

U ovom vodiču naučit ćete kako upravljati članovima tima u DISH aplikaciji. Prvo otvorite **DISH aplikaciju** na svom mobilnom telefonu.

Sljedeći korak je otvaranje izbornika dodirom na **ikonu izbornika**.

Zatim ćete morati dodirnuti odjeljak **Moj tim** .

 U gornjem desnom kutu vidjet ćete gumb **Dodaj** , dodirnite ga.

Treći način dodavanja novog člana tima je dodavanje iz već postojećih kontakata. Da biste to učinili, možete kliknuti **Iz kontakata**.

Nakon što ste ga odabrali, možete kliknuti na **Dalje**.

Vaš će se popis kontakata sada otvoriti i možete se pomicati prema dolje dok ne pronađete kontakt odgovarajućeg člana tima kojeg želite dodati. Dodirnite željeni **kontakt**.

-  Prikazat će vam se broj novog člana tima. Odaberite željeni broj dodirom na njega.

Sada je vrijeme da ispunite podatke o novom članu. Ako dodirnete **ikonu olovke** na profilnoj slici, možete dodati fotografiju novog člana.

Add Team Member

Nakon što ste ispunili sve potrebne podatke, možete kliknuti na **Dodaj člana tima**.

The screenshot shows a mobile app interface for adding a team member. At the top, the status bar shows the time 09:41, signal strength, Wi-Fi, and 100% battery. The app header has a back arrow, the title "Privat", and a close "X" button. Below the header is a progress bar. The main content area has a heading "Check the contact information chosen is c" and a placeholder for a contact photo with a red checkmark icon. Below this are three input fields: "First Name" with the value "Max", "Last Name (optional)" with the value "Mustermann", and "Mobile number" with a dropdown set to "+49" and a green checkmark icon. At the bottom, there is a large orange button labeled "Add Team Member" which is highlighted with a red rectangular border.

U sljedećem koraku morat ćete odabrati **poziciju** koju vaš novi član zauzima. Mi smo odabrali, na primjer, **Konobar**.

Sada možete kliknuti na **Gotovo**.

Također možete odabrati koje **alate** vaš novi član tima može koristiti.

Nakon što ste odabrali odgovarajuće zadatke alata, nastavite klikati na **Dodijeli zadatak alata** .

- 📱 Kada ste uspješno dodali novog člana tima i ne želite dodati još jednog, možete kliknuti na **Ne sada**.

U odjeljku Moj tim možete vizualizirati sve članove tima prema ulozi dodirom na **Po radnoj ulozi**.

Ili ih možete vizualizirati dodirom na **Po imenu**.

Ako želite urediti podatke o članu tima ili ga ukloniti, možete kliknuti na **ikonu olovke** s desne strane njihovog imena.

Za uklanjanje ovog člana tima, možete kliknuti na donji dio na **Ukloni člana tima**.
