Cliquez sur Gestion du service.

 Un serveur et un fond de caisse sont connectés à chaque service.

The screenshot displays the 'Gestion du service' (Service Management) interface. The header bar is blue and contains the 'boonq' logo, the title 'Gestion du service', and navigation icons. Below the header, there are four service cards arranged in a row. Each card has a dark background and a light-colored border. The first and third cards are labeled 'Porte monnaie' (Coin Machine) and feature a coin machine icon. The second and fourth cards are labeled 'Démo vidéo HD ...' (HD Video Demo ...) and feature a person icon. Each card displays a timestamp and the word 'Manager'. At the bottom of each card is a grey button labeled 'FERMER' (Close).
