

Welkom bij DISH Reservation. In deze tutorial laten we u zien hoe u de **sms-instellingen in het DISH Reservation-beheerpaneel** kunt wijzigen .

The screenshot shows the DISH Reservation management interface. On the left is a dark sidebar with navigation links: Reservations, Menu, Guests, Feedback, Reports, Settings (with a dropdown arrow), and Integrations. The main content area has a dark header with 'DISH RESERVATION' and a 'Tutorial-SMS Pack' dropdown. Below the header is a teal banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and an 'ADD RESERVATION' button. A date selector shows 'Mon, 14 Apr - Mon, 14 Apr'. Below this, a message states 'You have no limits configured for the selected date.' with an 'Add a new limit' button. A filter bar shows 'All', 'Completed', 'Upcoming' (selected), and 'Cancelled' filters, along with counts for a calendar icon (0) and a group icon (0). The main area displays 'No reservations available' with an illustration of a person looking through binoculars. A 'Print' button is at the bottom left. The footer includes a warning 'Too many guests in house? Pause online reservations' with a pause icon, a copyright notice 'Designed by DISH Digital Solutions GmbH. All rights reserved.', and a help icon (question mark). Links for 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings' are at the bottom right.

Nadat u het DISH-reserveringsbeheerpaneel hebt geopend, klikt u op **Instellingen**.

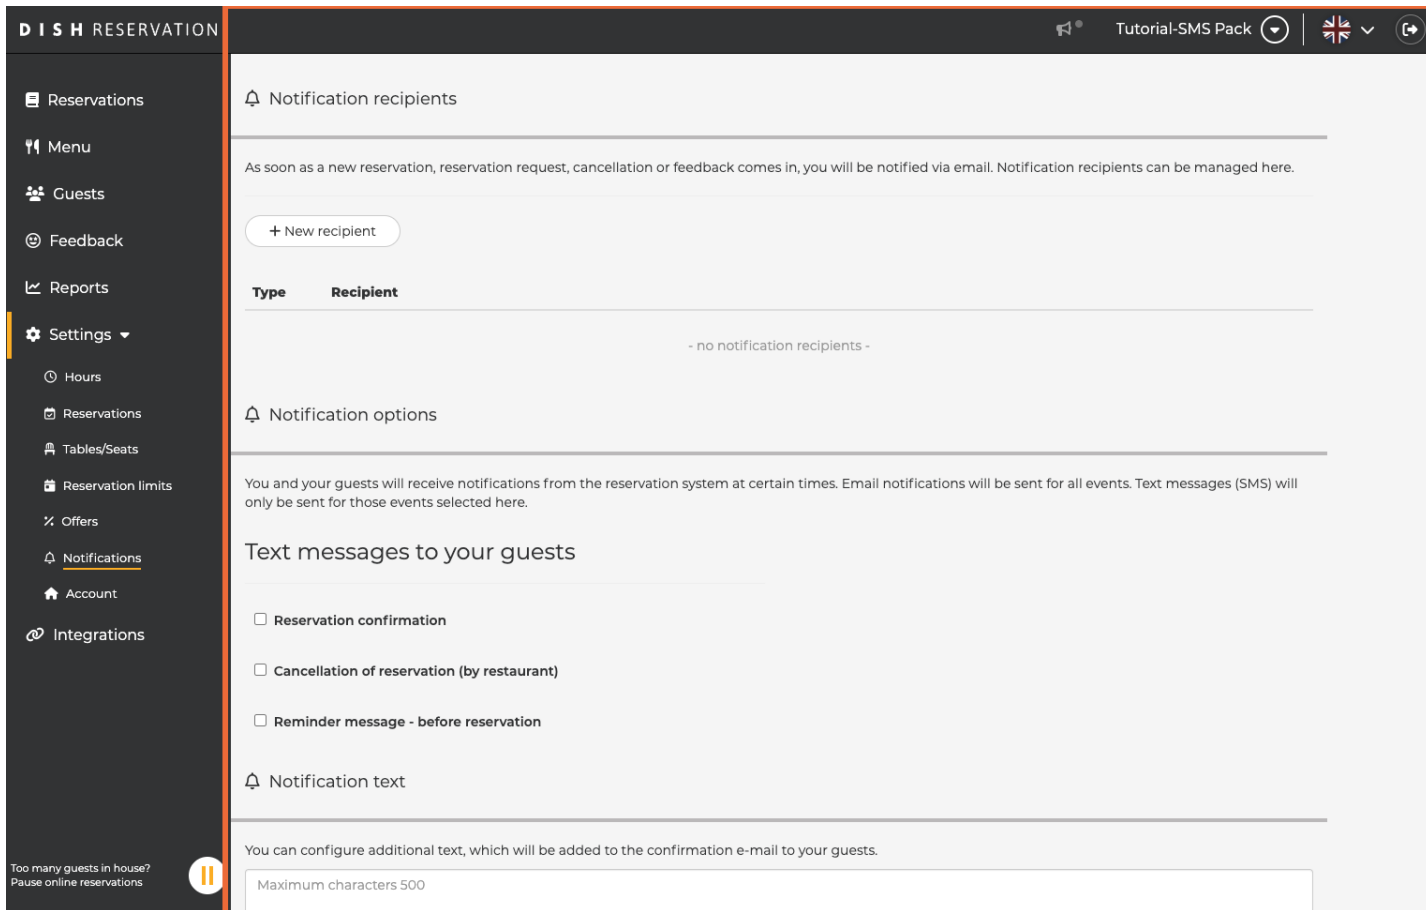

Klik vervolgens op **Meldingen**.

U bevindt zich nu in uw **meldingsinstellingen**.
