icon. If you deselect this option or have no logo uploaded, the category image will be displayed instead.' To the right of these sections is a dashed box for uploading a logo, with the text 'Drag your logo here or BROWSE' and a 'DELETE IMAGE' button. Below the dashed box is a 'Category Logo' image of a food truck. At the bottom of the main content area is a 'SAVE' button. The bottom of the interface features a 'More design options' section with a paint palette icon.
