Next, go to the sub-menu **General**.

The screenshot displays the DISH POS v3.80.0 interface. The top navigation bar includes the DISH POS logo, the user profile '(V) Demo DE Video', and the 'Dish Support' link. The left sidebar menu is visible, with the 'General' option highlighted by a red rectangular box. The main content area is titled 'Facilities' and features a search bar, two buttons ('+ Generate area' and '+ Add facility'), and a warning message: 'Warning: if you order by QR code via the CMS: be aware that QR codes are associated with points of sale. The QR codes created cannot be reallocated to another point of sale.' Below the warning, there is a section titled 'Facilities' containing a list of facilities, with '(V) Demo DE Video' being the first entry.

Click on the **edit icon** next to your store.
