Po otwarciu panelu administracyjnego DISH Reservation kliknij **Ustawienia**.

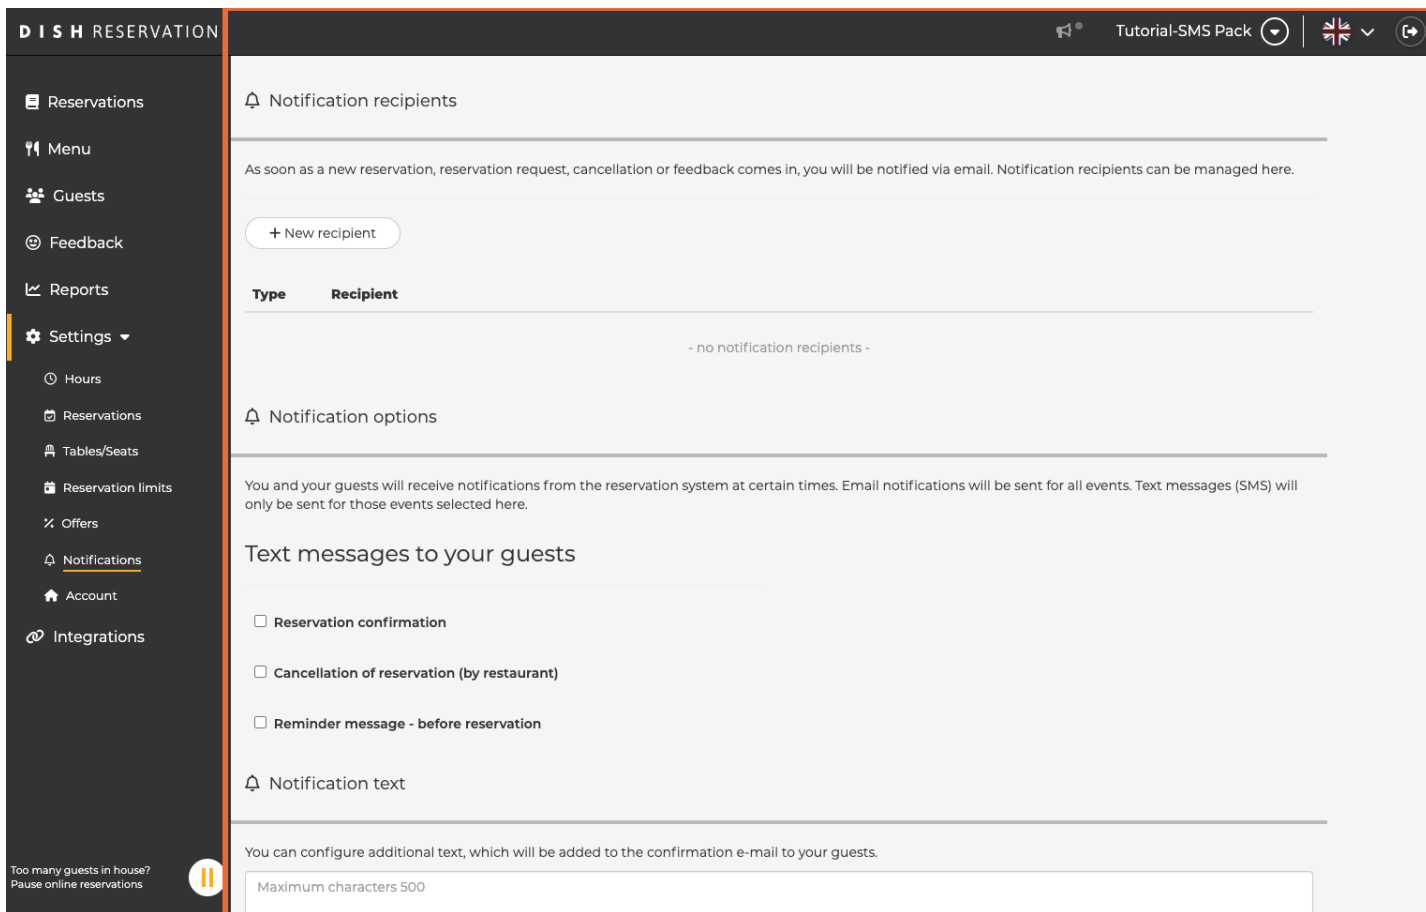

Następnie kliknij **Powiadomienia**.

The screenshot shows the DISH Reservation admin interface. On the left sidebar, the 'Notifications' menu item is highlighted with an orange border. The main content area displays a message: 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' with an 'ADD RESERVATION' button. Below this, there's a date selector showing 'Mon, 14 Apr - Mon, 14 Apr'. A message states 'You have no limits configured for the selected date.' with an 'Add a new limit' button. Filter tabs for 'All', 'Completed', 'Upcoming', and 'Cancelled' are visible, with 'Upcoming' selected. A large empty box with a magnifying glass icon and the text 'No reservations available' is shown. A 'Print' button is at the bottom left of the main area. The footer includes a warning 'Too many guests in house? Pause online reservations', a copyright notice 'Designed by DISH Digital Solutions GmbH. All rights reserved.', and links for 'FAQ', 'Terms of use', 'Imprint', 'Data privacy', and 'Privacy Settings'.

Notification recipients

As soon as a new reservation, reservation request, cancellation or feedback comes in, you will be notified via email. Notification recipients can be managed here.

+ New recipient

Type	Recipient
- no notification recipients -	

Notification options

You and your guests will receive notifications from the reservation system at certain times. Email notifications will be sent for all events. Text messages (SMS) will only be sent for those events selected here.

Text messages to your guests

- ☐ Reservation confirmation
- ☐ Cancellation of reservation (by restaurant)
- ☐ Reminder message - before reservation

Notification text

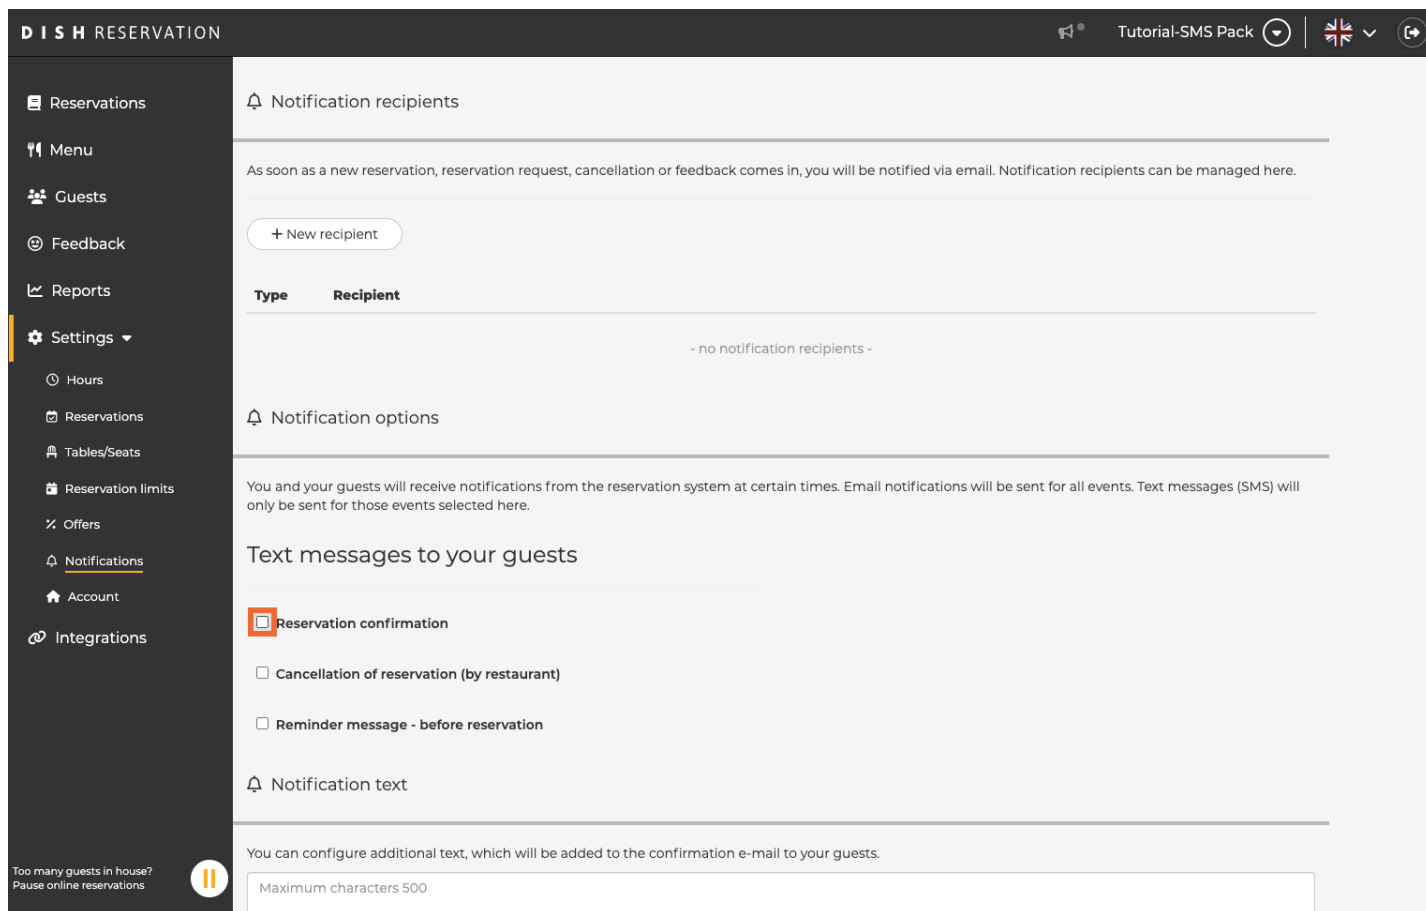

You can configure additional text, which will be added to the confirmation e-mail to your guests.

Maximum characters 500

Too many guests in house?
Pause online reservations

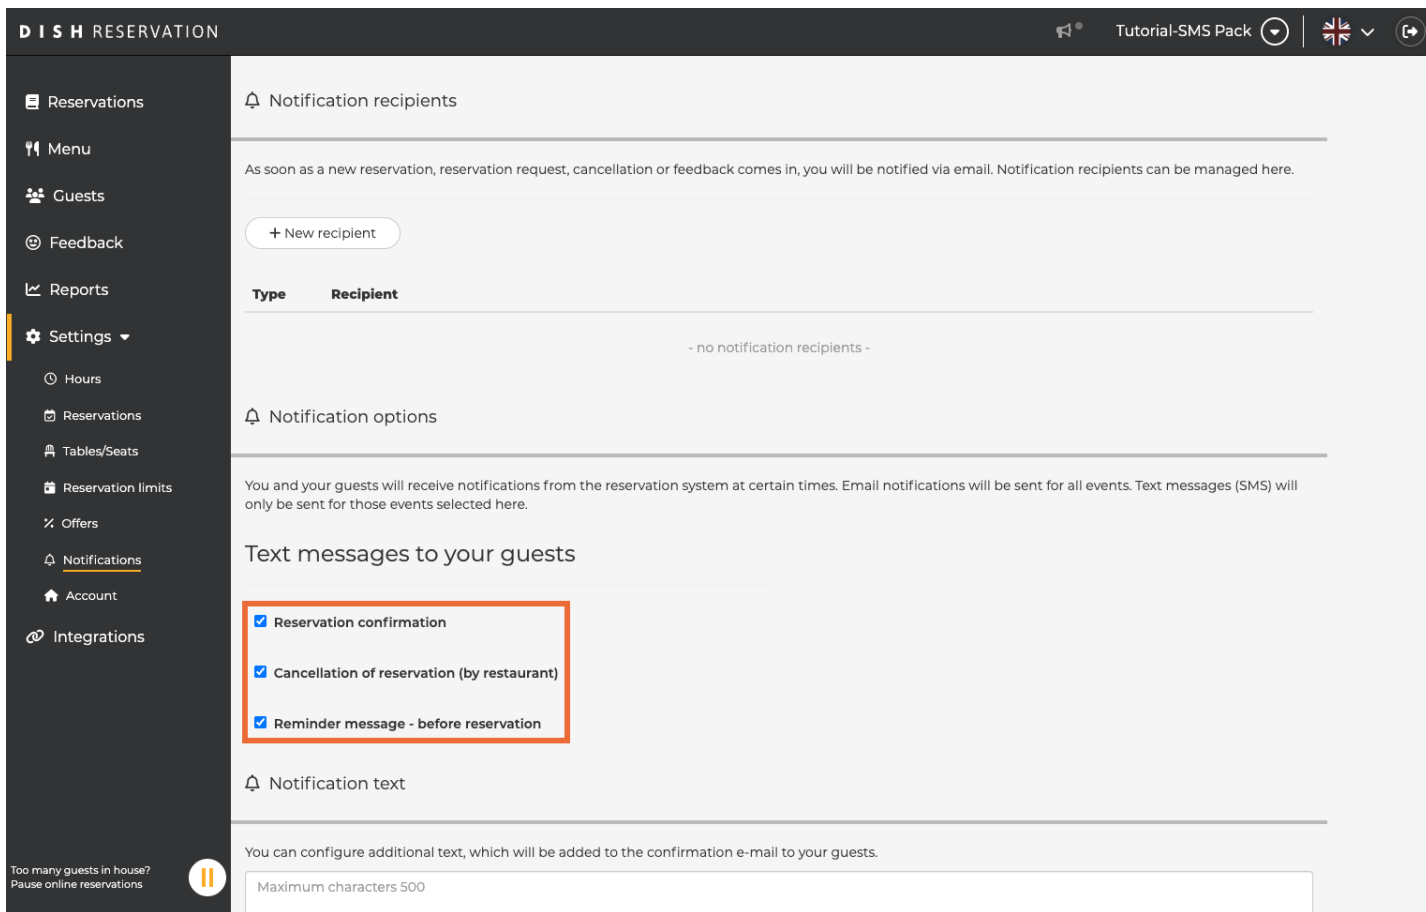

Zaznaczając odpowiednie pola, możesz teraz wybrać, jakie wiadomości tekstowe chcesz wysłać.

The screenshot shows the DISH Reservation admin interface. The left sidebar contains navigation links: Reservations, Menu, Guests, Feedback, Reports, Settings (highlighted), Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area is titled 'Notification recipients' and includes a '+ New recipient' button. Below this is a table with columns 'Type' and 'Recipient', currently showing '- no notification recipients -'. The next section is 'Notification options', which explains that email notifications are sent for all events, while SMS messages are only sent for selected events. Under 'Text messages to your guests', there is a 'Reservation confirmation' section with two checkboxes: 'Cancellation of reservation (by restaurant)' and 'Reminder message - before reservation'. The final section is 'Notification text', which allows configuring additional text for the confirmation email, with a note that the maximum characters are 500.

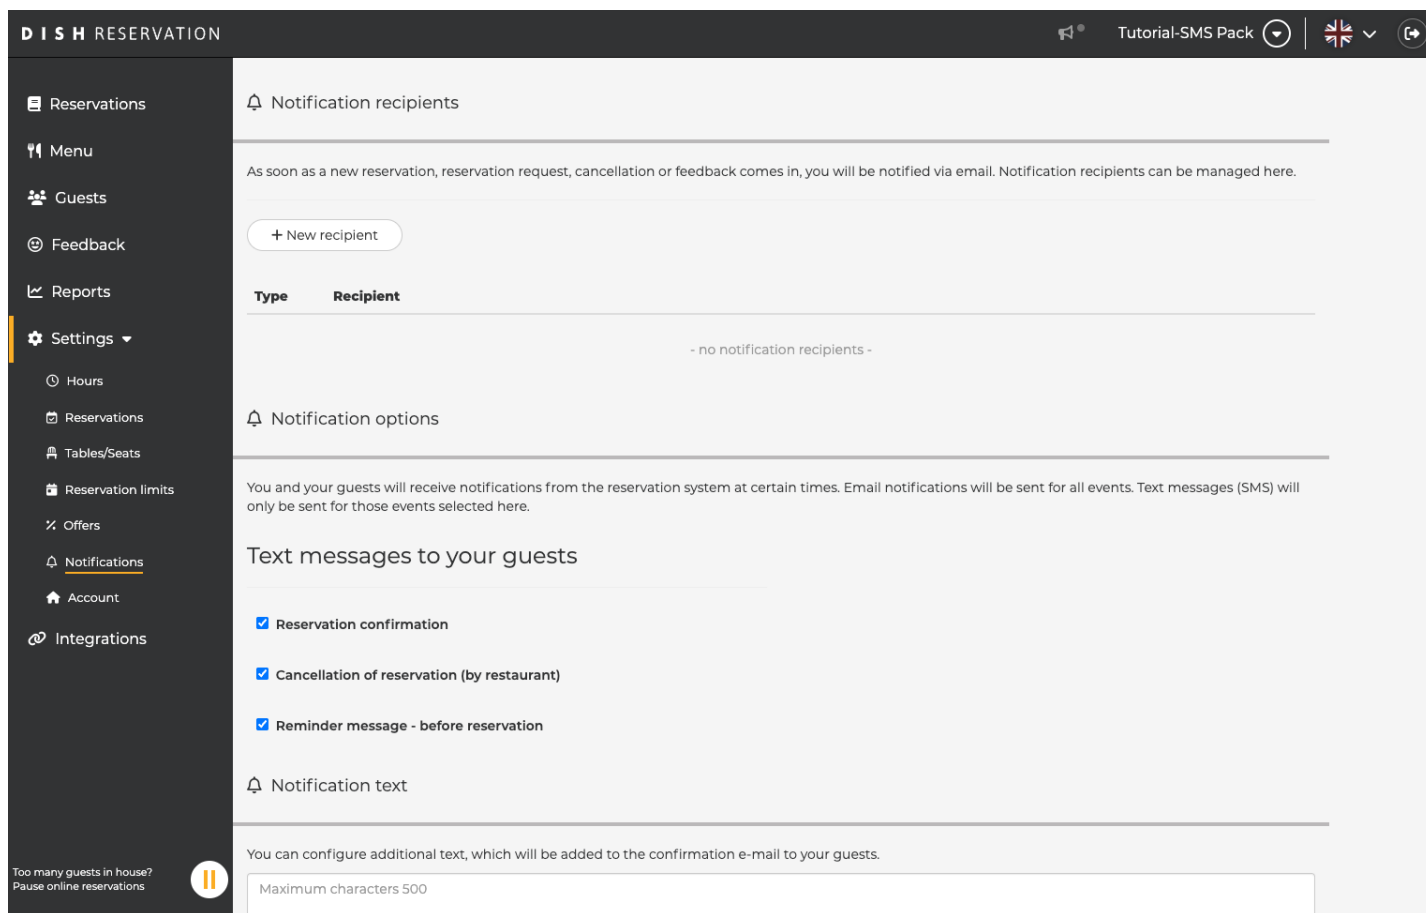

Możesz wybrać pomiędzy wysyłaniem **potwierdzeń rezerwacji** , **anulowaniem rezerwacji (przez restaurację)** , **wiadomościami przypominającymi przed dokonaniem rezerwacji** lub zestawem tych opcji.

The screenshot shows the DISH Reservation admin interface. On the left is a dark sidebar with a menu containing: Reservations, Menu, Guests, Feedback, Reports, Settings (highlighted with an orange bar), Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area is titled 'DISH RESERVATION' and includes a 'Tutorial-SMS Pack' button. It is divided into three sections: 'Notification recipients' (with a '+ New recipient' button and a table with columns 'Type' and 'Recipient' showing '- no notification recipients -'), 'Notification options' (with explanatory text), and 'Text messages to your guests'. In the 'Text messages to your guests' section, three checkboxes are listed and highlighted with a red rectangle: 'Reservation confirmation' (checked), 'Cancellation of reservation (by restaurant)' (checked), and 'Reminder message - before reservation' (checked). Below this is the 'Notification text' section, which includes explanatory text and a text input field with a 'Maximum characters 500' limit. At the bottom left of the sidebar, there is a warning: 'Too many guests in house? Pause online reservations' with a pause icon.

To wszystko. Ukończyłeś samouczek i teraz wiesz, jak zmienić **ustawienia SMS w panelu administracyjnym rezerwacji DISH**.

The screenshot shows the DISH Reservation admin interface. The left sidebar contains a menu with items: Reservations, Menu, Guests, Feedback, Reports, Settings (highlighted), Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area is titled 'Notification recipients' and includes a '+ New recipient' button and a table with columns 'Type' and 'Recipient'.
