

Bienvenido en DISH POS! En este tutorial, vamos a mostrarte cómo funciona la Factura Simplificada.

The screenshot shows the DISH POS interface for 'Table 1'. The top bar is orange with the DISH POS logo, a table icon, and tabs for FOOD, DRINKS, and OTHER. The main area is divided into a left sidebar and a right menu grid. The sidebar shows the current order items: *Fries (x588, 4,50, 2.646,00) and Mayonnaise (x588, +0,60, +352,80). Below this is a section for 'Entrada' (Entrance) with a 'Cantidad total' (Total quantity) of 2.998,80. The bottom bar contains icons for 'Descuento' (Discount), 'Dividir pedido' (Split order), 'Nota' (Note), and 'Cliente' (Customer). The right menu grid is organized into categories: Aperitif, Starters, Salads, Dishes, Supplements, Desserts, Menus, and Sauces. Each category has a list of items with corresponding icons. The bottom bar also includes a numeric keypad and payment options: PIN (C) €, PIN (EFT) €, and CASH €.

El importe total no puede superar los 3.000 euros, a menos que tengas la información del cliente en el recibo. Si quieres superar este importe, debes dividir el pedido y continuar con dos pedidos distintos.

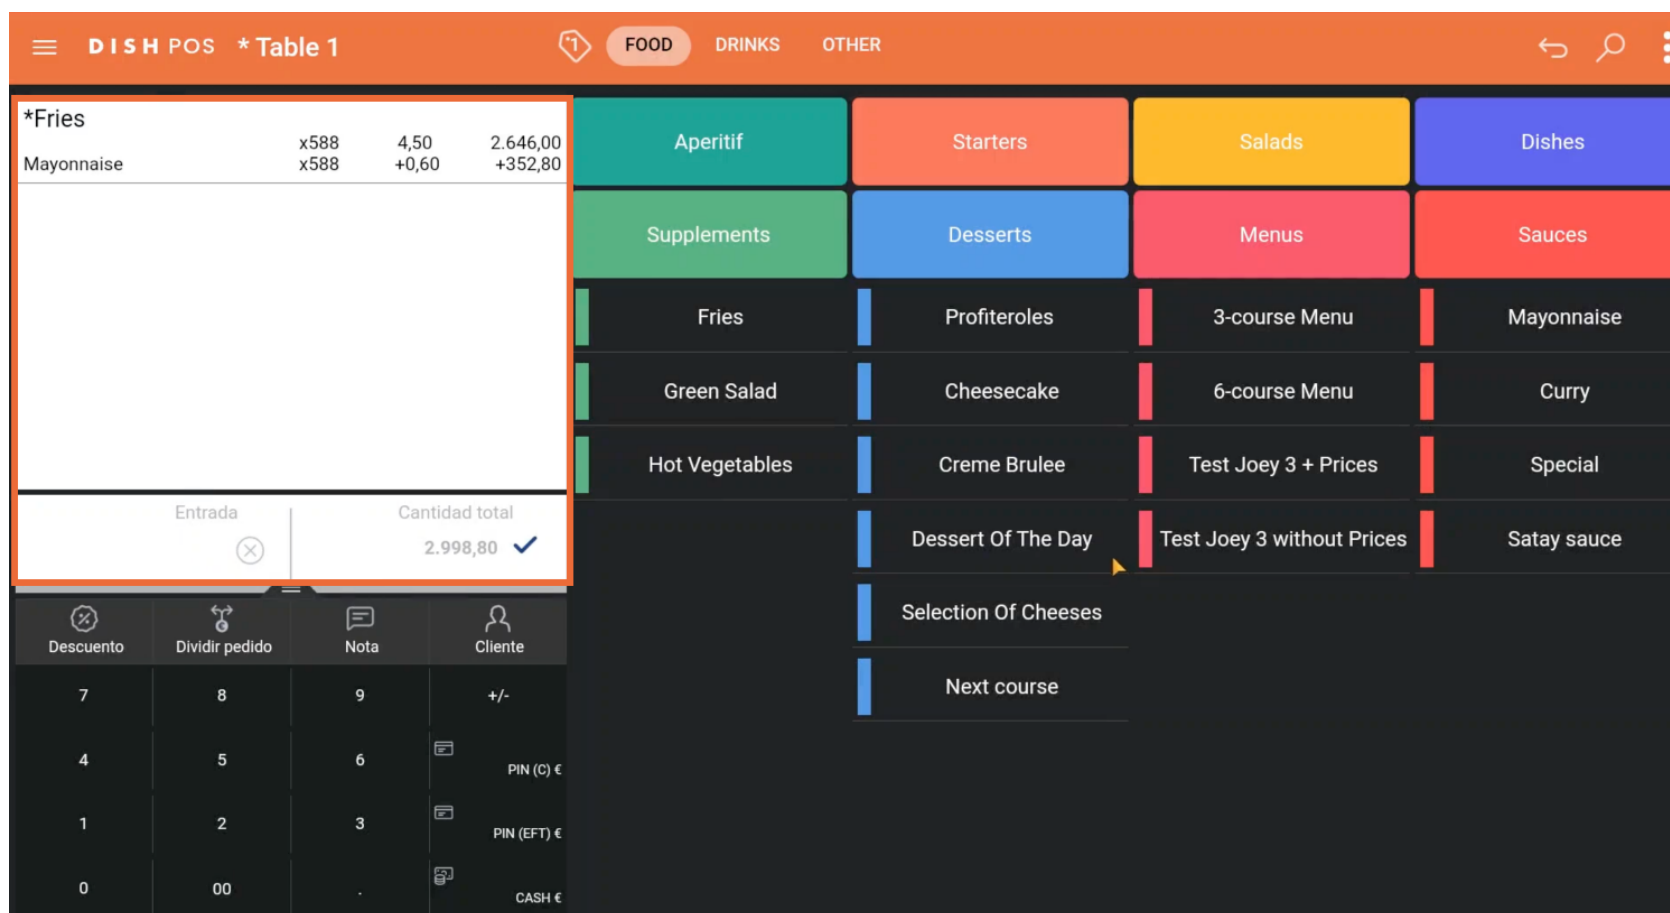

The screenshot shows the DISH POS interface for 'Table 1'. The top bar includes navigation icons, the logo, and category tabs: FOOD, DRINKS, and OTHER. The main area displays a receipt for '*Fries' and 'Mayonnaise' with quantities and prices. A summary bar at the bottom left shows 'Entrada' and 'Cantidad total' of 2,998.80. The right side features a grid of menu items categorized by color: Aperitif, Starters, Salads, Dishes, Supplements, Desserts, Menus, and Sauces. The bottom section contains a numeric keypad and icons for 'Descuento', 'Dividir pedido', 'Nota', and 'Cliente'.
