

Welcome to DISH Reservation. In this tutorial, we will show you how to purchase our new **SMS package**

The screenshot displays the DISH website interface. At the top, the navigation bar includes the DISH logo, links for 'Our solutions', 'Pricing', 'News', 'Service', 'English', and buttons for 'Sign up' and 'Login'. A prominent orange banner with a large yellow gear and exclamation mark icon contains an 'UPCOMING MAINTENANCE' notice. The notice states that scheduled maintenance on servers will begin on December 08 at midnight (CET), leading to a temporary interruption of all DISH services and websites for approximately 10 hours. It urges users to plan accordingly and complete any necessary tasks before the service interruption.

Below the maintenance notice is a large promotional banner featuring a chef in a white uniform interacting with a POS terminal in a restaurant setting. The text on the banner reads: 'CASH REGISTER & DIGITAL SOLUTIONS FOR RESTAURANTS - DISH BY METRO', 'Over 330,000 restaurants already trust our DISH solutions', and 'Optimize your restaurant business with our powerful and intuitive cash register system. With our digital solutions you can offer your guests the best possible customer experience. Create your own restaurant website in minutes and receive online reservations and orders, even directly through Google search.' A yellow 'Get started now' button is positioned at the bottom left of the banner.

At the bottom of the page, there is a section titled 'DISH POS BY METRO' and 'CASH REGISTER FOR RESTAURANT'. It includes the text 'The time has come - we are proud to present our cash register' and an image of the cash register device.
