

Once you are logged in click on **kitchen**.

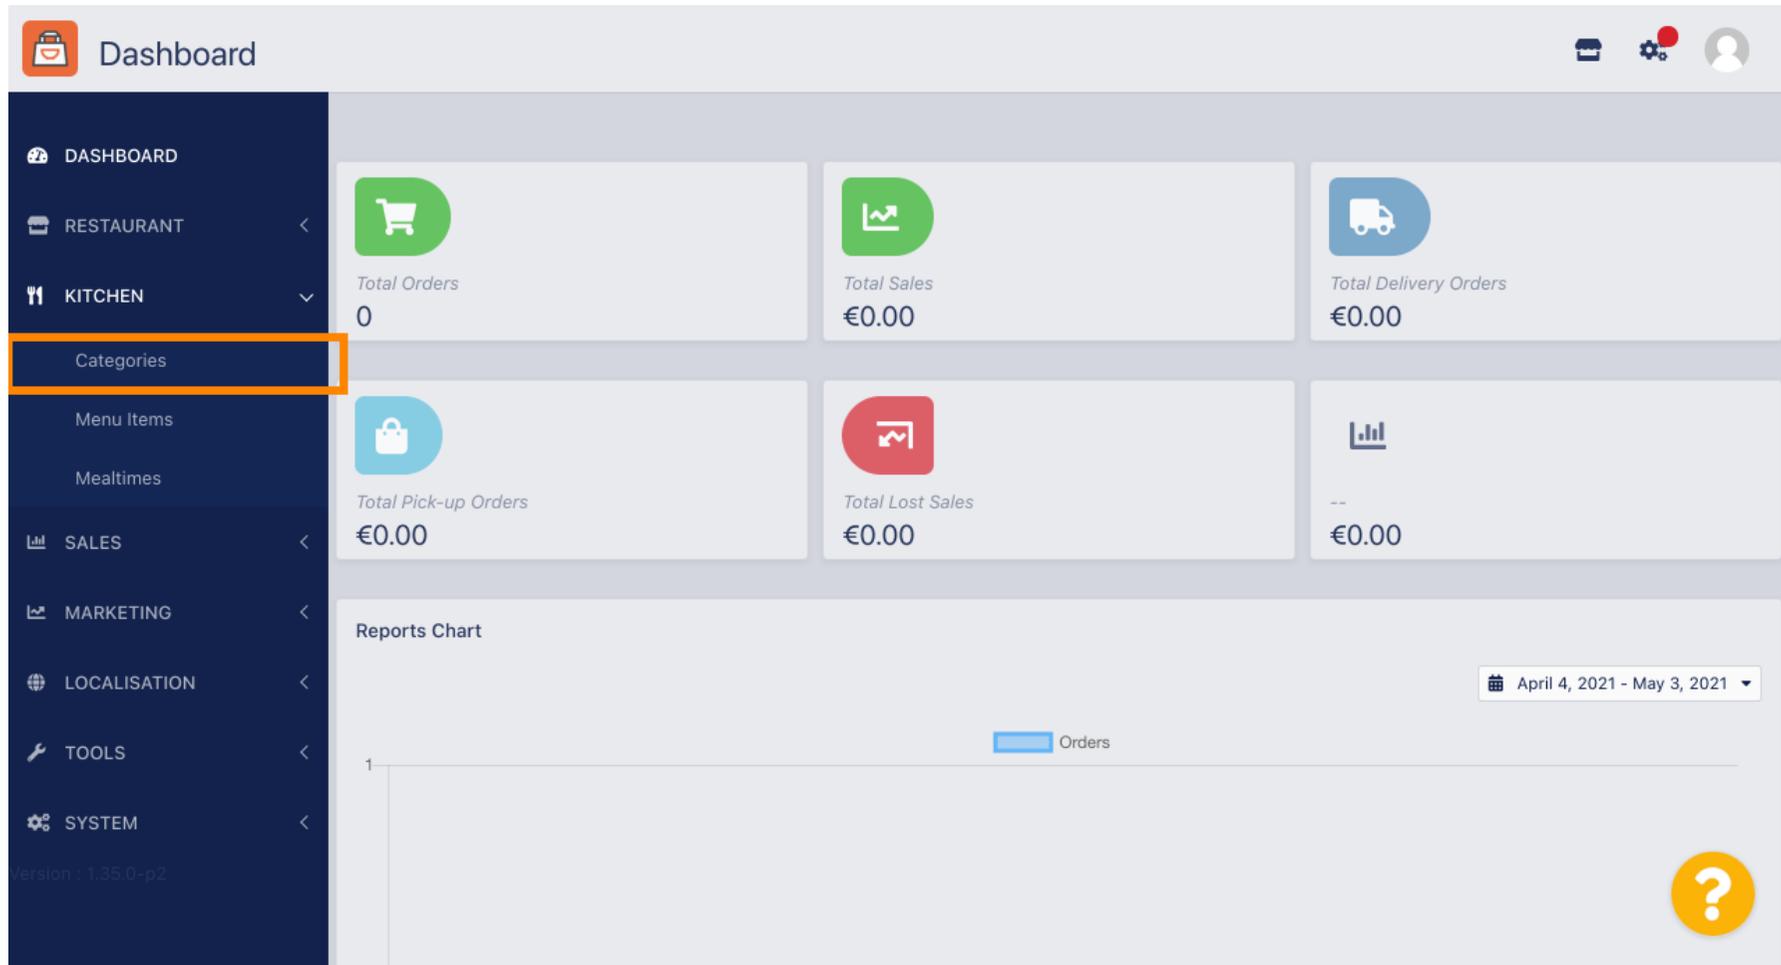

The screenshot displays the DISH Order dashboard. On the left, a dark blue sidebar contains a menu with the following items: DASHBOARD, RESTAURANT, KITCHEN (highlighted with an orange box), SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main content area features a grid of summary cards:

- Total Orders:** 0
- Total Sales:** €0.00
- Total Delivery Orders:** €0.00
- Total Pick-up Orders:** €0.00
- Total Lost Sales:** €0.00

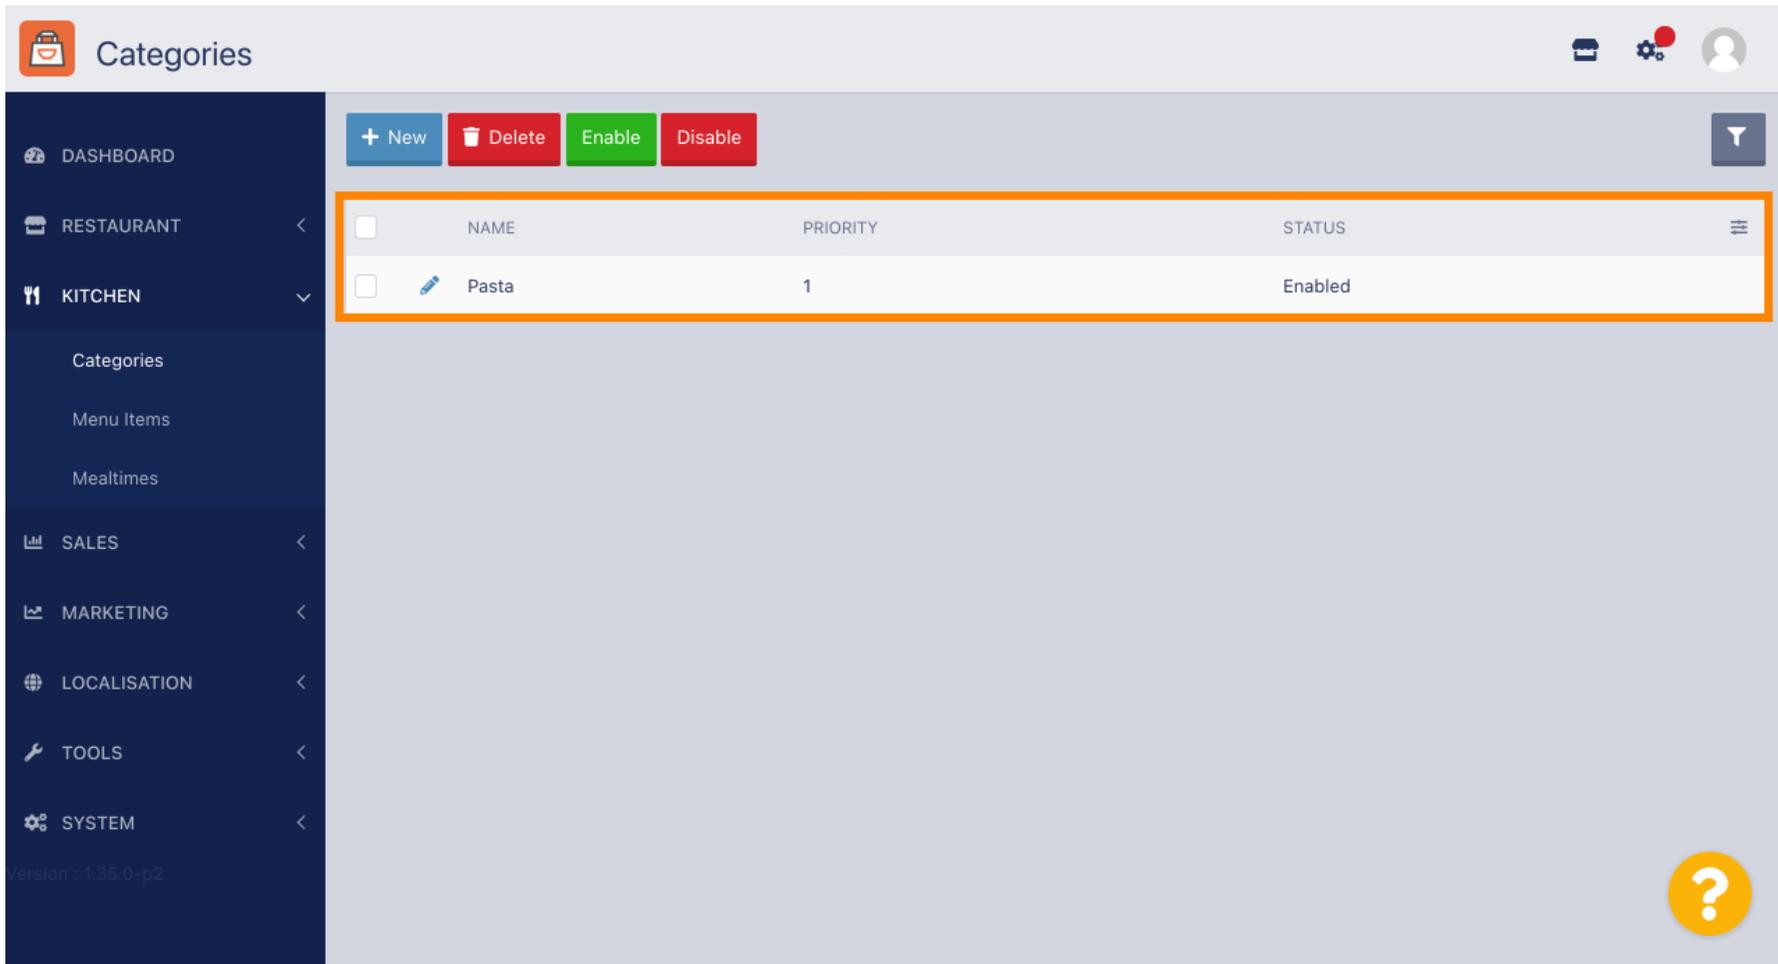

Below the summary cards is a 'Reports Chart' section. It includes a date range selector set to 'April 4, 2021 - May 3, 2021' and a legend for 'Orders'. A yellow question mark icon is located in the bottom right corner of the dashboard area.

Then select **categories**.

The screenshot displays the DISH Order dashboard interface. On the left, a dark blue sidebar contains a list of navigation items: DASHBOARD, RESTAURANT, KITCHEN, **Categories** (highlighted with an orange box), Menu Items, Mealtimes, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main content area features a top header with a 'Dashboard' title and user profile icons. Below this, there are six summary cards: 'Total Orders' (0), 'Total Sales' (€0.00), 'Total Delivery Orders' (€0.00), 'Total Pick-up Orders' (€0.00), 'Total Lost Sales' (€0.00), and a bar chart for 'Reports Chart' (April 4, 2021 - May 3, 2021). A yellow question mark icon is located in the bottom right corner of the dashboard area.

 You now see an **overview** of the existing menu categories.

The screenshot shows the 'Categories' management interface. The sidebar on the left contains the following menu items: DASHBOARD, RESTAURANT, KITCHEN (expanded), Categories, Menu Items, Mealtimes, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main content area has a header with the title 'Categories' and a search icon. Below the header are four action buttons: '+ New' (blue), 'Delete' (red), 'Enable' (green), and 'Disable' (red). A table below these buttons lists the existing menu categories. The table has columns for 'NAME', 'PRIORITY', and 'STATUS'. One category, 'Pasta', is listed with a priority of 1 and a status of 'Enabled'. The table row for 'Pasta' is highlighted with an orange border. A yellow question mark icon is located in the bottom right corner of the interface.

<input type="checkbox"/>	NAME	PRIORITY	STATUS	
<input type="checkbox"/>	 Pasta	1	Enabled	

In the overview you can **delete**, **enable** or **disable** selected categories.

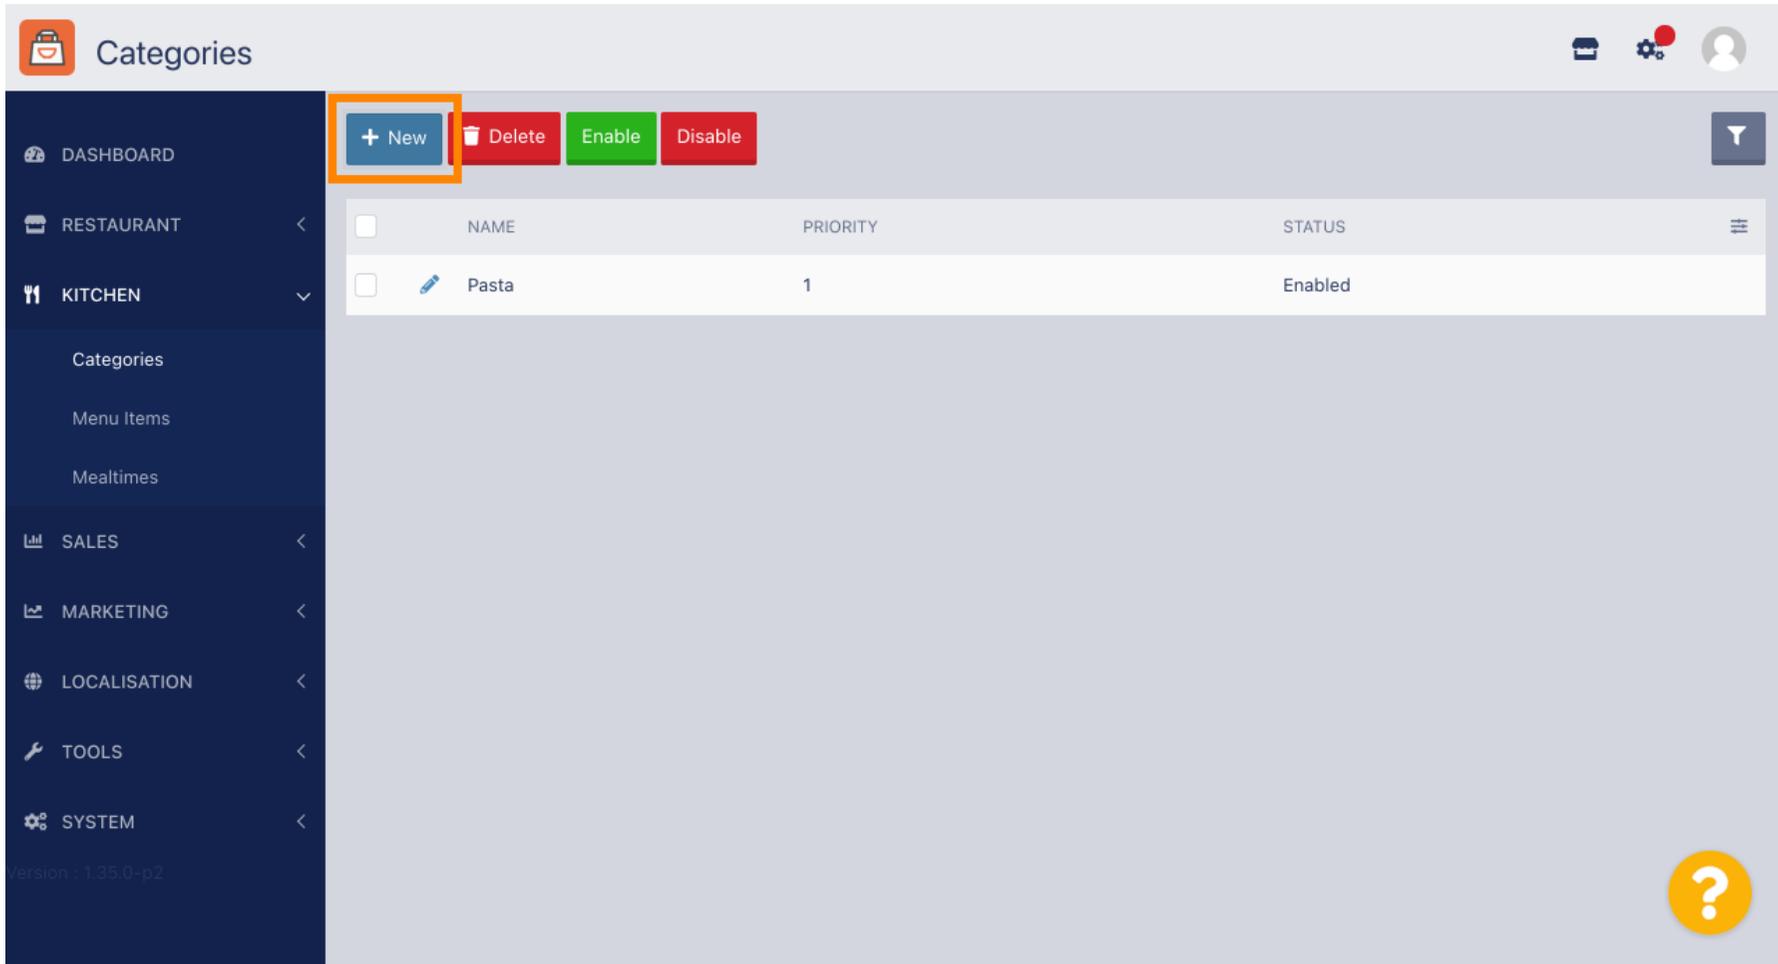

The screenshot shows the 'Categories' overview page in the DISH Order system. The page features a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main content area is light gray and contains a table with the following data:

<input type="checkbox"/>	NAME	PRIORITY	STATUS
<input type="checkbox"/>	 Pasta	1	Enabled

At the top of the main content area, there are four action buttons: '+ New' (blue), 'Delete' (red), 'Enable' (green), and 'Disable' (red). These buttons are highlighted with an orange box. A yellow question mark icon is located in the bottom right corner of the page.

 To set up a new menu category click on **new**.

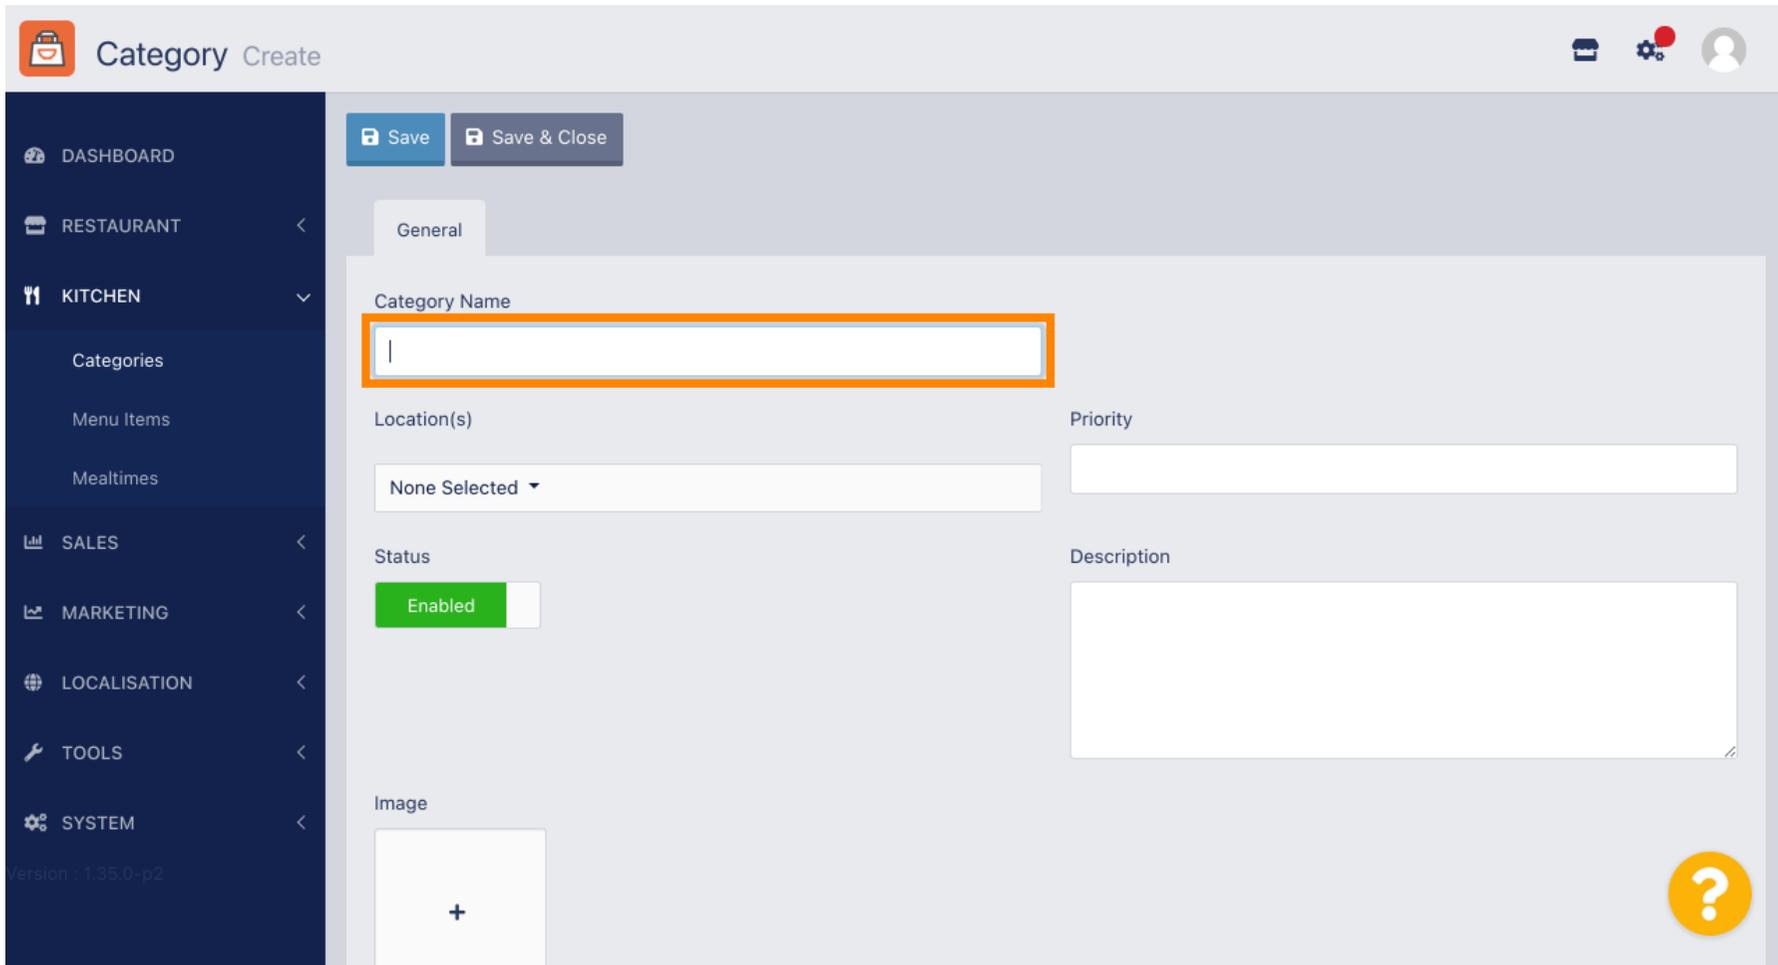

The screenshot shows the 'Categories' management interface. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The 'KITCHEN' section is expanded, showing 'Categories', 'Menu Items', and 'Mealtimes'. The main content area has a header with a '+ New' button (highlighted with an orange box), 'Delete', 'Enable', and 'Disable' buttons, and a search icon. Below the header is a table with columns for NAME, PRIORITY, and STATUS. One row is visible with the name 'Pasta', priority '1', and status 'Enabled'. A yellow question mark icon is in the bottom right corner.

NAME	PRIORITY	STATUS
Pasta	1	Enabled

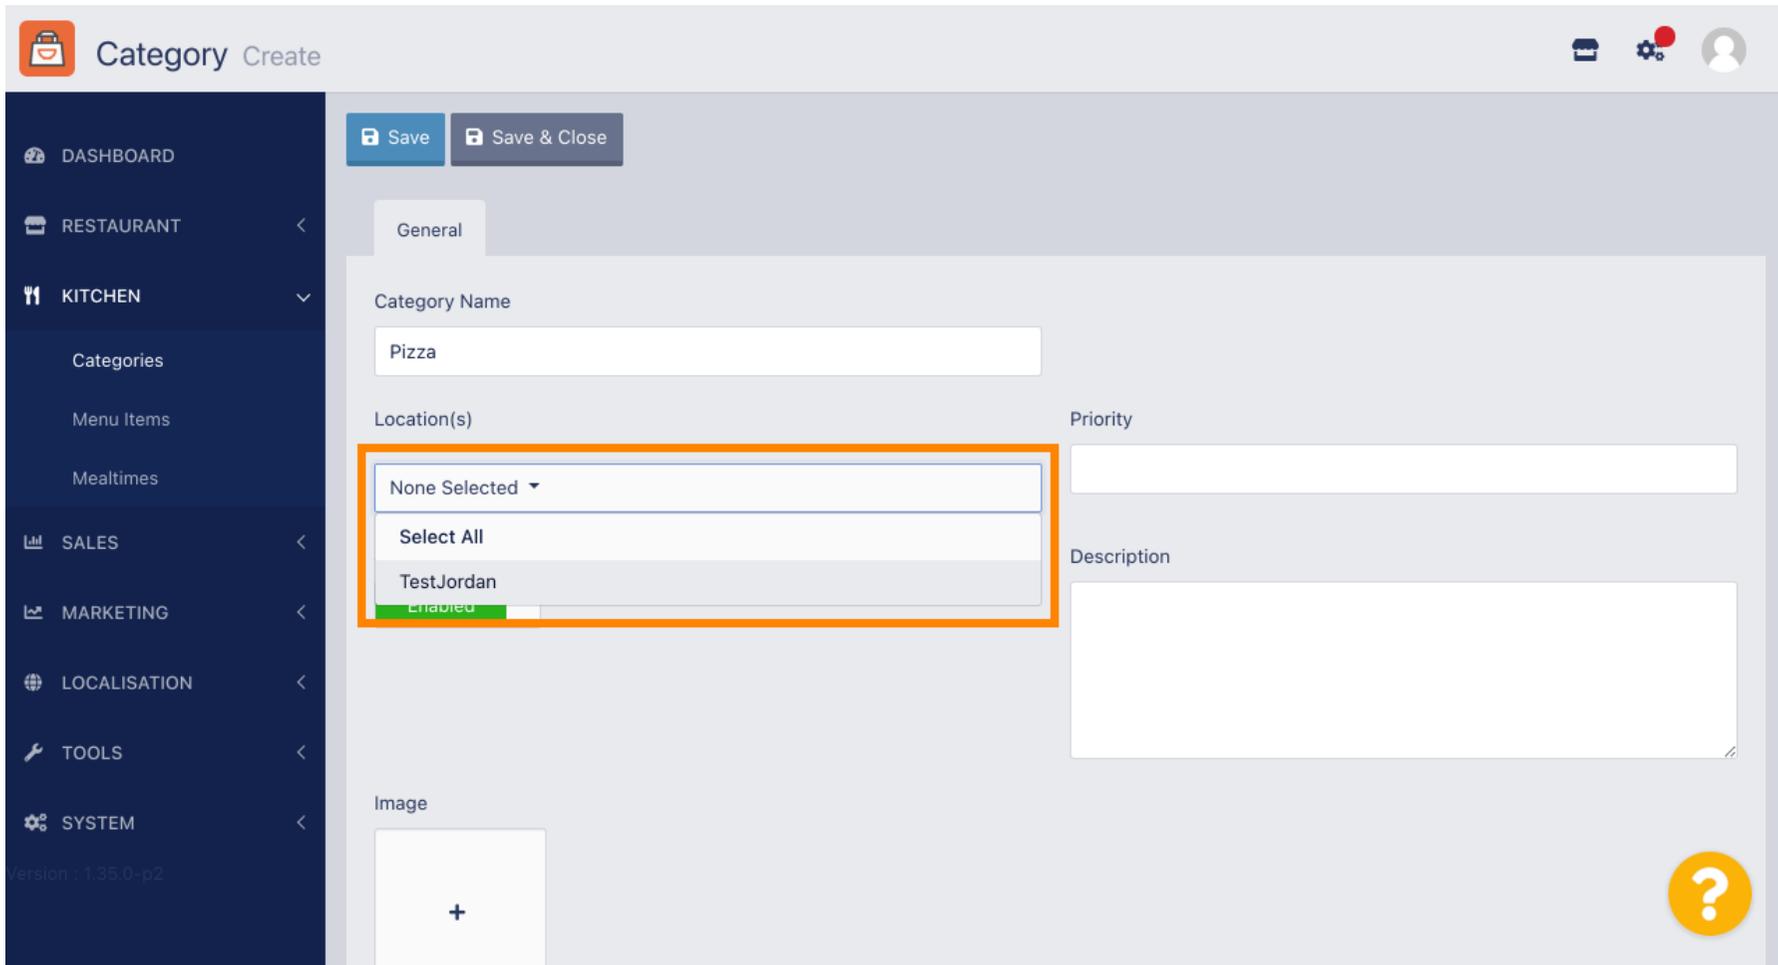

Enter the name of the **category**.

The screenshot shows the 'Category Create' interface. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN (expanded), Categories, Menu Items, Mealtimes, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main area is titled 'Category Create' and has a 'General' tab selected. At the top right of the main area are 'Save' and 'Save & Close' buttons. The 'Category Name' field is a text input box, currently empty, and is highlighted with an orange border. Below it are 'Location(s)' (a dropdown menu showing 'None Selected'), 'Status' (a toggle switch set to 'Enabled'), and 'Image' (a placeholder with a plus sign). To the right of these fields are 'Priority' and 'Description' text input boxes. A yellow help icon (a question mark in a circle) is located in the bottom right corner of the form area.

 Select a **location** the category should be assigned to.

Select a file to update category image, otherwise leave blank.

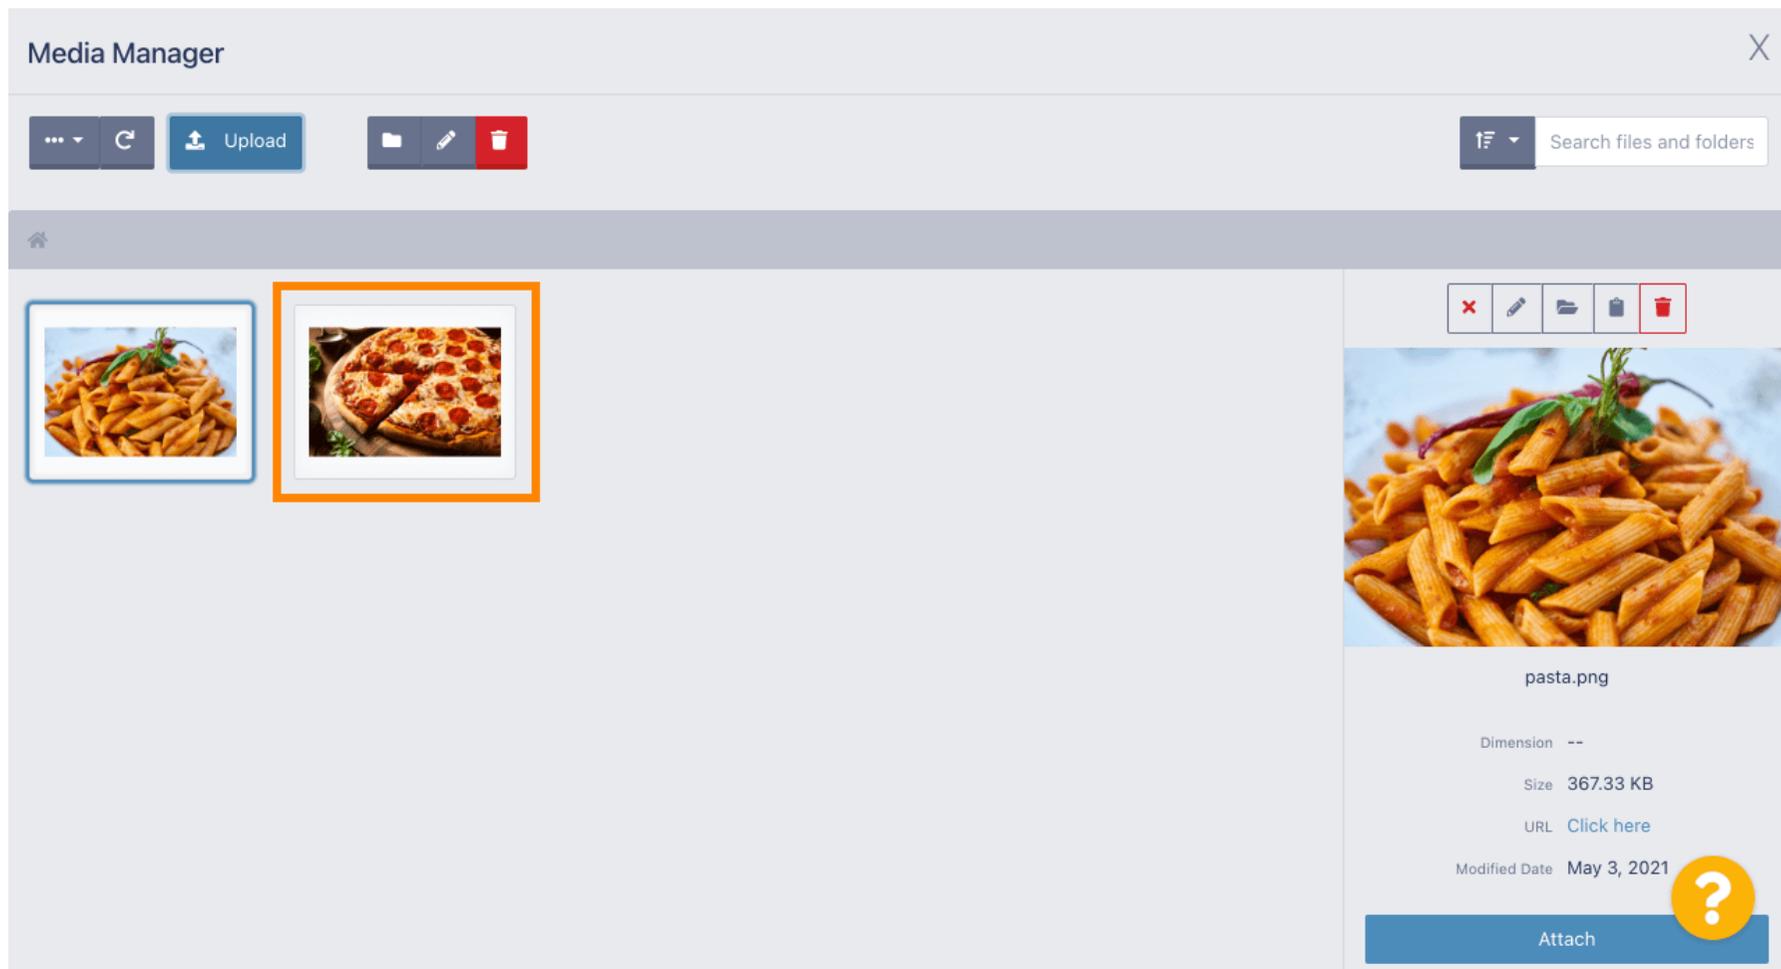

You are now in the media manager where you have access to your already uploaded images. To add a new image click on **upload**. **Note: Your file explorer will open up and you have to select an image.**

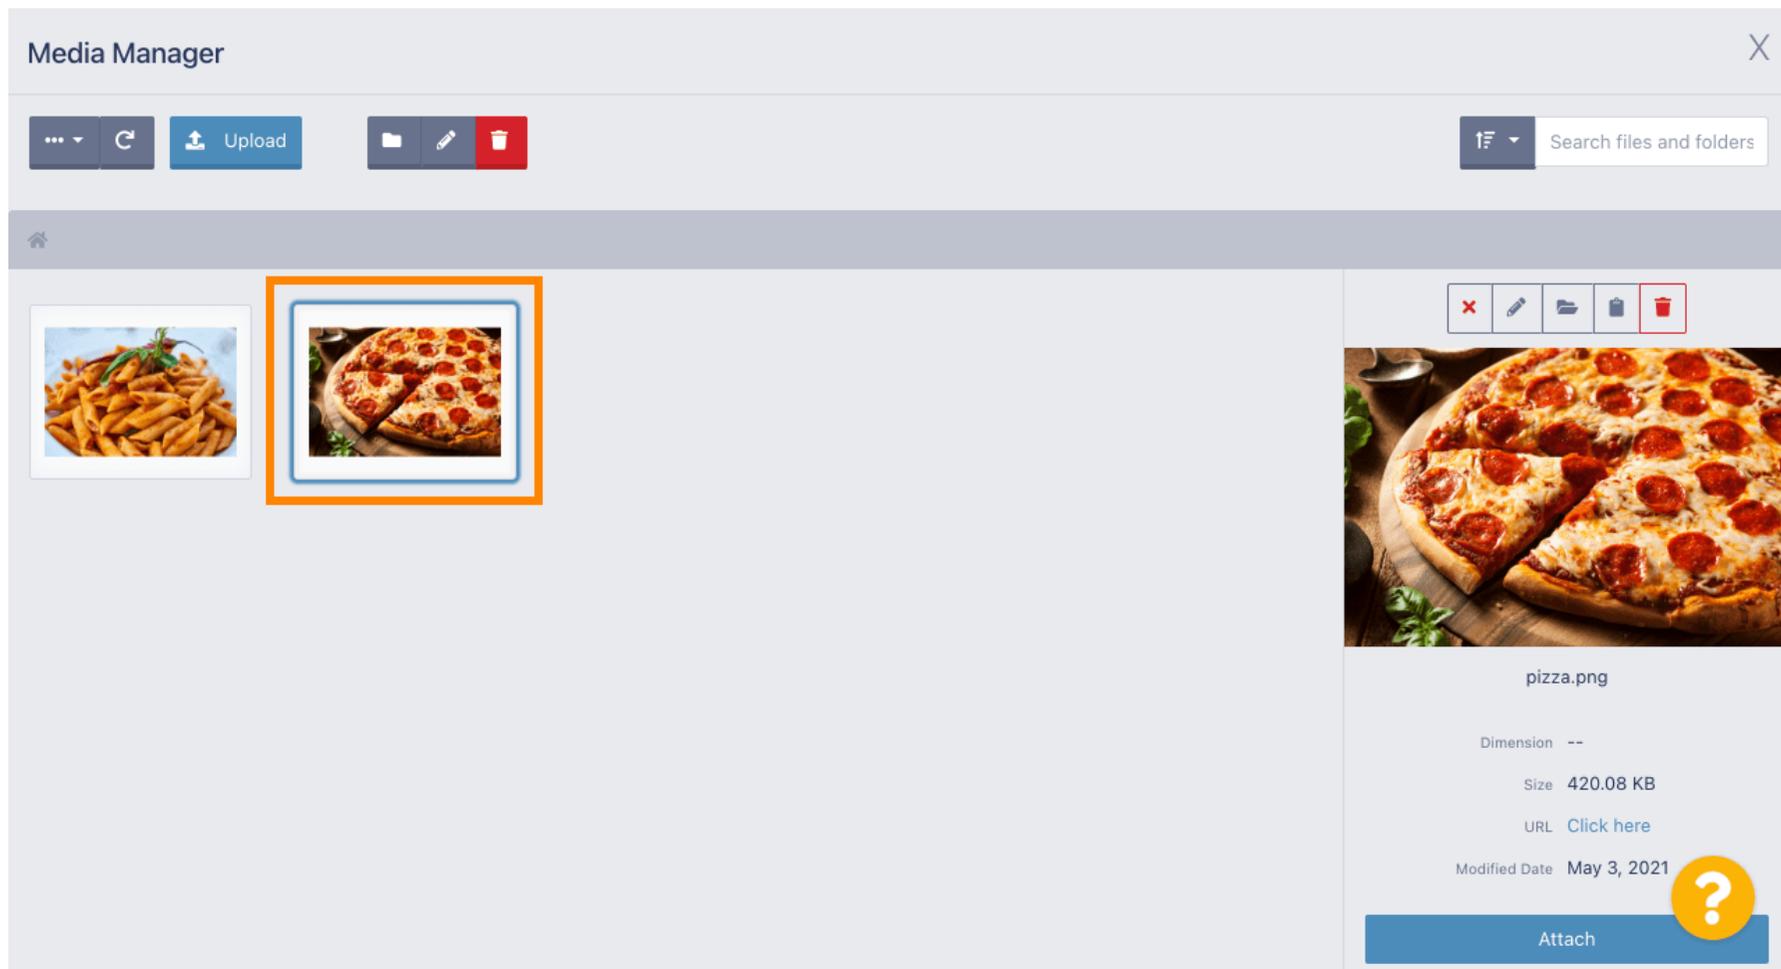

Once you selected your image from you file explorer it will be displayed in the media manager. **Note: For the best outcome we suggest an image with size of 690 x 80 pixels.**

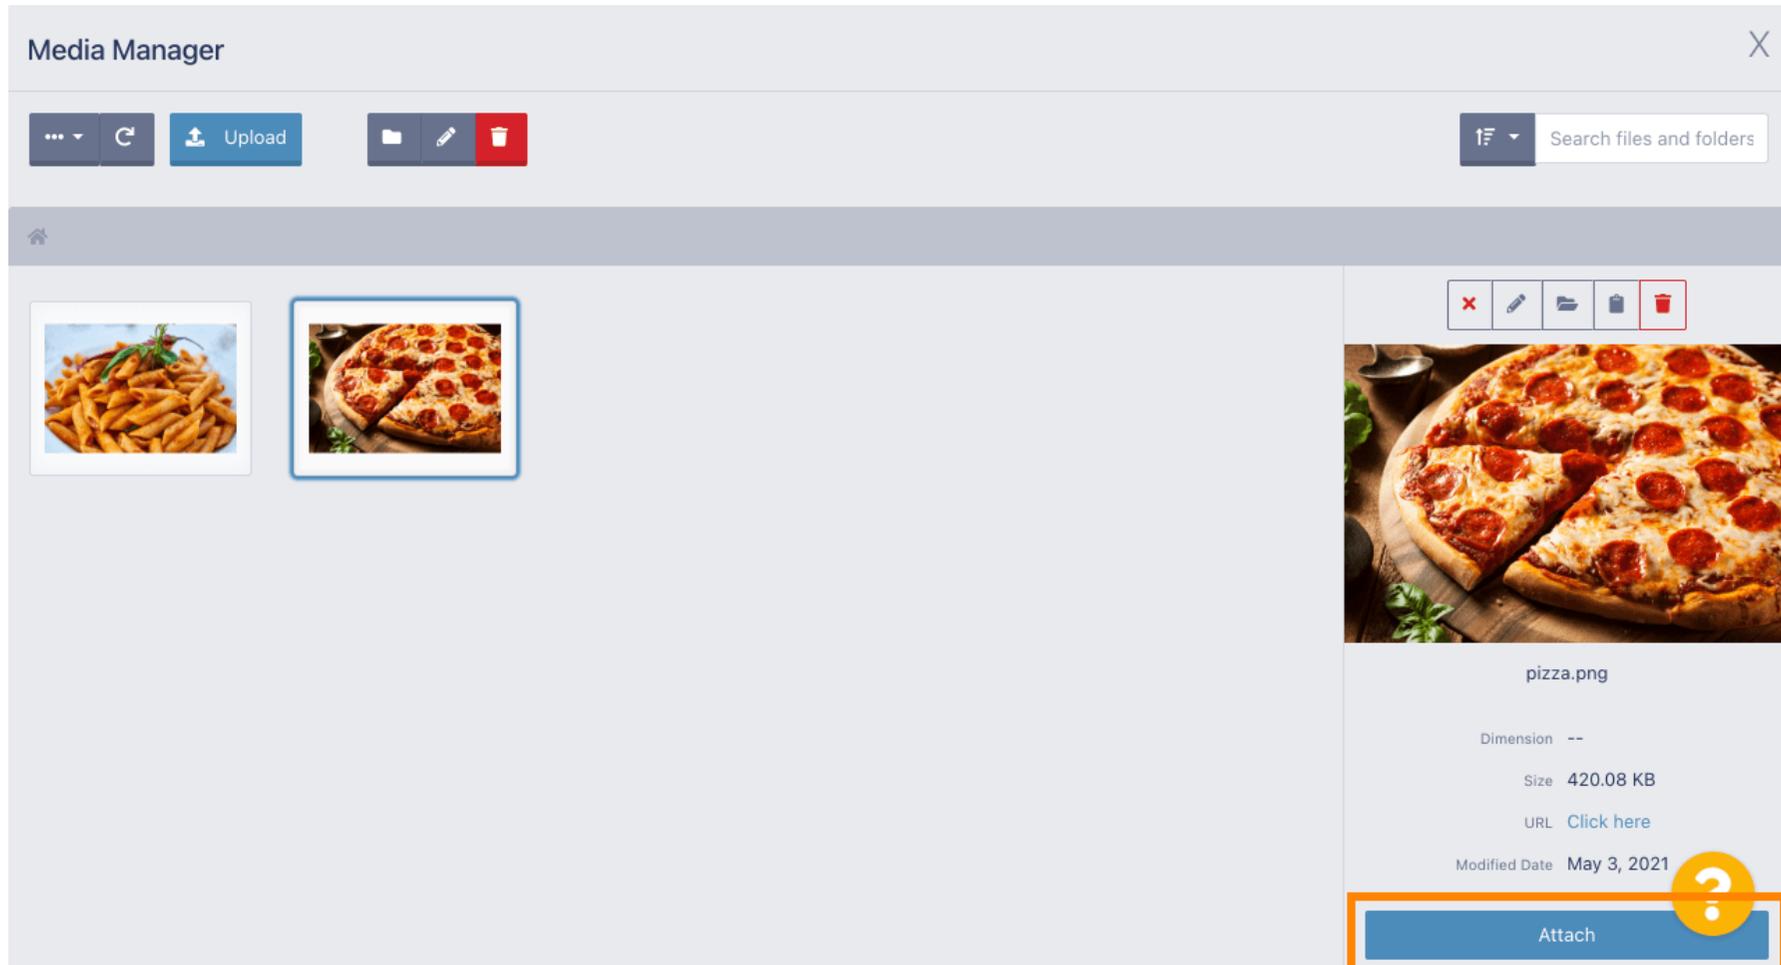

Now click on the **image** to select it. **Note: The blue frame around the image indicates that you have selected that image.**

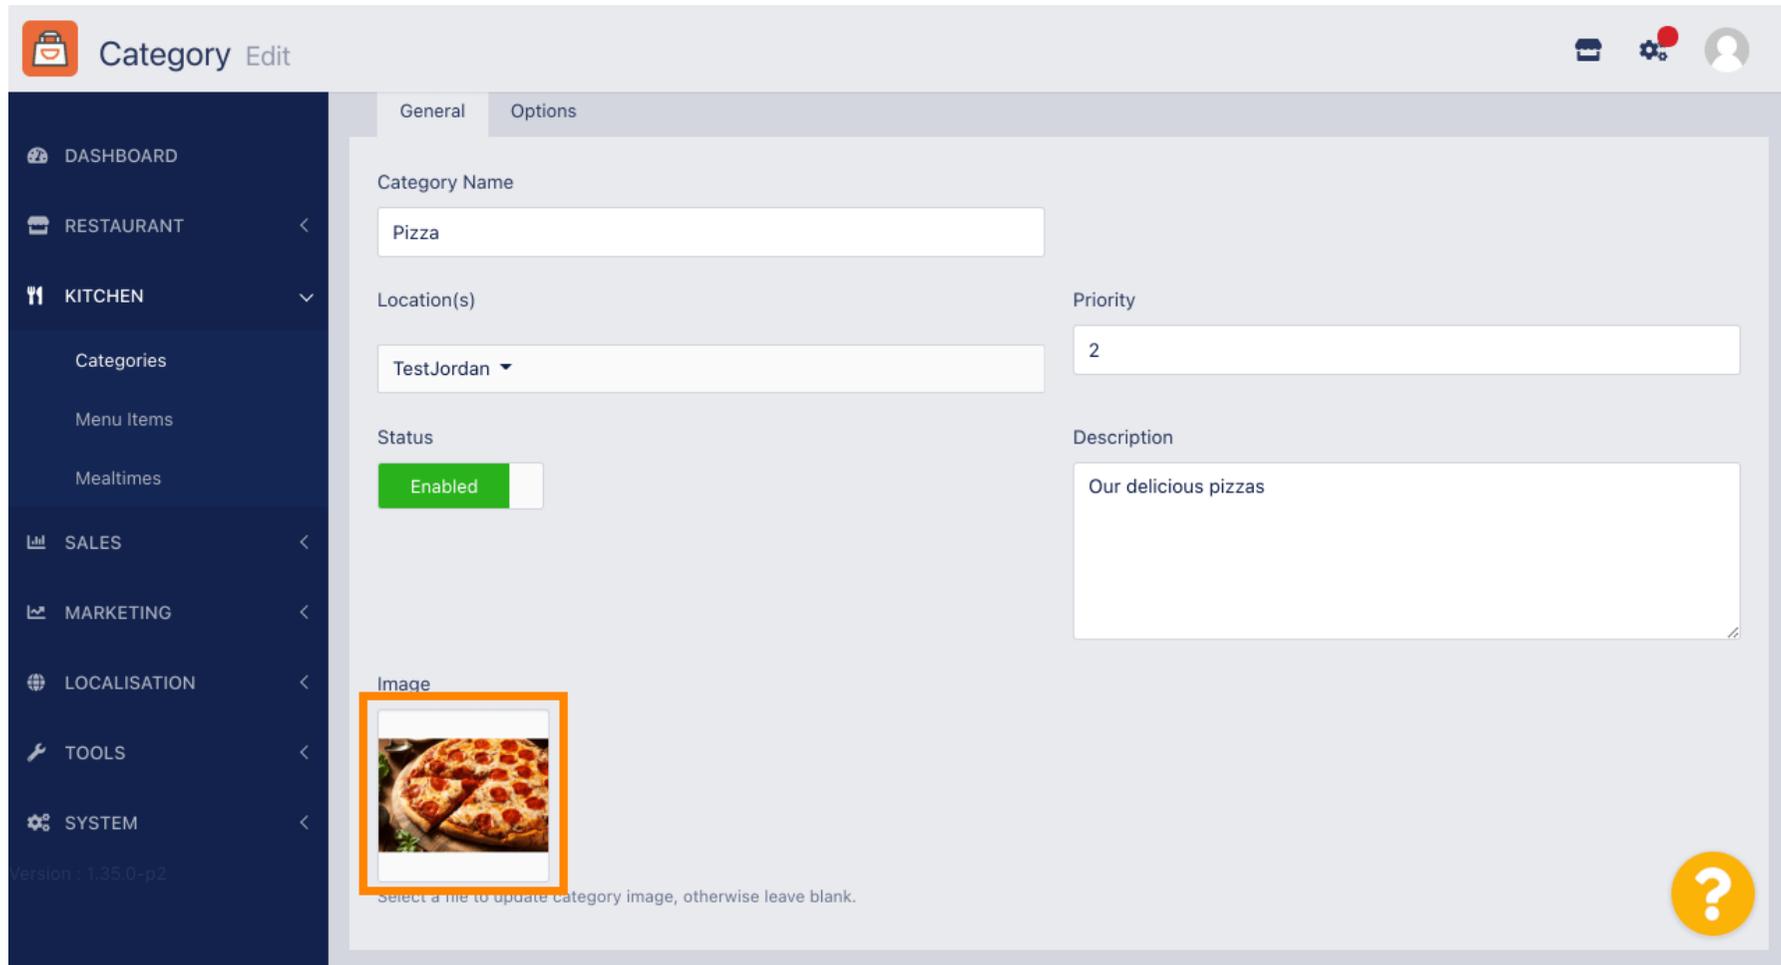

Click on **attach** to assign the selected image to the menu category.

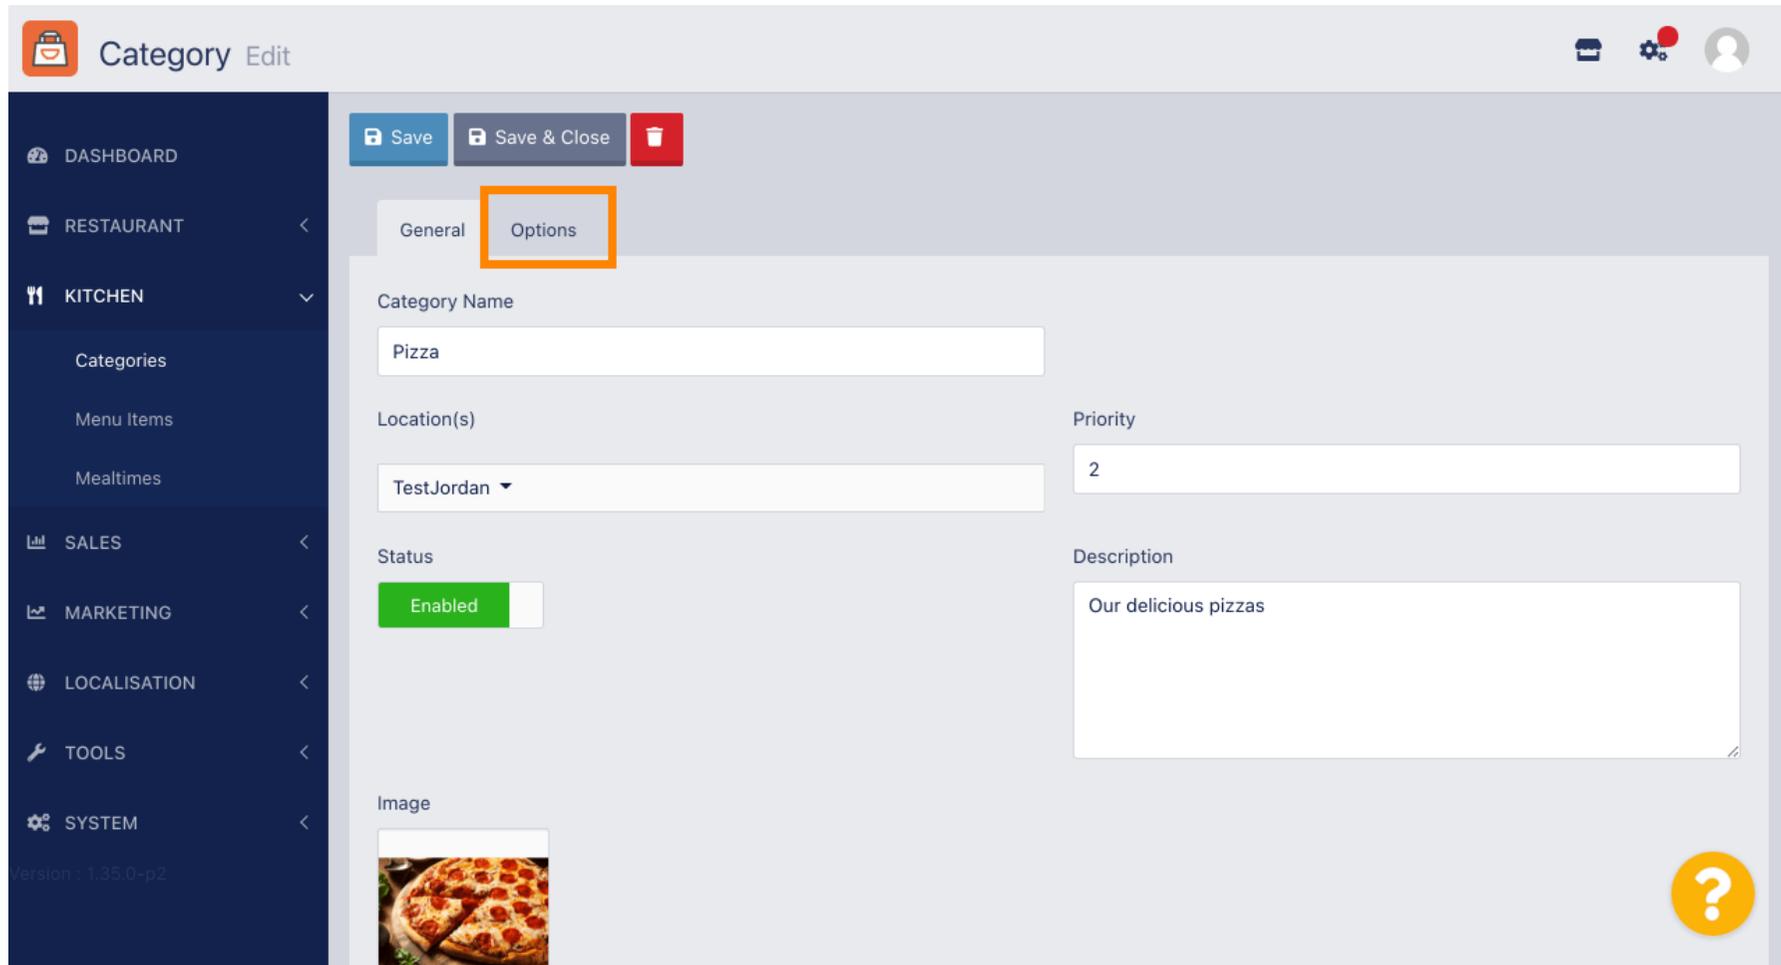

The screenshot displays the Media Manager interface. At the top, there is a title bar with a close button (X) and a search bar labeled "Search files and folders". Below the title bar is a toolbar with icons for home, refresh, upload, folder, edit, and delete. The main area shows a grid of two images: a bowl of penne pasta and a pepperoni pizza. The pizza image is selected, and a detailed view of it is shown on the right. This view includes a toolbar with icons for close, edit, folder, delete, and trash. Below the image, the file name "pizza.png" is displayed, along with its dimensions (--), size (420.08 KB), URL (Click here), and modified date (May 3, 2021). At the bottom of this view, the "Attach" button is highlighted with an orange border and a yellow question mark icon.

 The image is now assigned to the new menu category and will be displayed in the shop.

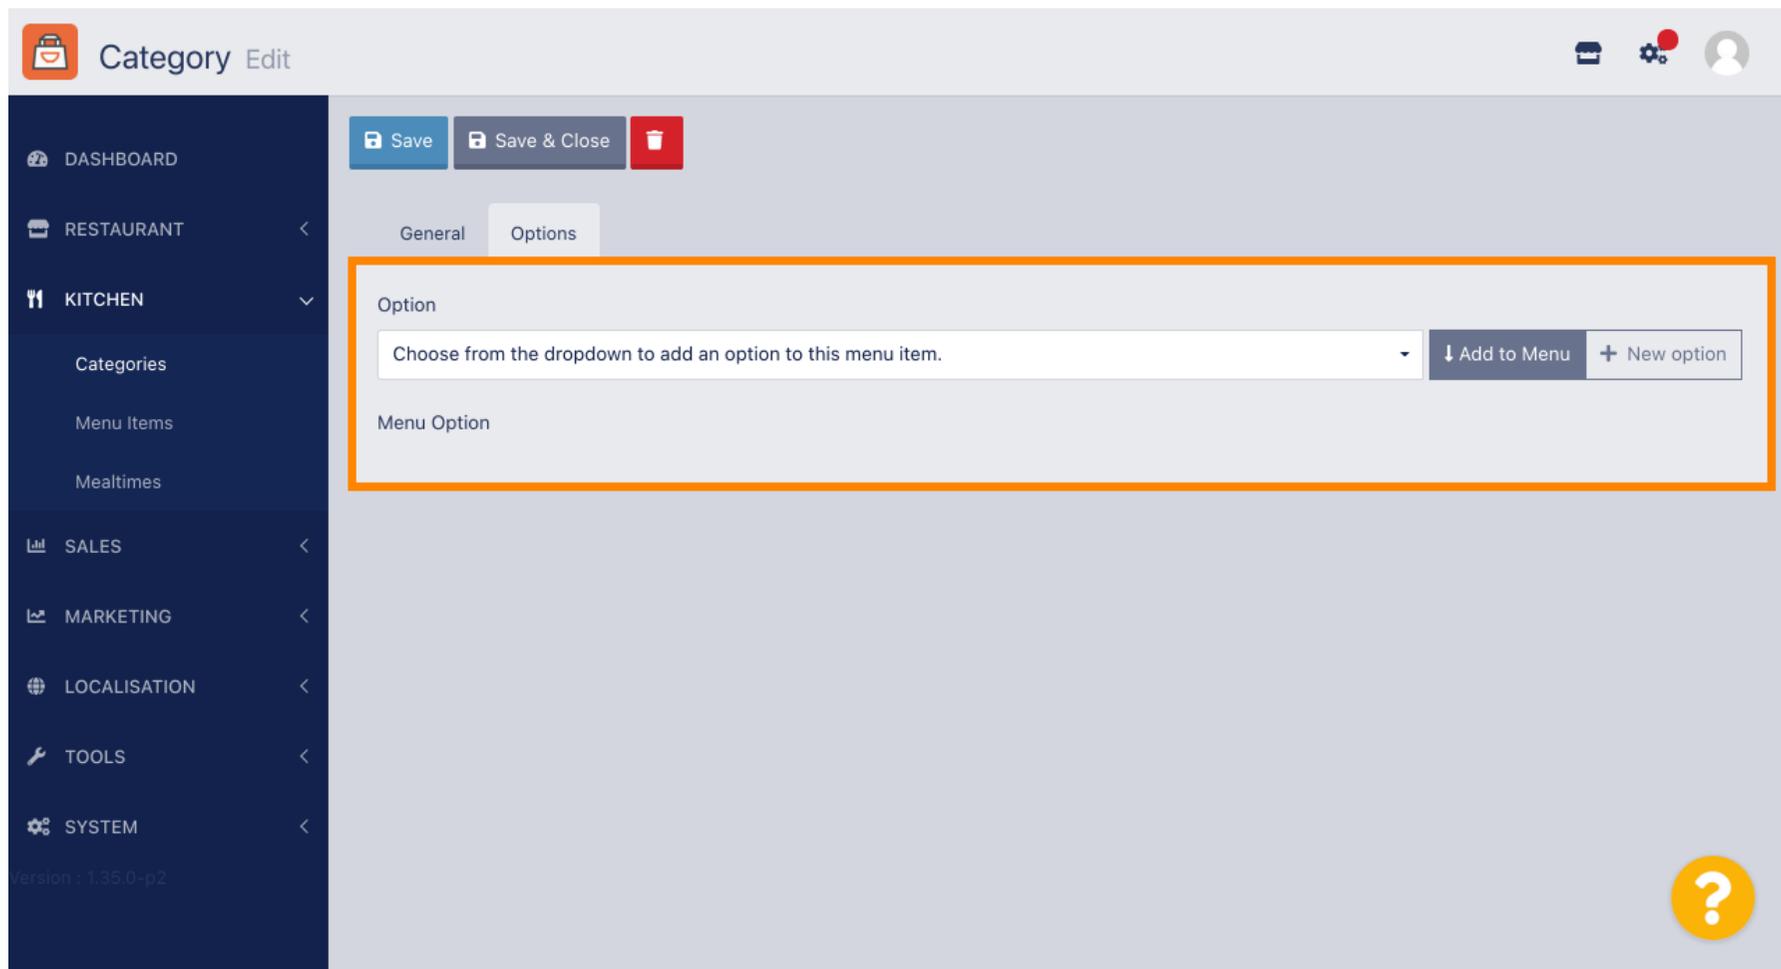

Click on **options** to edit menu options.

The screenshot displays the 'Category Edit' interface. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The 'KITCHEN' section is expanded to show 'Categories', 'Menu Items', and 'Mealtimes'. The main content area is titled 'Category Edit' and contains a top bar with 'Save', 'Save & Close', and a trash icon. Below this are two tabs: 'General' and 'Options', with 'Options' highlighted by an orange box. The 'Options' tab contains the following fields: 'Category Name' (text input with 'Pizza'), 'Location(s)' (dropdown menu with 'TestJordan'), 'Status' (toggle switch set to 'Enabled'), 'Priority' (text input with '2'), and 'Description' (text area with 'Our delicious pizzas'). At the bottom left, there is an 'Image' field with a placeholder image of a pizza. A yellow question mark icon is located in the bottom right corner of the interface.

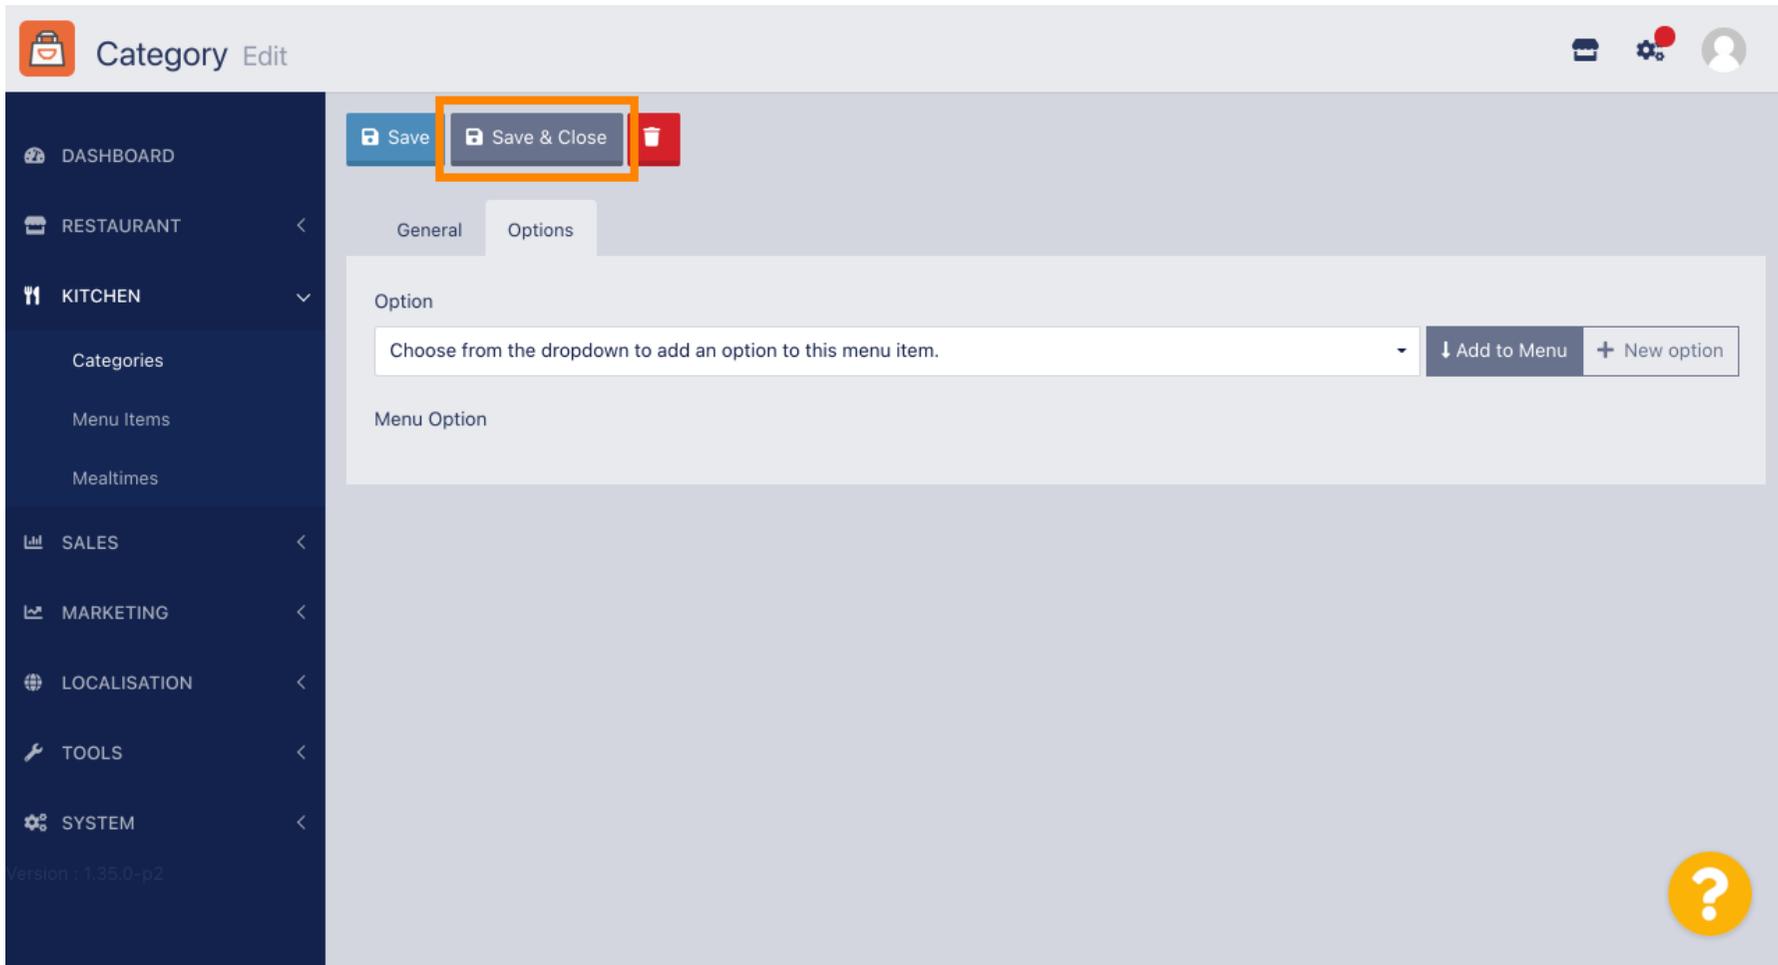

Here you can add options to the category and edit those. Please follow the [link](#) for further information on [how to set up and edit options](#).

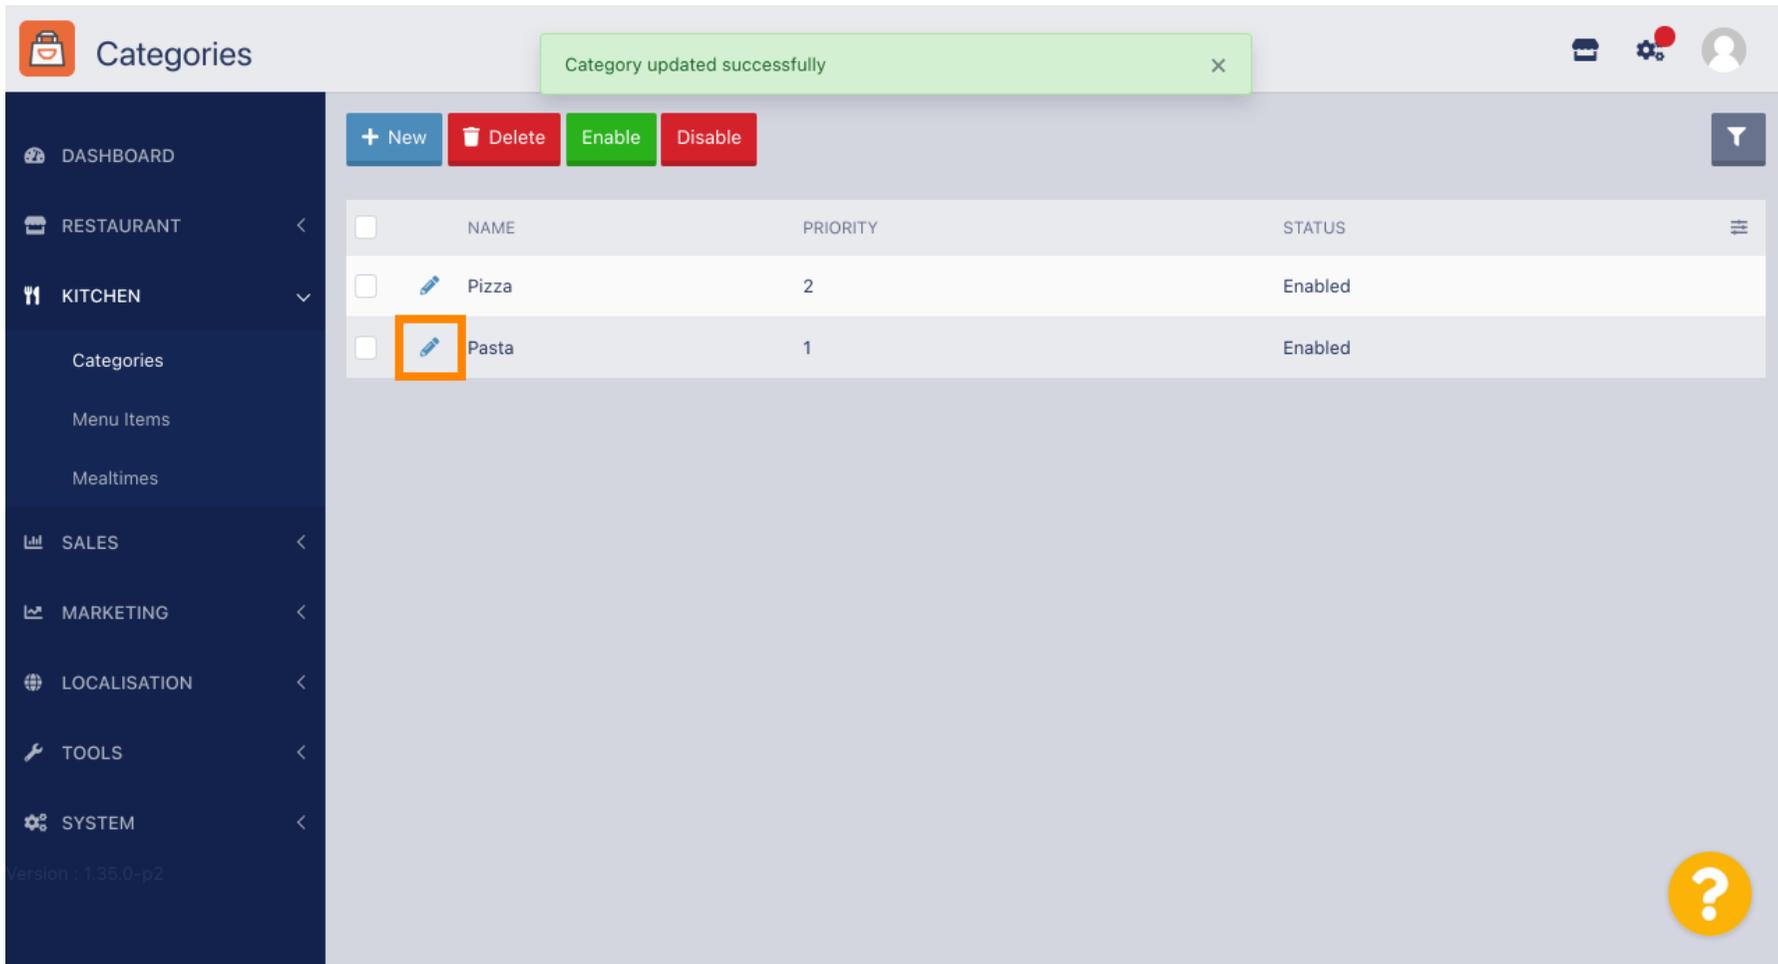

The screenshot shows the 'Category Edit' interface. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN (expanded), Categories, Menu Items, Mealtimes, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main area has a header with 'Category Edit' and a user profile icon. Below the header are 'Save', 'Save & Close', and a trash icon. The 'Options' tab is active, showing a dropdown menu with the text 'Choose from the dropdown to add an option to this menu item.' and buttons for 'Add to Menu' and 'New option'. A yellow question mark icon is in the bottom right corner.

When you are finished do not forget to click on **save & close**.

The screenshot displays the 'Category Edit' interface. On the left is a dark blue sidebar with navigation icons and labels: DASHBOARD, RESTAURANT, KITCHEN, Categories, Menu Items, Mealtimes, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main content area has a top bar with 'Category Edit' and user icons. Below this are three buttons: 'Save', 'Save & Close' (highlighted with an orange box), and a trash icon. There are two tabs: 'General' and 'Options'. The 'Options' tab is active, showing a form with a dropdown menu labeled 'Option' containing the text 'Choose from the dropdown to add an option to this menu item.' To the right of the dropdown are two buttons: 'Add to Menu' and 'New option'. At the bottom right of the main area is a yellow circular help icon with a question mark. The version number 'Version : 1.35.0-p2' is visible at the bottom left of the sidebar.

To edit an existing category click on the **pencil icon** of the desired category.

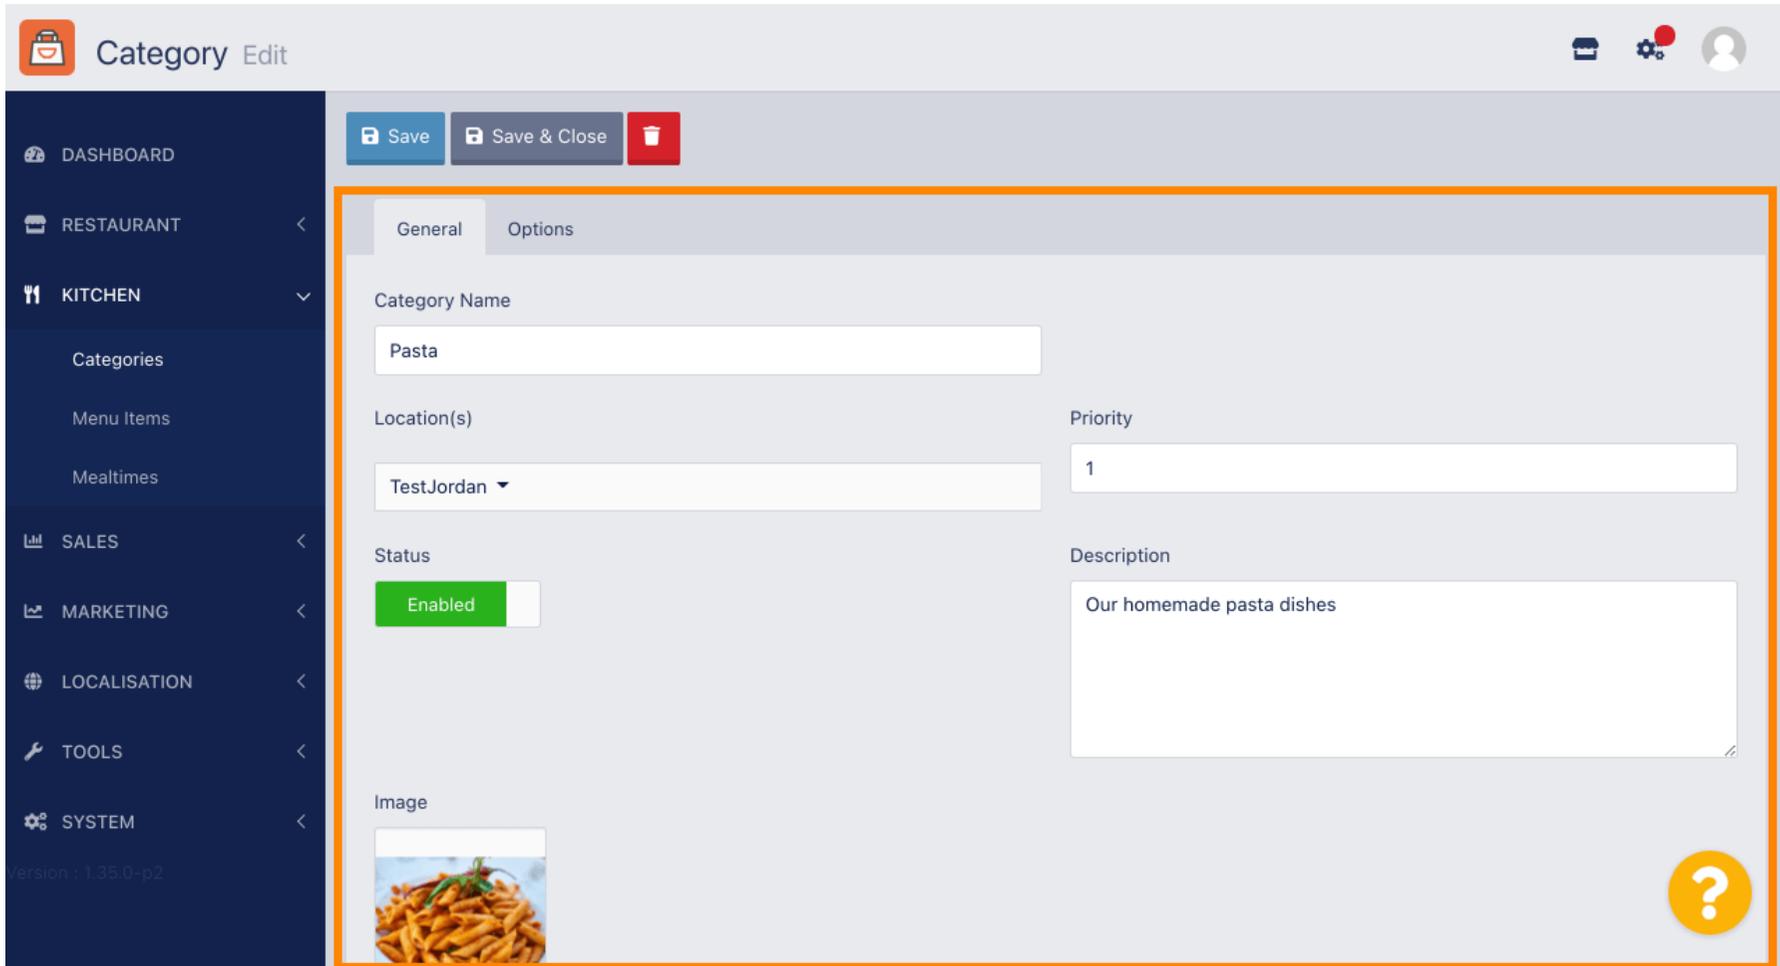

The screenshot shows the 'Categories' management page. At the top, there is a notification: 'Category updated successfully'. Below this, there are four action buttons: '+ New', 'Delete', 'Enable', and 'Disable'. The main content is a table with the following data:

	NAME	PRIORITY	STATUS
<input type="checkbox"/>	Pizza	2	Enabled
<input type="checkbox"/>	Pasta	1	Enabled

The pencil icon next to the 'Pasta' row is highlighted with an orange square. A yellow question mark icon is visible in the bottom right corner of the interface.

 You then are able to edit the **settings** of the chosen category.

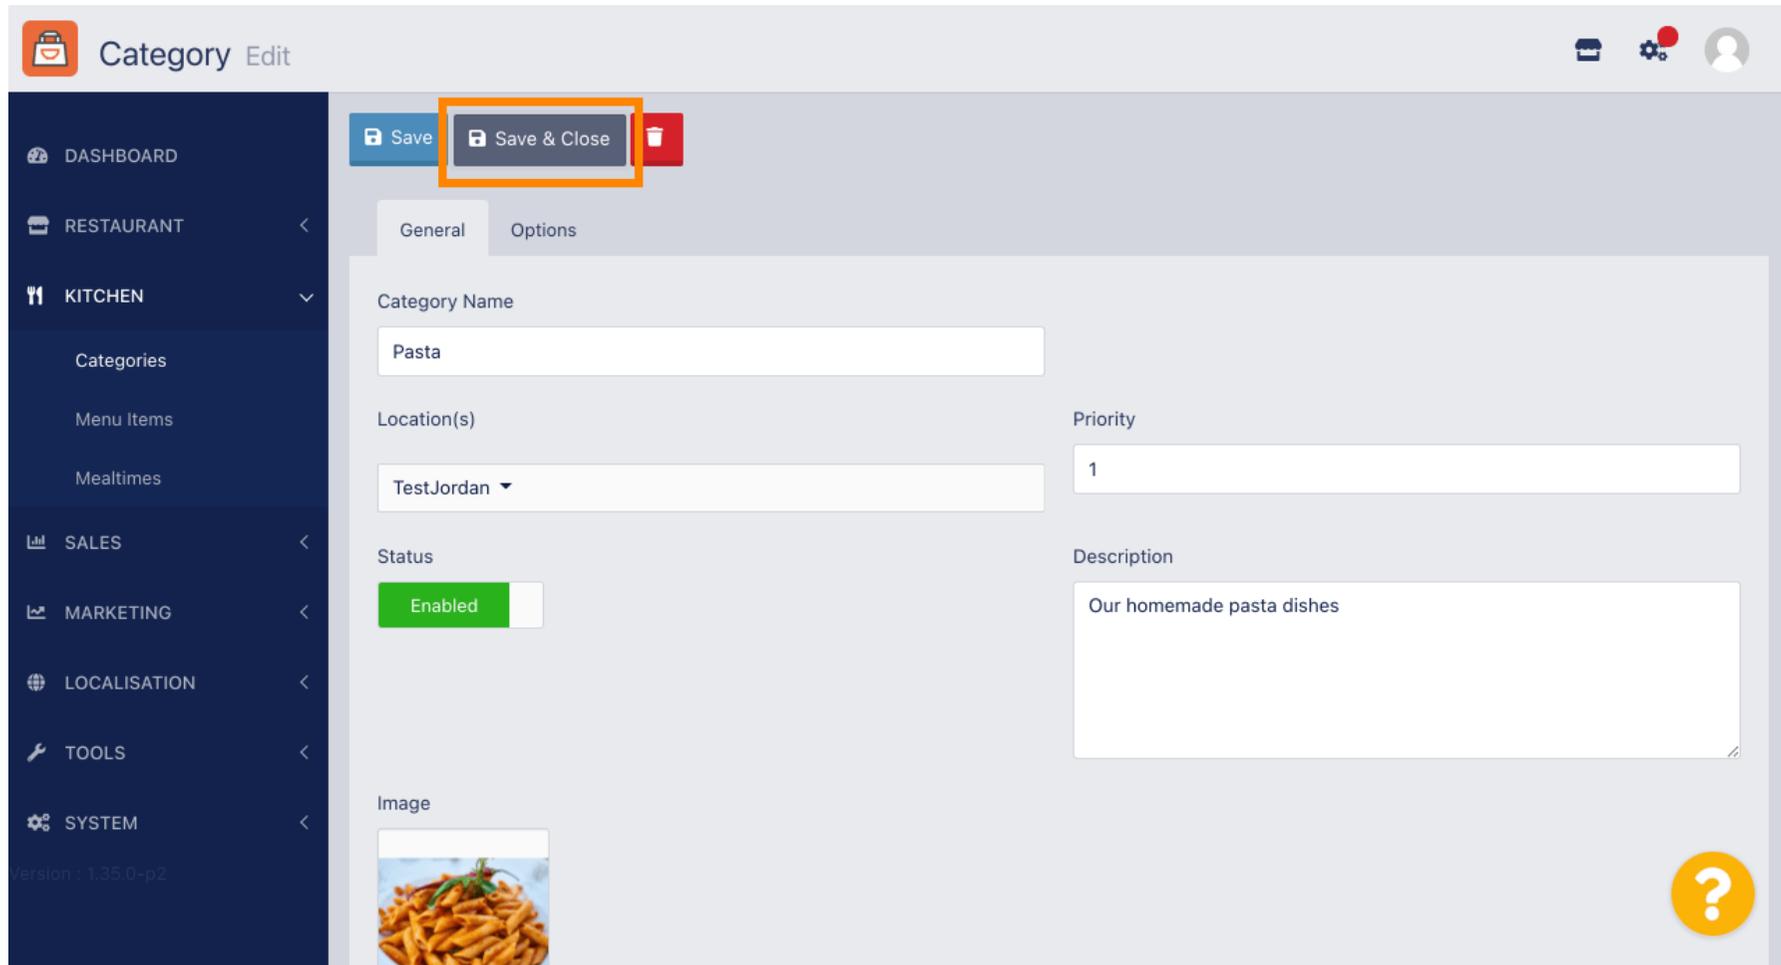

The screenshot displays the 'Category Edit' interface. The sidebar on the left lists various system modules. The main content area is titled 'Category Edit' and features a top navigation bar with 'Save', 'Save & Close', and a trash icon. The main content area is divided into two tabs: 'General' and 'Options'. The 'General' tab is active and contains the following fields:

- Category Name:** A text input field containing 'Pasta'.
- Location(s):** A dropdown menu showing 'TestJordan'.
- Status:** A toggle switch set to 'Enabled'.
- Priority:** A text input field containing '1'.
- Description:** A text area containing 'Our homemade pasta dishes'.
- Image:** A preview image of a pasta dish.

A help icon (a yellow circle with a question mark) is located in the bottom right corner of the main content area.

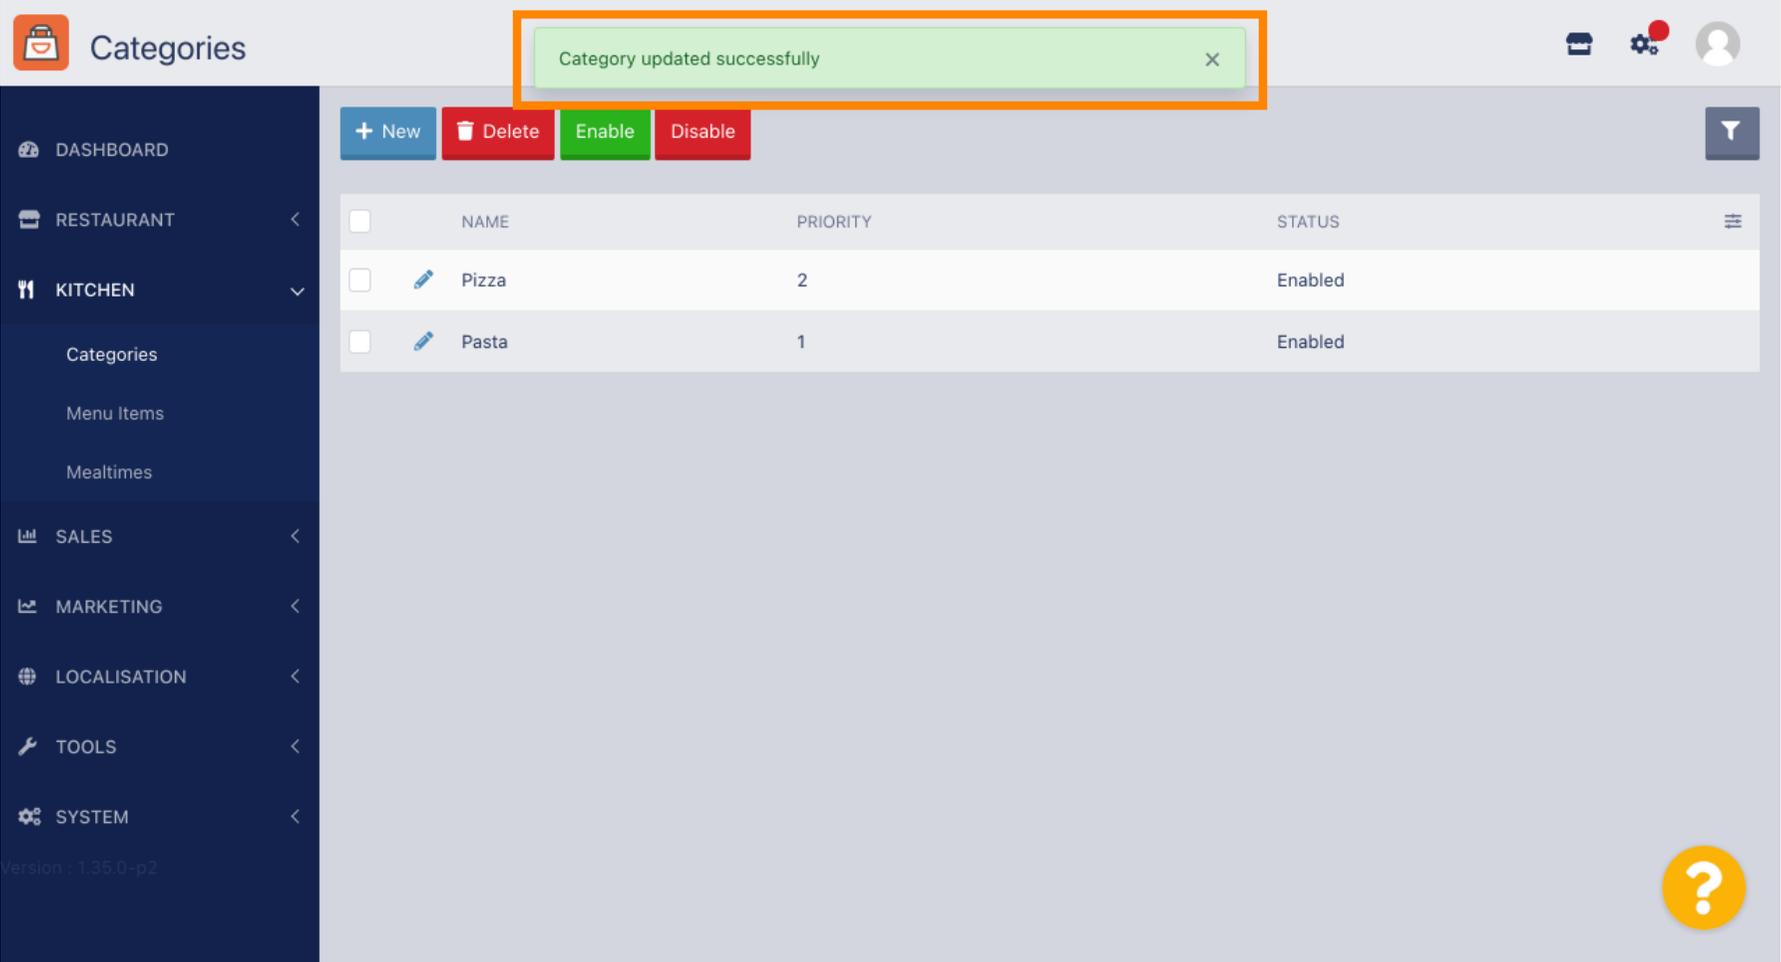

When you are done editing the settings do not forget to click on **save & close**.

The screenshot shows the 'Category Edit' interface. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN (with sub-options: Categories, Menu Items, Mealtimes), SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The main content area is titled 'Category Edit' and has a top bar with 'Save', 'Save & Close', and a trash icon. Below this are tabs for 'General' and 'Options'. The 'General' tab is active, showing fields for 'Category Name' (Pasta), 'Location(s)' (TestJordan), 'Status' (Enabled), 'Priority' (1), and 'Description' (Our homemade pasta dishes). There is also an 'Image' field with a placeholder image of pasta. A yellow question mark icon is in the bottom right corner.

 The **green pop-up message** on the top indicates that you successfully updated the category.

The screenshot shows the 'Categories' management page. At the top, a green notification box states 'Category updated successfully'. Below this, there are four action buttons: '+ New', 'Delete', 'Enable', and 'Disable'. A table displays the following data:

<input type="checkbox"/>	NAME	PRIORITY	STATUS
<input type="checkbox"/>	 Pizza	2	Enabled
<input type="checkbox"/>	 Pasta	1	Enabled

The sidebar on the left contains the following menu items: DASHBOARD, RESTAURANT, KITCHEN (with sub-items: Categories, Menu Items, Mealtimes), SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The version number '1.35.0-p2' is visible at the bottom left, and a help icon is at the bottom right.
