

Bem-vindo ao DISH Reservation. Neste tutorial, mostraremos como alterar as **configurações de SMS** no **painel de administração do DISH Reservation**.

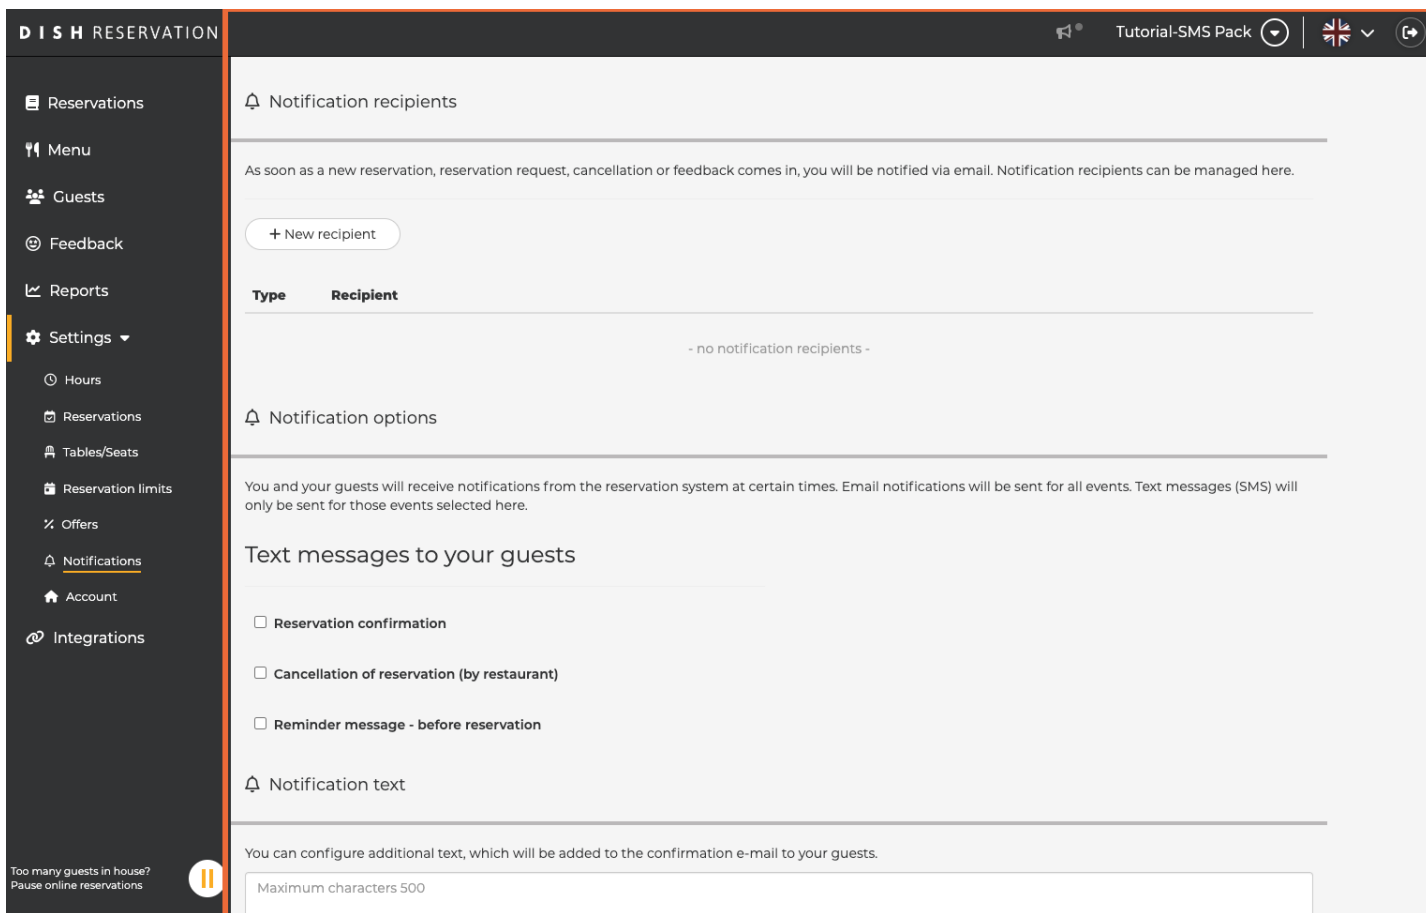

Depois de abrir o painel de administração do DISH Reservation, clique em **Configurações**.

Em seguida, clique em **Notificações**.

 Agora você está nas **configurações de notificações**.

The screenshot shows the DISH RESERVATION admin panel. The left sidebar contains a menu with options: Reservations, Menu, Guests, Feedback, Reports, Settings (highlighted), Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. The main content area is titled 'Notification recipients' and includes a '+ New recipient' button and a table with columns 'Type' and 'Recipient'. Below this is the 'Notification options' section, which includes a 'Text messages to your guests' section with three checkboxes: 'Reservation confirmation', 'Cancellation of reservation (by restaurant)', and 'Reminder message - before reservation'. The 'Notification text' section is also visible, with a text input field and a note about configuring additional text for confirmation emails. A bottom status bar indicates 'Too many guests in house? Pause online reservations'.

DISH RESERVATION Tutorial-SMS Pack

Notification recipients

As soon as a new reservation, reservation request, cancellation or feedback comes in, you will be notified via email. Notification recipients can be managed here.

+ New recipient

Type	Recipient
- no notification recipients -	

Notification options

You and your guests will receive notifications from the reservation system at certain times. Email notifications will be sent for all events. Text messages (SMS) will only be sent for those events selected here.

Text messages to your guests

- ☐ Reservation confirmation
- ☐ Cancellation of reservation (by restaurant)
- ☐ Reminder message - before reservation

Notification text

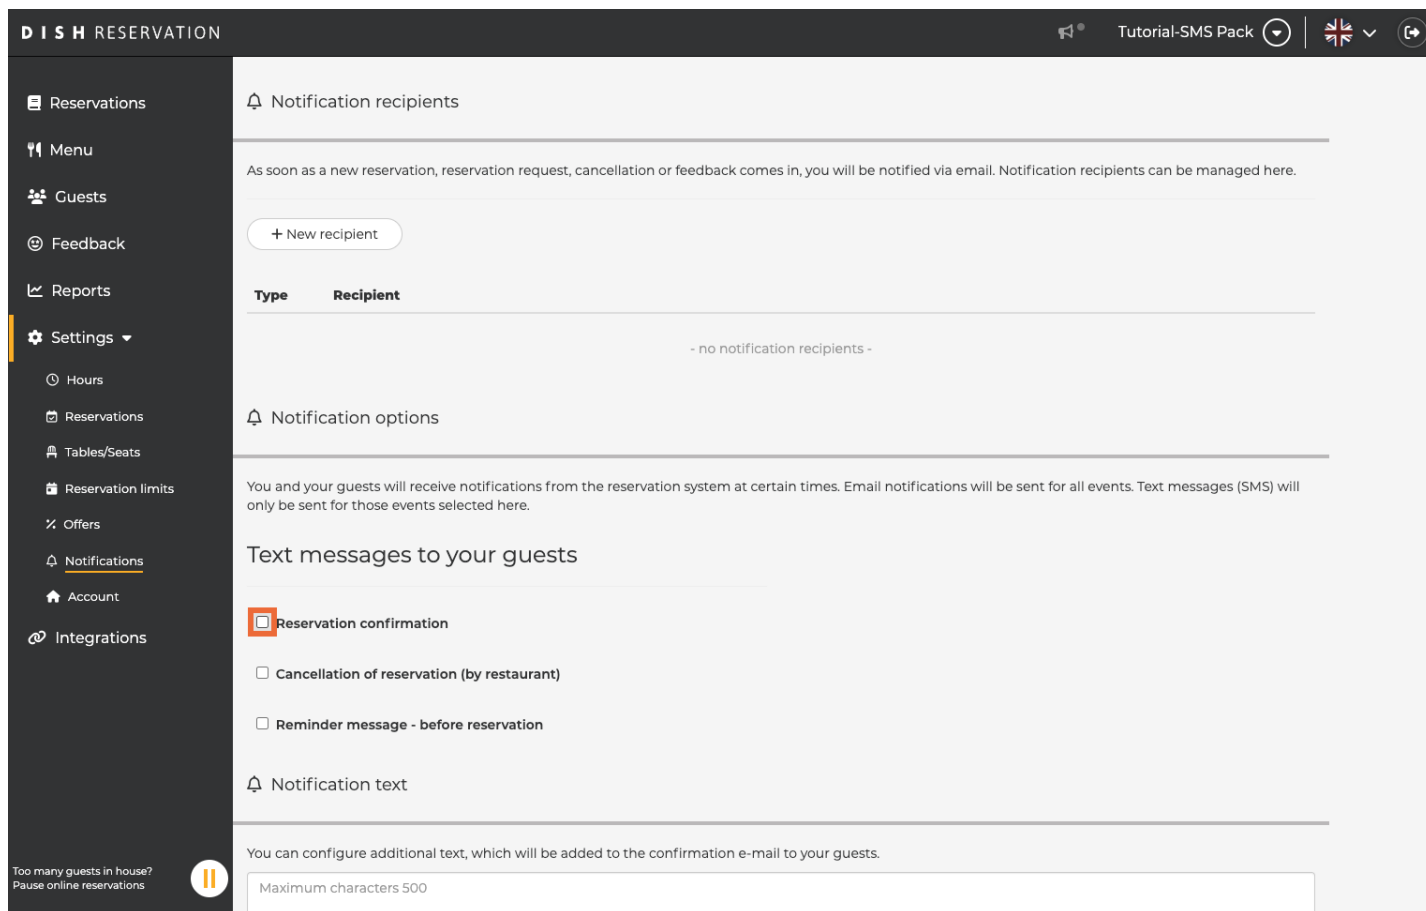

You can configure additional text, which will be added to the confirmation e-mail to your guests.

Maximum characters 500

Too many guests in house?
Pause online reservations

Ao marcar as caixas, agora você pode escolher quais mensagens de texto deseja enviar.

The screenshot shows the DISH RESERVATION administration interface. On the left is a dark sidebar with a menu containing: Reservations, Menu, Guests, Feedback, Reports, Settings (highlighted with an orange bar), Hours, Reservations, Tables/Seats, Reservation limits, Offers, Notifications, Account, and Integrations. At the bottom of the sidebar, there is a notification: "Too many guests in house? Pause online reservations" with a pause icon.

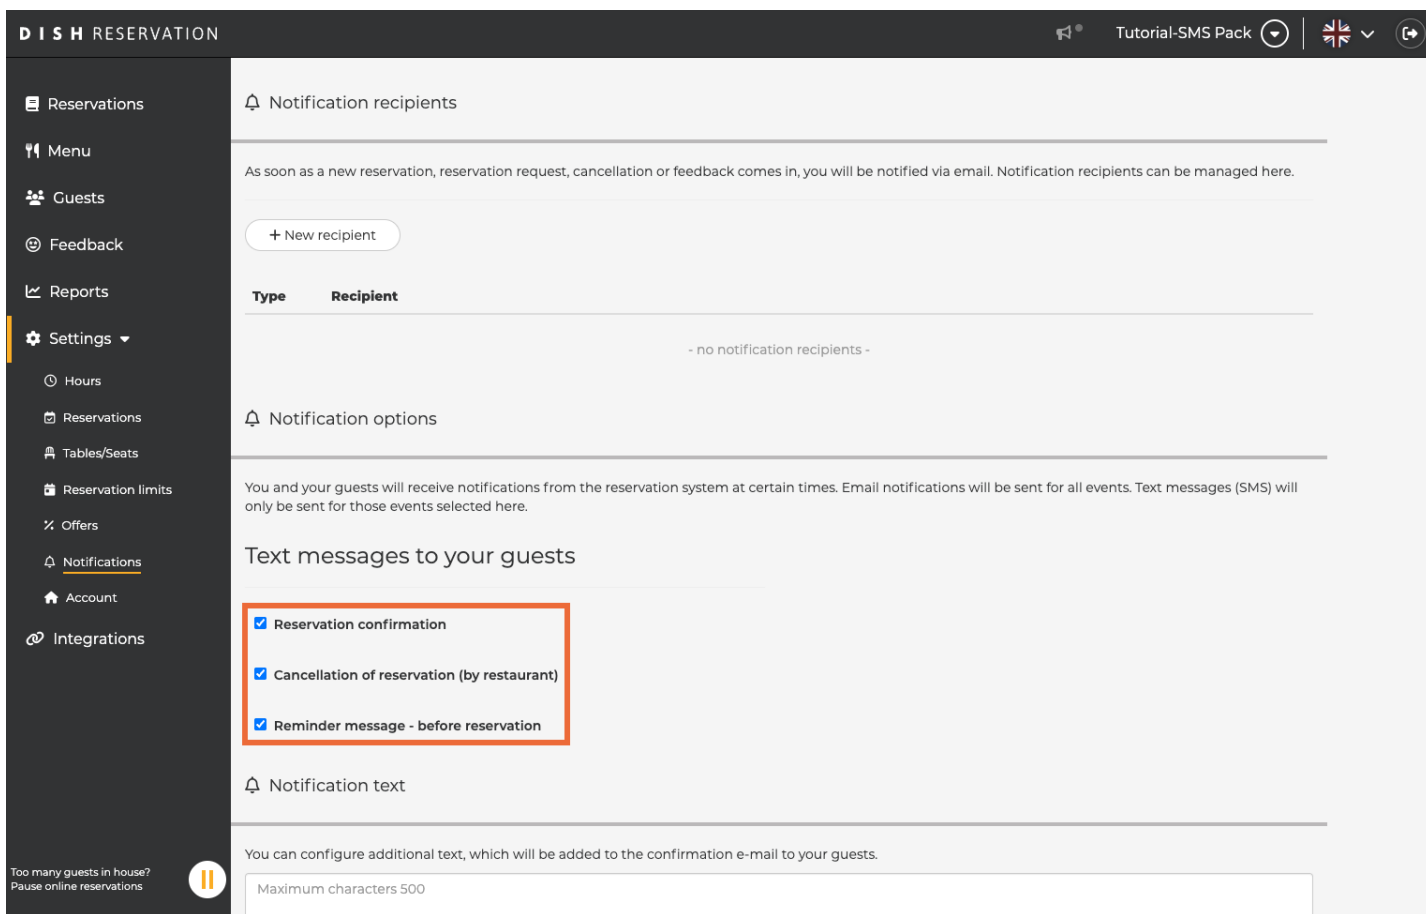

The main content area is titled "DISH RESERVATION" and includes a "Tutorial-SMS Pack" dropdown. It is divided into three sections:

- Notification recipients:** Contains a description: "As soon as a new reservation, reservation request, cancellation or feedback comes in, you will be notified via email. Notification recipients can be managed here." Below this is a "+ New recipient" button and a table with headers "Type" and "Recipient". The table currently shows "- no notification recipients -".
- Notification options:** Contains a description: "You and your guests will receive notifications from the reservation system at certain times. Email notifications will be sent for all events. Text messages (SMS) will only be sent for those events selected here." Below this is the section "Text messages to your guests".
- Text messages to your guests:** Includes a "Reservation confirmation" section with two checkboxes:
 - ☐ Cancellation of reservation (by restaurant)
 - ☐ Reminder message - before reservation

Below the checkboxes is the "Notification text" section, which includes a description: "You can configure additional text, which will be added to the confirmation e-mail to your guests." and a text input field with the placeholder "Maximum characters 500".

Você pode escolher entre enviar **confirmações de reserva**, **cancelamento de reservas (pelo restaurante)**, **mensagens de lembrete antes da reserva** ou um subconjunto dessas opções.
